The Pacific Coast League enjoyed a reputation as one of the premier minor leagues in organized baseball. Joe DiMaggio, Ted Williams, Lefty Gomez, the Waner brothers and Ernie Lombardi were among the future Hall of Famers who played in its cozy parks. Legendary minor leaguers such as Smead Jolley, Buzz Arlett, Lefty O'Doul and Frank Shellenback made their marks in the PCL. This reference work is a season-by-season guide to the glory days of the PCL. It includes a listing of starters and primary reserves for all teams from 1903 through 1957, as well as playoff results, managerial records, and statistical leaders for each season. Complete PCL records for over 500 of the circuit's most notable players are also provided.

Minor league baseball is the land of dreamers, where young men endure months on the road, long bus rides, bad food, and constant pressure while they hone their craft and reach for the next rung up the ladder. Like the players on the field, the men and women who work for the teams put in long hours for low pay to be part of the game they love. It doesn't take Lane Hamilton long to understand the appeal. When he's fired for sleeping through an important meeting at the bank where he works, Lane hooks on as an operations assistant with the Durham Bulls. Every day at historic Durham Athletic Park brings something new, and despite the grueling hours, Lane's too busy ducking jealous co-workers and amped-up relief pitchers to ever get bored. Set in the same beloved old stadium where Bull Durham was filmed, *The Greatest Show on Dirt* provides a look at baseball from a different angle. Players come and go, but there would be no games without a front office to sell the tickets, groom the field, and open the gates to let the fans in. A former Bulls employee who later spent six years covering the minor leagues for Baseball America, James Bailey has crafted a realistic, yet often hilarious, account of a young man's indoctrination into life in the bush leagues. Reviewers have lauded the colorful cast of characters, from foul-mouthed, 12-year-old groundskeeper Spanky Paul to subtle middle-aged cougar Faith Andrews, who's looking to peddle more than t-shirts out of the team's souvenir shop. Ben Steelman of the Wilmington (N.C.) *StarNews* says, "Lane's co-workers are colorful enough to make Damon Runyan's characters look like the cast of a Henry James novel." And Tom Hoffarth of the *Los Angeles Daily News* says, "[I]t's not just believable, but is easy to imagine as being the starting point for a movie script—even with Bull Durham already a classic. Bailey doesn't use baseball locker-talk for shock value, but keeps the reader moving at the right pace, fully locked and loaded, trying to figure out how this crumbling old minor-league park will somehow expose the secret to life for at least one person who feels disconnected, but is willing to listen to see if it's speaking his language."

Major League play has attracted the glitz and the glamour, but until the days of television most Americans came to know the national pastime through the Minor League teams. In this enjoyable history, evocative photos and a lively text trace the Minors from their origins to the revival they are enjoying today. Hundreds of photographs provide more than a century's worth of nostalgia. Ardent fans and casual readers alike will find the next to be an endless source of delightful facts and trivia: Former New York Governor Moro Cuomo once played for Pittsburgh's farm team in New Brunswick, Gerorgia; Liz Taylor was once a cheerleader for the Hollywood Stars; and the outfield in the Beckley, West Virginia, park ran right to the edge of a 400-foot cliff, discouraging even the most intrepid fielder from diving for a home-run fly! This is truly a one-of-a-kind history that will delight baseball fans, collectors and student of America alike.

The Crowley Millers were the talk of minor league baseball in the 1950s, with crowds totaling nearly 10 times Crowley's population and earning Crowley the nickname of "The Best Little Baseball Town in the World." *The Best Little Baseball Town in the World: The Crowley Millers and Minor League Baseball in the 1950s* tells the fun, quirky story of Crowley, Louisiana, in the fifties, a story that reads more like fiction than nonfiction. The Crowley Millers' biggest star was Conklyn Meriwether, a slugger who became infamous after he retired when he killed his in-laws with an axe. Their former manager turned out to be a con man, dying in jail while awaiting trial on embezzlement charges. The 1951 team was torn to pieces after their

young centerfielder was struck and killed by lightning during a game. But aside from the tragedy and turmoil, the Crowley Millers also played some great baseball and were the springboard to stardom for George Brunet and Dan Pfister, two Crowley pitchers who made it to the majors. Interviews with players from the team bring to light never-before-heard stories and inside perspectives on minor league baseball in the fifties, including insight into the social and racial climate of the era, and the inability of baseball in the fifties to help players deal with off-the-field problems. Written by respected minor-league baseball historian Gaylon H. White, *The Best Little Baseball Town in the World* is a fascinating tale for baseball fans and historians alike.

