Spy the Lie Scholastic Inc.

One wild night. That's all it was supposed to be. Then I find out Mr. Wild Night is my new coworker, and he has a dirty little secret of his own. Ethan Clarke is hiding something. Our night together was a mistake. I was lonely and drinking and Ethan happened to be sitting on the bar stool next to mine. I was in the mood for a bad decision. I didn't know I'd end up working with him. Didn't know he'd be in the center of the controversy I'm here to investigate. Didn't know he'd be so damn charming. Suddenly, bad decisions seem more attractive. Getting tangled up in Ethan's bedsheets is a lot more fun than finding out who the town arsonist happens to be... ..Until Ethan's past comes to light, and bad decisions taste a lot like betrayal.

The award-winning, bestselling French novel by Philippe Besson—"the French Brokeback Mountain" (Elle)—about an affair between two teenage boys in 1984 France, translated with subtle beauty and haunting lyricism by the iconic and internationally acclaimed actress/writer Molly Ringwald. We drive at high speed along back roads, through woods, vineyards, and oat fields. The bike smells like gasoline and makes a lot of noise, and sometimes I'm frightened when the wheels slip on the gravel on the dirt road, but the only thing that matters is that I'm holding on to him, that I'm holding on to him outside. Just outside a hotel in Bordeaux, Philippe chances upon a young man who bears a striking resemblance to his first love. What follows is a look back

at the relationship he's never forgotten, a hidden affair with a gorgeous boy named Thomas during their last year of high school. Without ever acknowledging they know each other in the halls, they steal time to meet in secret, carrying on a passionate, world-altering affair. Dazzlingly rendered in English by Ringwald in her first-ever translation, Besson's powerfully moving coming-of-age story captures the eroticism and tenderness of first love—and the heartbreaking passage of time.
