MILES SINGLETON

Big Book of Trumpet Songs (Songbook) Oxford University Press

Swing is back in style, and with it a renewed interest in the Big Band Era. And few players dominated that era more than Harry James, whose soaring trumpet solos and romantic hit tunes influenced popular music for a generation. Now, Peter J. Levinson, who knew Harry James personally, has written a revealing biography of this jazz icon, based on nearly 200 interviews with musicians and friends. Harry James led a truly colorful life, and in *Trumpet Blues* Levinson captures it all. Beginning with James's childhood in a traveling circus, we follow the young trumpeter's meteoric rise in the 1930s and witness his electrifying performances with the Benny Goodman Orchestra. We see how James formed his own band in 1939, an incubator for many pop music stars of the 1940s and '50s, including Frank Sinatra, Connie Haines, Dick Haymes, Helen Forrest, and Kitty Kallen. Combined with James's superb musicianship, peerless trumpet technique and talented sidemen, this stellar group dominated the war years and the immediate post-war period. And James himself, especially after his marriage to film goddess Betty Grable, became one of America's most famous personalities and lived like true Hollywood royalty. Levinson describes their twenty-two-year marriage with insight and sympathy. But he shows how James's marriage--and his triumphant late-1950s comeback in Nevada's casinos--were slowly undermined by his penchant for compulsive gambling, womanizing, and alcoholism. He gives us the inside story of James's sybaritic life style, and probes the profound psychological reasons for James's destructive behavior. The first biography ever written on Harry James, *Trumpet Blues* is a scintillating portrait of Swing's brightest star--his life, his loves, and the music that defined an era.

7 Festive Trumpet Solos Faber & Faber

A charming and funny picture book featuring the harmonious friendship between Clarinet and Trumpet. But what happens when their friendship falls flat? Featuring a music-making shaker built into the book Perfect for fans of Stick & Stone and Spoon. "Trumpet, you're a blast " "Clarinet, you're sharp " Clarinet and Trumpet were friends from their very first note. But their friendship falls flat when a new woodwind sets the tone in the music room: Oboe. Trumpet does everything pitch-perfect to try to get Clarinet's attention again, but Clarinet doesn't skip a beat. The story crescendos, the woodwinds face-off against the brass section and a cacophony of sound builds to fill the room. How will Clarinet and Trumpet get their band back together again and save their melodious friendship? With a text that sings with delight and emotive illustrations that bring the sweetness of Clarinet and Trumpet to life, you'll be glad that the shaker in this book let's you join the

band too

Fanfares and Finesse Alfred Music

"A concise guide linking the history of trumpet to performance . . . includes information on band music, bugle calls, orchestral repertoire, and jazz." —American Reference Books Annual Unlike the violin, which has flourished largely unchanged for close to four centuries, the trumpet has endured numerous changes in design and social status from the battlefield to the bandstand and ultimately to the concert hall. This colorful past is reflected in the arsenal of instruments a classical trumpeter employs during a performance, sometimes using no fewer than five in different keys and configurations to accurately reproduce music from the past. With the rise in historically inspired performances comes the necessity for trumpeters to know more about their instrument's heritage, its repertoire, and different performance practices for old music on new and period-specific instruments. More than just a history of the trumpet, this essential reference book is a comprehensive guide for musicians who bring that musical history to life. "A compendium of trumpet history with short, fact-filled chapters. It will serve both amateur and professional musicians alike, and few could read this text without learning something. Fanfares and Finesse is a thorough sampling of trumpet topics, including something of interest for every trumpet player, brass enthusiast, or curious reader." —Pan Pipes "Trumpet players in a wide variety of situations and at many levels will find a great deal of useful information, presented in a clear, engaging, reader-friendly way yet backed by solid research. While some topics are covered in more depth than others, Koehler's breadth of vision and thoroughness are commendable . . . For all trumpeters and anyone who teaches them." —Choice
