Bodies abound in
Rimbaud's poetry in a way
that is nearly

unprecedented in the nineteenth-century poetic canon: lazy, creative, rule-breaking bodies, queer bodies, marginalized and impoverished bodies, revolting and revolutionary, historical bodies. The question that *Poetry, Politics, and the Body* seeks to answer is: What does this corporeal density mean for reading Rimbaud? What kind of sense are we to make of this omnipresence of the body in the Rimbaudian corpus, from first to last—from the earliest poems in verse

celebrating the sheer, simple delight of running away from wherever one is and stretching one's legs out under a table, to the ultimate flight away from poetry itself? In response, this book argues that the body appears—often literally—as a kind of gap, breach, or aperture through which Rimbaud's poems enter into contact with history and a larger body of other texts. Simply put, the body is privileged 'lyrical material' for Rimbaud: a figure for human beings in their exposed, finite

creatureliness and in their unpredictable agency and interconnectedness. Its presence in the early work allows us not only to contemplate what a strange, sensuous thing it is to be embodied, to be both singular and part of a collective, it also allows the poet to diagnose, and the reader to perceive, a set of seemingly intractable, 'real' socio-economic, political, and symbolic problems. Rimbaud's bodies are, in other words, utopian bodies: sites where the historical and the lyrical,

the ideal and the material, do not so much cancel each other out as become caught up in one another.

In prose as magical and

intricate as the tale it tells, Timothée de Fombelle delivers an unforgettable story of a first love that defines a lifetime. Joshua Pearl comes from a world that we no longer believe in — a world of fairy tale. He knows that his great love waits for him there, but he is stuck in an unfamiliar time and place — an old-world marshmallow shop in Paris on the eve of World War II. As his memories begin to fade, Joshua seeks out strange objects: tiny fragments of tales

that have already been told, trinkets that might possibly help him prove his own story before his love is lost forever. Sarah Ardizzone and Sam Gordon translate the original French into a work both luminous and layered, enabling Timothée de Fombelle's modern fairy tale to thrum with magic. Brimming with romance and history, mystery and adventure, this ode to the power of memory, storytelling, and love will ensnare any reader's imagination, and every reader's heart.
