Waco siege with David Koresh and the Branch Davidians, in a memoir that inspired the miniseries *Waco*, now on Netflix. “Riveting . . . the most in-depth and absorbing section is devoted to the 1993 siege near Waco, Texas.”—The Washington Post In Stalling for Time, the FBI’s chief hostage negotiator takes readers on a harrowing tour through many of the most famous hostage crises in the history of the modern FBI, including the siege at Waco, the Montana Freemen standoff, and the D.C. sniper attacks. Having helped develop the FBI’s nonviolent communication techniques for achieving peaceful outcomes in tense situations, Gary Noesner offers a candid, fascinating look back at his years as an innovator in the ranks of the Bureau and a pioneer on the front lines. Whether vividly recounting showdowns with the radical Republic of Texas militia or clashes with colleagues and superiors that expose the internal politics of America’s premier law enforcement agency, Stalling for Time crackles with insight and breathtaking suspense. Case by case, minute by minute, it’s a behind-the-scenes view of a visionary crime fighter

in action.  
*Destination  
 Newcastle*  
 Routledge  
 With an  
 introduction  
 by award-  
 winning  
 novelist  
 Barbara  
 Kingsolver In  
 the late  
 nineteenth  
 century, when  
 the great  
 powers in  
 Europe were  
 tearing Africa  
 apart and  
 seizing  
 ownership of  
 land for  
 themselves,  
 King Leopold  
 of Belgium  
 took hold of  
 the vast and  
 mostly  
 unexplored  
 territory  
 surrounding  
 the Congo

River. In his  
 devastatingly  
 barbarous  
 colonization of  
 this area,  
 Leopold stole  
 its rubber and  
 ivory,  
 pummelled its  
 people and set  
 up a ruthless  
 regime that  
 would reduce  
 the population  
 by half. .  
 While he did  
 all this, he  
 carefully  
 constructed  
 an image of  
 himself as a  
 deeply feeling  
 humanitarian.  
 Winner of the  
 Duff Cooper  
 Prize in 1999,  
 King Leopold's  
 Ghost is the  
 true and  
 haunting  
 account of this  
 man's brutal

regime and its  
 lasting effect  
 on a ruined  
 nation. It is  
 also the  
 inspiring and  
 deeply moving  
 account of a  
 handful of  
 missionaries  
 and other  
 idealists who  
 travelled to  
 Africa and  
 unwittingly  
 found  
 themselves in  
 the middle of  
 a gruesome  
 holocaust.  
 Instead of  
 turning away,  
 these brave  
 few chose to  
 stand up  
 against  
 Leopold.  
 Adam  
 Hochschild  
 brings life to  
 this largely  
 untold story

and, crucially, casts blame on those responsible for this atrocity. *King Leopold's Ghost* Independently Published A Wall Street Journal bestseller. A Border Patrol murder exposes a high-level conspiracy in USA Today bestselling author Steven Konkoly's explosive thriller. After exposing and dismantling a deep-state conspiracy that nearly destroyed his life, Ryan Decker finds his covert skills have put him on the radar of influential Senator Steele. Now Steele needs his help. Two patrol agents were killed in a bizarre explosion near the US-Mexico border--and the evidence doesn't line up with the official story. Enlisted by Steele to run an undercover, off-the-books investigation, Decker and his partner, Harlow, head to the border town of Tecate. But when they're caught in an ambush, Decker realizes they've stumbled onto something far more dangerous than any of them understood. The cover-up is rooted deep in the Department of Defense itself. Fearful for their own lives and unable to trust anyone outside their small circle of skilled associates, Decker and Harlow set in motion a risky plan to stop a criminal conspiracy. *Working* Montgomery

 studies a  
 balanced  
 approach to  
 covering the  
 breadth and  
 depth of the  
 subject  
 discussion of  
 work from  
 both  
 psychology  
 and media  
 disciplines.  
 The text is  
 appropriate  
 for Media  
 Effects, Media  
 & Society, and  
 Psychology of  
 Mass Media  
 coursework,  
 as it examines  
 the effects of  
 mass media  
 on human

cognitions, attitudes, and behaviors through empirical social science research; teaches students how to examine and evaluate mediated messages; and includes mass communication research, theory and analysis.