At one time, during the great migration of American to the West Coast, baseball in the old Pacific Coast League was seen as every bit as good as the brand of ball at the major league level. This was particularly true in the post-WWII era. For decades the PCL fed the majors with a steady stream of awesome talent -- great players like Ted Williams and Joe DiMaggio, now ensclosed in the Baseball Hall of Fame. For many years there was not a major league roster without at least three or four former PCL players. And the old PCL was nothing if not colorful and glamorous. Stadia, uniforms, promotional innovations -- you name it -- the PCL set the standard for all of baseball. Baseball fans of all ages will love all the historical pictures and be enthralled reading about the likes of the Hollywood Stars, Los Angeles Angels, San Diego Padres, Vancouver Mounties, San Francisco Seals, Oakland Oaks, Portland Beavers, Mission Reds Francsico) and Seattle Raniers. It was a league for the young at heart, for true baseball fans, for people who loved their booming towns. There has never been a minor league like it. Indeed, it was "The Grand Minor League".

The Call Up to the Majors Baseball America

A hilarious inside baseball account of year in the minor leagues Odd Man Out captures the gritty essence of our national pastime as it is played outside the spotlight. Matt McCarthy, a decent left-handed starting pitcher on one of the worst squads in Yale history, earned a ticket to spring training as the twenty-sixth-round draft pick of the 2002 Anaheim Angels. This is the hilarious inside story of his year with the Provo Angels, Anaheim's minor league affiliate in the heart of Mormon country, as McCarthy navigates the ups and downs of an antic, grueling season, filled with cross-country bus trips, bizarre rivalries, and wild locker-room hijinks.

The Heart of the Game James Bailey

A Class C minor league during a turbulent 15 years: its stirring history reveals what minor league baseball--indeed, all of baseball--was experiencing. Begun in the Depression, this league saw the coming of night baseball, World War II, the prosperous postwar era, pioneering racial integration, a deadly competition with television, and a final demise. And here are the stories of stars in the making: Bob Lemon, Tommy Lasorda, Al Rosen, Lew Burdette, Frank Malzone, Vic Raschi, Gus Triandos, and "Spec" Shea. Future MLB pennant-winning managers Eddie Sawyer and Mayo Smith. One-armed outfielder Pete Gray. Future congressman (and JFK roommate and pal) Torby MacDonald. Mass murderer Conklyn Meriweather. A ball park that miraculously rose from its own ashes. The tragic war death of prospect Billy Southworth Jr. Plus its unique parish priest league president. This book-through groundbreaking research and dozens of personal interviews--captures the essence of minor league ball in a bygone but beloved era.

The road to Major League baseball goes through the minor leagues. Every year there are over 5,500 players trying to work their way to the top of the tiered minor league system. Very few people know what life is really like for these aspiring players -- until now. This collection of stories from actual minor league players is a hilarious, heartbreaking and honest account of the struggle to make it to the big leagues. In this book, you will learn: * How it feels to be the first pick in the MLB draft ("everyone started screaming") and how it feels for a player to not hear his name called at all ("Three days came and went and I didn't get picked.") * Why some players don't sign a minor league contract ("It was an unbelievably tough decision.") * Who the players meet when they show up as a rookie on day one ("It's a very rude awakening.") * Where players go in the off season ("You can make some serious dough in the Dominican and Venezuelan leagues.") *What Spring Training is like for minor leaguers ("The difference between big league camp and minor league camp is night and day.") * Where players live and how they eat ("I became a pro at cooking in the 'kitchen bathroom' in the hotel.") * Which minor league ballpark promotions the players enjoy the most ("It's time for Cowboy Monkey Rodeo!") * What really happens during road trips ("It was straight out of a horror movie.") * Why crazy things happen on the field ("Our manager stormed out there and just started unloading on the umpire.") * What it's like to get promoted, demoted and traded ("It was the first time I actually cried when someone got moved or traded.") * How players get released and how they make the decision to retire ("I remember everything about that last game.") * What it's like when players get the ultimate call up to the Major Leagues ("It was still during the game and everyone was like, 'Dude, go call your parents or something.'")And so much

