In this book you will learn how you can: Build

your own coops Pick the Chicken That's Right for You Take Care of your Bird's Health Secure your Coop from Pests And a Whole Lot More!

*How to Build Chicken Coops* Createspace Independent Publishing Platform  
2nd Edition!! Now includes instructions with pictures and materials list for building a chicken coop!! Free bonus plans and video walkthrough inside! There is nothing better than collecting fresh, still warm chicken eggs in the knowledge that you and your family have exclusively looked after the birds. You what the birds ate and went into the eggs. There's a growing trend in the us for people to keep chickens in their backyards both for eggs, meat and gardening fertilizer. In Austin, Texas, for example, chicken keeping is widespread and, for the moment anyway, even roosters are permitted. Building your own chicken coop could be the first step to a satisfying hobby farming that could lead to healthier living and save you some dollars at the grocery store. If you've taken the plunge and are brooding baby chicks, the only thing that stands between you and supply of fresh eggs is a permanent place for your hens to call home. By six weeks of age they need something more than a cardboard box to live in. Building a basic chicken coop for a small flock of birds is a solid weekend project for the determined "do-it-yourself" with carpentry skills, while the more elaborate coops could easily take several weeks (and will require advanced carpentry skills). All coops have two main components: an enclosed space for sleeping and laying eggs and an open air 'chicken run' to roam around in during the day. The enclosed space should open directly to the run, but should be elevated at least two feet above it so there is space to collect the

droppings that fall through the floor. (More on that in a moment. ) There are many possible ways to plan, configure, and build a chicken coop, and that is the primary BURDEN of this eBook to teach you all you need to know as a beginner in this exciting endeavor.

Raising Chickens How to Build a Chicken Coop in 5 Easy Steps Keeping chickens has become increasing common - not simply does one get yourself a standard supply of free-range eggs, you also have the pleasure and the joy of keeping chickens. However, you know all the benefits that come with raising chickens, but the question is "where do I keep them?" Well, you could venture out and buy a ready-made chicken coop, but where could the fun maintain that, and, more to the point, why spend all that money when you can build a chicken coop yourself for a fraction of the price? Chicken Safety Your primary concern will be with chicken protection; you will make sure your chickens is going to be protected from predators. You will hide the outside runs with chicken wire that encompass the chicken coop to around a degree of about one foot, to accomplish this. It doesn't assure complete safety, but this may stop all but the biggest predators. Easy Maintenance It consequently makes sense to build a chicken's coop that allows one to clear it quickly, simply with as little publicity that you can to avoid illnesses and diseases you'll clear your chicken coop. There are always a couple of design

strategies that may make this straightforward: install doors that open inward, not external; pitch the ground to your low-angle going for the main door - when hosing down the interior of your chicken coop with water and disinfectant the water will naturally drain instead of collecting inside the center. Create A Coop That Bright And Is Warm The coop of a chicken must not be cool throughout the winter but also well ventilated. To do this, insulate the design surfaces - this maintains the chicken coop dried in the wet weeks and warm within the winter season. Furthermore, guarantee the windows of the coop face the sun such that it allows in the lightest. Another tip is to mount a power lighting system - these are not quite superior to sustain. Not only will you not be unable to view the birds during the night it serves as being a really good heat source.

Build a better life for your chickens! Join Lisa Steele, chicken keeper extraordinaire and founder of Fresh Eggs Daily, to learn how to build just about everything you might need for your coop, run, or farmhouse kitchen. Whether you're a DIY novice looking for an easy win or a more experienced builder looking for chicken-specific projects, you've come to the right place! The chapters are packed with a variety of ideas, covering every skill level: The Basics: Lisa will tell you what tools you absolutely need, the ins and outs of pallets, and a few special skills, like how to transfer lettered designs to wood. Quick and Easy Projects: Get started with projects that take minutes or hours, not days! From a decorative cutting board coop sign and paned window coop mirror to more functional projects like a clothespin herb drying rack and dropping board, you're sure to find the right starter project. Handy Projects: Ready to take on a slightly more challenging build? Try the removable coop ladder

roost, boot tree stand, feed dolly, chick-sized jungle gym, or chicken-proof herb garden. Pallet Projects: What's better than DIY projects? DIY projects made from free wood! Use pallets in all forms (whole, partial, and boards) for the projects in this chapter. Make a coop tool holder, chick roosting bar, swinging bench, feeding station, coop shutters, compost bin, and so much more.

Weekend Projects: More time doesn't necessarily mean frustrating or too difficult. The ambitious, yet easy-to-follow, projects in this chapter include a sliding barn coop door, a-frame integration pen, and a roadside egg stand. No matter what you need for the coop—or what your chickens might want you to build first!—you're sure to have fun as you create a coop and run that's the envy of your neighbor's flock.

Your practical, beginner-friendly guide to enjoying a sustainable lifestyle by raising chickens in your own backyard Tired of relying on the supermarket every time you run out of eggs? Do you want to raise chickens of your own but are completely lost on where to begin? Do you want to not only raise chickens, but also get access to farm-fresh eggs right from your backyard without spending a fortune? In the US alone, the trend of raising backyard chickens has been on the rise in the last 5 years. According to The Washington Post, an average American eats 279 eggs per year. This alone has contributed to a 50-year high in egg sales. However, horrified by what goes on in commercial production, many Americans are moving towards raising backyard chickens for a healthy source of eggs and poultry. But there is more to a chicken than meets the eye. These

social birds make for excellent pets-they love being around humans and are great for kids as well. Your flock also frees you from the trouble of sweeping your backyard for weeds, bugs, and pests as chickens are natural pest killers. The best part? You can sell the surplus eggs at your local market. This makes raising chickens a cheap and lucrative craft. You may think it all seems great... but how do you even begin? It's not like you bring chickens home one fine evening and they'll start laying eggs for you. Don't worry, raising chickens in your backyard is not rocket science-even you can do it! In *Raising Backyard Chickens*, you will discover: A beginner-friendly approach to raising chickens in your backyard Practical suggestions for choosing the right rooster and hen breeds Various chicken behaviors and how you can take care of your flock A complete guide to setting up a backyard chicken enclosure-build your own from scratch or buy one, we've got you covered Coop essentials-everything you need on nesting boxes, bedding materials, waterers, and feeders, right at your fingertips! (Plus, a step-by-step guide on cleaning the coop) All you will ever need to know about eggs-from training your hens to egg collection strategies (and even how to boost egg production!) The definitive guide to raising chicks-build your own brooder and raise healthy chicks Nourishment plans and diets for your flock-give your chickens nutritious food at various stages of development And much more. Raising chickens in your backyard introduces you to a new lifestyle-a sustainable way of living without having to rely on commercial produce. It is also a wholesome family activity. As the old saying goes: opportunities, like eggs, come one at a

time. If you want a hassle-free way to raise chickens in your backyard, then click "Add to Cart" right now.