*The Big Trivia Quiz Book*

Thomas & Mercer

An illuminating account of how history shapes our diets—now in a new revised and updated Third Edition

Why did the ancient Romans believe cinnamon grew in swamps guarded by giant killer bats? How did African cultures imported by slavery influence cooking in the American South? What does the 700-seat McDonald's in Beijing serve in the age of globalization? With the answers to these and many more such questions, *Cuisine and Culture, Third*

*Edition* presents an engaging, entertaining, and informative exploration of the interactions among history, culture, and food. From prehistory and the earliest societies in the Fertile Crescent to today's celebrity chefs, *Cuisine and Culture, Third Edition* presents a multicultural and multiethnic approach to understanding how and why major historical

events have affected and defined the culinary traditions in different societies. Now revised and updated, this Third Edition is more comprehensive and insightful than ever before. Covers prehistory through the present day—from the discovery of fire to the emergence of television cooking shows. Explores how history, culture, politics, sociology, and religion have determined

how and what people have eaten through the ages. Includes a sampling of recipes and menus from different historical periods and cultures. Features French and Italian pronunciation guides, a chronology of food books and cookbooks of historical importance, and an extensive bibliography. Includes all-new content on technology, food marketing, celebrity chefs

and cooking television shows, and Canadian cuisine. Complete with revealing historical photographs and illustrations, *Cuisine and Culture* is an essential introduction to food history for students, history buffs, and food lovers. Book Two in  
The Perseid  
Collapse  
series: Event  
Horizon, will

be available by early spring of 2014. Wayward Pines: Genesis Penguin How insurgencies—enabled by digital devices and a vast information sphere—have mobilized millions of ordinary people around the world. In the words of economist and scholar Arnold Kling, Martin Gurri saw it coming. Technology has categorically reversed the information balance of power

between the public and the elites who manage the great hierarchical institutions of the industrial age: government, political parties, the media. The Revolt of the Public tells the story of how insurgencies, enabled by digital devices and a vast information sphere, have mobilized millions of ordinary people around the world. Originally published in 2014, The Revolt of the Public is now

available in an updated edition, which includes an extensive analysis of Donald Trump's improbable rise to the presidency and the electoral triumphs of Brexit. The book concludes with a speculative look forward, pondering whether the current elite class can bring about a reformation of the democratic process and whether new organizing principles,

adapted to a digital world, can arise out of the present political turbulence.

### **The Killer**

Franklin Classics NATIONAL BESTSELLER • From the author of *Into the Wild* and *Into Thin Air*, this extraordinary work of investigative journalism takes readers inside America's isolated Mormon Fundamentalist communities. • Now an acclaimed FX limited series streaming on

HULU. "Fantastic.... Right up there with *In Cold Blood* and *The Executioner's Song*." —San Francisco Chronicle Defying both civil authorities and the Mormon establishment in Salt Lake City, the renegade leaders of these Taliban-like theocracies are zealots who answer only to God; some 40,000 people still practice polygamy in these communities. At the core of

Krakauer's book are brothers Ron and Dan Lafferty, who insist they received a commandment from God to kill a blameless woman and her baby girl. Beginning with a meticulously researched account of this appalling double murder, Krakauer constructs a multi-layered, bone-chilling narrative of messianic delusion, polygamy, savage violence, and unyielding

faith. Along the way he uncovers a shadowy offshoot of America's fastest growing religion, and raises provocative questions about the nature of religious belief.

NYT  
Bestselling  
Carrie Ann Ryan  
continues her Montgomery Ink series with a forbidden romance worth the risk.  
Decker Kendrick has kept away

from her for years, but now his best friend's little sister is stepping up the game. No matter how hard he's tried to stay away from Miranda, once she sets her sights on him, there's no backing down. Miranda Montgomery has loved her brother's best friend for as long as she can remember and won't walk away until he knows how she feels and what they could have together. Only once they give in to their temptations,

not all is at it seems.  
Decker's father is out of jail, and someone from Miranda's past refuses to stay away. And if he isn't careful, Decker will lose her before they even have a chance.

2035. The United States is in ruin due to a drought. California is a state on the verge of secession.  
Nathan Fisher

is a man on the run with his family after an accidental witness to a clandestine military-style operation. Fisher and his loved ones must somehow stay a step ahead of their relentless pursuers, navigating a ruined world in a desperate search for sanctuary. A Cognitive Psychology of Mass Communication Thomas & Mercer As Alex Fletcher becomes more involved

with the New England Regional Recovery Zone, he leaves Kate and the family compound behind, finding out, only too late, that Eli Russell has returned with reinforcements and is bent on revenge. **Under the Banner of Heaven** Thomas & Mercer A Pulitzer Prize winner interviews workers, from policemen to piano tuners: "Magnificent . . . To read it is to hear America

talking." —The Boston Globe A National Book Award Finalist and New York Times bestseller Studs Terkel's classic oral history Working is a compelling look at jobs and the people who do them. Consisting of over one hundred interviews with everyone from a gravedigger to a studio head, this book provides a "brilliant" and enduring portrait of people's feelings about

their working lives. This edition includes a new foreword by New York Times journalist Adam Cohen (Forbes). “Splendid . . . Important . . . Rich and fascinating . . . The people we meet are not digits in a poll but real people with real names who share their anecdotes, adventures, and aspirations with us.” —Business Week “The talk in Working is good