more! Kathy Diekroeger has watched her three sons play over 2,100 baseball games. She stopped counting when two of them made it to professional baseball. After hearing stories about minor league life for four years, she felt compelled to document and share those experiences with anyone who considers themselves a fan of baseball. This is her first book

The Bullpen Gospels: Triumph Books (IL)

During the Golden Age of baseball, as many as 59 minor leagues operated in a single season, and hundreds of G.I.s returning home from World War II competed in them for the big break that would land them one of only 400 spots on 16 teams in the majors. These were truly the days when athletes played purely for the love of the game, motivated by goals that seemed always just beyond their fingertips. Among the many men who endured shocking extremes in pursuit of that diamond-plate dream was first baseman Ed Mickelson. This book relates the entirety of his 11-year struggle against the odds of success. A talented athlete from his early youth, Mickelson followed the game he loved across continental America, winning some and losing some, but always persevering. While a recruit for Lynchburg in the Class B Piedmont League, Mickelson maintained a league-leading .393 batting average. When traded to the Southeastern League in Montgomery, Alabama, he scaled his previous statistic to achieve an average of .417. In his first major league start, an ailing Stan Musial provided the opportunity for Ed to get one of only two hits against Hall of Famer Warren Spahn. After batting .335 and driving in 139 runs at Shreveport, Louisiana, in the Texas League, Ed was honored to become first pick among 8500 players in the Minor League draft in 1954, making him a Portland Beaver in the Pacific Coast League. This book captures the fierceness of his struggle throughout his career before the man who drove in the last run of the St. Louis Browns would eventually hand over his bat and go home. Despite his impressive statistics—the second highest batting average in the Pacific Coast League and the best fielding percentage among first basemen—Mickelson traded in professional baseball for a career of high school counseling and coaching young athletes, some becoming professionals themselves. His story is told here for veterans, scholars and fans alike, revealing first-hand the both difficult and rewarding challenges of the big game.

Sport, including minor league baseball, is an object of public policy. Communities can exploit it to promote economic and social well-being, but not without risk. Drawing on case studies of fifteen locales including Fresno, Birmingham, Durham, Buffalo, Indianapolis, and Colorado Springs, Arthur Johnson systematically analyzes the political process by which communities decide to invest in stadiums for minor league baseball teams. He explores such factors as the presence or absence of a development strategy as a guide in decision making, and the value to a community of a minor league

team and its stadium. Johnson also describes the dynamics of minor league baseball franchise relocation, the importance of intergovernmental relations to stadium financing, and the organization and business of minor league baseball, including its formal relationship with major league baseball.

This impressive history of baseball in the smaller towns and cities of the U.S. is divided into three sections. The first covers the years from 1877 to 1920, when the modern game was evolving and the general outlines of major and minor leagues were taking shape; the second treats the period from 1920 to 1950, the golden age of the minors; the third is devoted to the expansion of the majors and the rise of television, both of which all but destroyed the minors, reducing the number of leagues from 59 to 21.

Chris Coste dreamed of playing major-league baseball from the age of seven. But after eleven grueling years in the minors, a spot on a major-league roster still seemed just out of his reach—until that fateful call came from the Philadelphia Phillies in May 2006. At age thirty-three (“going on eighty”), Coste was finally heading to the big time. The 33-Year-Old Rookie is a real-life Rocky, an unforgettable and inspirational story of one man’s unwavering pursuit of a lifelong goal. Beginning in a single-parent home in Fargo, North Dakota, and ending behind home plate on the flawless diamond of the Phillies’ Citizens Bank Park—where fans and teammates call him “Chris Clutch” because of his knack for getting timely hits—this intimate account of Coste’s baseball odyssey is a powerful story of determination, perseverance, and passion.
