I have titled this short story "The Dancing Will Never End; A Short Story of a Love Affair". If a person takes into consideration the time we began going steady till Cleo's death, we spent over Sixty Years together. Ours was not the type of love which is written about in fictional love stories. The romantic love left after a while. As this superficial romantic love faded true love took hold. The romantic love was but

the soil and fertilizer which allowed our true love to flourish and grow so deeply. Having said this, our relationship and love affair was not a life spent kissing or 'lovie dovie', never having an argument or agreeing on everything. Our love if viewed by an outside observer would not manifest itself as any different as the relationship one may observe of any other married couple. But it was different we had become truly one and this was our love affair. In our relationship, we learned to listen to each other, make compromises and respect each other. We not only listened to each other, we made decisions together. Separation or divorces were words which were never part of our vocabulary. This action was one we would never have contemplated. We learned to accept each other's faults, adjust our own behavior so as to meld with each other. We loved each other enough to work out any problem or disappointment even when something hurtful had been said. Our love was like poet's have written, "An unconditional love that is most understanding and a vulnerable love that

supports, comforts and is "DETERMINED TO TRIUMPH OVER EVERY CHALLENGE OR ADVERSITY IT MAY ENCOUNTER". I first fell in love with Cleo at the Sadie Hawkins Dance. We professed our love to each other at our high school Sock hop dance. We danced all of our lives till Cleo's medical condition did not allow doing so. As long as I am alive and neither my memory or mental acuity fails me, the dancing will never end.

It was in between my freshman and sophomore years of high school, that I wrote my first short story 4 knights in armor, now titled Knights of Kenai. However, Knights of Kenai was cut from the final version of this manuscript. Likewise the name of this book, originally it was entitled Writing my Heart Out but due to personal reasons I thought to change the title. This book has been ten years in the making and through those 10 years I have added new pieces and taken some out. With all the changes I finally have come to the point where I feel satisfied with this final version. I feel ready to share these wounds with

the world. Now when I say wounds I am referring to my emotions, and thoughts that I put forth into writing and in these wounds I show how I have been over these past ten years. Some political and some reflecting my own life, this is me renewing myself getting out aggressions through my writings. For me writing about real life or stuff I am afraid to speak out about helps me in expressing myself. Writing in other words is a form of therapy. It is through writing that I allow myself to fully express how and what I am feeling instead of holding it in. Writing is my escape from this crazy world; I need to do it like I need to breathe. What I write are my wounds and when I share them I open them. So here are my wounds, they are now open!

Hi, my name is Jamila Simmons. I am thirty-six years old. I am a mother of a ten-year-old daughter. She actually gave me the idea for the book. I put her through two years of dance classes. It is what she enjoys very much. She really loves dancing. She is really the inspiration to write this book. This book is also geared toward young children working on what they love doing but keeping focus on what is important in their young lives.

"You are going to love this place, girlie!" Lacey exclaimed. "It is the hottest 18 and under club for teens!" "It truly is, girl! Lauren piped, as Liam put his arm around her." "It sounds like fun!" I replied, excitement filling my heart. "I have no doubt that I will enjoy it!" "Two days ago, my best friends had asked me to go clubbing at a teen club that had opened in March. After asking Aunt Joanna, she had said yes. After all, she had heard good things about it. This had made me feel excited, because I was about to embark on a new experience for me.

Party Europe Simon and Schuster Sissy Fletcher, the preacher's daughter, disappeared on the night of the Rodeo Dance ten years ago and has been missing ever since. Until now, that is—a team drilling an oil well has made a grisly discovery in

an isolated pasture. Seeing as how it's an election year, finding her killer is a bigger priority than it might usually be in sleepy Washington County, Texas, where not much ever happens anyway. Though it's becoming clear that the town isn't quite as sleepy as it seems. Martin Fletcher, Sissy's brother, seems to believe he's on a mission from God to raise hell in Washington County. He and his partner, Dud Hughes, aim to start small, with armed robbery, and work their way up to bigger things, but an inquiry into his sister's death threatens to draw a little more attention his way than he wants just now. As the mood begins to shift in the town, three men put their heads together to work the case: ex-Texas Ranger Jeremiah Spur, who is retired but can't get the thrill of the chase out of his blood; the current sheriff, Dewey Sharpe, who just may not be as dumb as he looks; and Deputy Clyde Thomas, an African-American ex-Dallas cop who is probably the savviest of the bunch. All in all, James Hime's *The Night of the Dance*, is a terrifically original, jaunty, and action-packed debut

from a writer to watch. *Atlanta* Arcadia Publishing

 21 A stirring story of hope and perseverance, a story of a little girl uprooted from a caring vineyard and planted in a strange land. It's a chronicle of faith that took nearly fifty years to come to fruition. It tells of the faith and humbleness of a child that remains the author's greatest attributes. Lenita Jane's story is an inspiration. It reminds us that we may not be able to control the events in our lives, but we decide how it will affect us. Lenita's story encourages us to keep the faith, to give out but never give up, to hope against all odds. 21