talk—earthy, passionate, honest, sometimes tender, sometimes crisp, juicy as reality, seasoned with experience.” —The Washington Post *Rogue State* Thomas & Mercer California, now a totalitarian surveillance state controlling the lion's share of the nation's economy, is on the brink of secession. Family man Nathan Fisher finds himself at the heart of a bloody

conspiracy that threatens the lives of his loved ones and the future of the country itself. Out-manned and out-gunned by a force of ruthless Russian mercenaries, and closely pursued by the drug cartels that rule the ravaged Southwest, the Fishers need help to survive ... but at what price? **The Rescue** Thomas & Mercer The Wall Street Journal bestselling series. Investigating a

missing persons case on Murder Mountain means looking for trouble in a propulsive thriller by the author of The Raid. When someone disappears on Northern California's lawless Murder Mountain, it isn't news. The vast terrain for illegal marijuana harvests is also a notorious black hole for outsiders. But when that someone is the family friend of the persuasive

and righteous Senator Steele, finding him becomes covert investigator Ryan Decker's mission. For Decker, the risks of infiltrating a multibillion-dollar outlaw industry are greater than he could possibly understand. Especially when that industry has flourished into the profitable backbone of a secretive and influential DC-based think tank. And protecting its untraceable revenue in the Emerald

Triangle is a band of ruthless white nationalists. What begins as a seemingly straightforward favor soon pulls Decker and his partner, Harlow Mackenzie, into a high-stakes conspiracy linked to the most cold-blooded puppet masters and power brokers in the country. The harder Decker and Harlow work to expose the insidious faction, the harder it'll be to make it out

of Murder Mountain alive.  
The Perseid Collapse  
 McGraw Hill Professional  
 Hal Wallis (1898-1986) might not be as well known as David O. Selznick or Samuel Goldwyn, but the films he produced—Casablanca, Jezebel, Now, Voyager, The Life of Emile Zola, Becket, True Grit, and many other classics (as well as scores of Elvis movies)—have certainly endured. As producer of numerous

films, Wallis made an indelible mark on the course of America's film industry, but his contributions are often overlooked. Bernard Dick offers the first comprehensive assessment of the producer's incredible career. A former office boy and salesman, Wallis first engaged with the film business as the manager of a Los Angeles movie theater in 1922. He attracted the notice of the

Warner brothers, who hired him as a publicity assistant. Within three months he was director of the department, and appointments to studio manager and production executive quickly followed. Wallis went on to oversee dozens of productions and formed his own production company in 1944. Dick draws on numerous sources such as Wallis's personal

production files and exclusive interviews with many of his contemporaries to finally tell the full story of his illustrious career. Dick combines his knowledge of behind-the-scenes Hollywood with fascinating anecdotes to create a portrait of one of Hollywood's early power players. [Tempting Boundaries - Special Edition](#) University Press of Kentucky After a routine

job turns into a fight for his life, professional killer Victor races across Europe to find out who bought his services and why they now want him dead, a trip that causes him to stumble into an international conspiracy that spans four continents. **The Spider Heist** The New Press The standard-setting reference in medical toxicology—trusted as the leading

evidence-based resource for poison emergencies A Doody's Core Title for 2017! For decades, one name has been synonymous with the most respected, rigorous perspectives on medical toxicology and the treatment of poisoned and overdosed patients: Goldfrank's Toxicologic Emergencies. Presented in full color, Goldfrank's delivers essential, patient-centered coverage of every aspect

of poison management. The editors and authors are recognized as preeminent scholars in their specialties and provide unmatched coverage of all aspects of toxicologic emergencies, from pharmacology and clinical presentation to cutting-edge treatment strategies. Goldfrank's Toxicologic Emergencies, Tenth Edition begins with an examination of medical toxicology

principles and techniques. It then reviews the biochemical, molecular, and pathophysiologic basis of toxicology, followed by an intense focus on toxicologic principles related to special patient populations. Features Case studies enhance your understanding of the clinical application of the text material Practical focus on the pathophysiologic basis of medical toxicology The Antidotes in

Depth sections delivers the expertise of toxicologists across the world as they present treatments for critically ill poisoned and overdosed patients and allow you to easily identify key issues relating to the use of complex and often unfamiliar therapies The principles of risk management, medicolegal decision making, patient safety, post mortem toxicology and the

assessment of ethanol induced impairment described in chapters and Special Consideration s emphasize the interface between	medical toxicology, the law, and quality care <i>The Mountain</i> Createspace Independent Publishing Platform Ranger qualified	Lieutenant Colonel John Lock provides the first complete chronicle of the elite U.S. Army Rangers in this second, revised edition.
