*The Sign of the Witch* Simon and Schuster

Merry meet! I'm Brittany Nightshade of the Atrum Angelus coven. I have spent many years traveling and learning about the Craft of Magick. One area of Magick that is typically shied away from by practitioners is Black Magick. The Rule of Three amongst other things such as the Wiccan Reed's validity have been debated for decades and it's considered taboo by the majority of the community. That being said it is still openly practiced and I myself find The Dark Arts to be a

magnificent way to reach your full potential. I've taken the section of my Book of Shadows pertaining to Black Magick, brushed it up a bit and added some spells from a few of my coven sisters in hopes to present them and make them as accessible as possible to anyone who wishes to walk The Left Hand Path. I've also included some basic information on Runes and a glossary for commonly used words related to Witchcraft towards the end of the book. I've tweaked these spells to fit my needs from time to time and you can do the same as the words aren't what give the spells power, your energy is what really matters, so feel free to do the same and change what you want to suit your own needs. Let the rituals be the vessel that carries your enemies to their demise.

Beyond the Taboos, the Power of Magick Awaits The rites and rituals of Witchcraft are life-changing experiences, but they are also steeped in mystery.

Transformative Witchcraft delves into some of the most persistent mysteries of the Craft and provides insightful guidance for raising and directing magickal energy in accordance with your desires. Jason Mankey distills his decades of experience as he shares practical wisdom for raising a cone of power and detailed insights into creating powerful rituals for dedications, initiations, and elevations. In his chapter

on drawing down the moon, he provides a vivid exploration of invocation and the subtle nuances in preparation and execution that can take the ritual to its most magisterial heights. This book also discusses one of the most mysterious of all the magickal rituals—the Great Rite. Whether you're interested in the Great Rite in token or in truth, there is much to be gleaned from the experiences related here on a topic that is frequently treated as taboo in much of the magickal literature. Direct experience with the divine and the potent energies of magick are defining experiences in a life of Witchcraft. Filled with compelling personal stories, a fascinating brief history of modern Wicca and Witchcraft, striking original rituals, and a wealth of tips and techniques, this book provides

It is a symbol alternately vilified, ridiculed and

idealised by differing sectors of society and is a powerful symbol in Western mythology. This book traces the evolution of the modern representations of Witchcraft and Paganism from the popular imaginings of witchcraft in 16th-century England to their contemporary manifestations amongst neo-Pagan and Wiccan religious movements in America, Australia and Great Britain today. Tracing how this symbol is continually constructed and reconstructed by the neo-Pagan movement is indicative of broader social, political and cultural issues arising out of the interaction of Romantic and Enlightenment epistemes in Western society. Central to this process is the locating of representations of witchcraft within the twin discourses of romanticism and enlightenment

modernity. Beginning with the aftermath of the English witch hunting craze of the 17th century, the book examines how the witch transformed from a symbol of ridicule during the enlightenment to an idealised symbol of romantic rebellion which led to its systemic adoption by romantic religious and political movements. Along the path it examines the development of the neo-Pagan movement from 19th-century Romantic pagan revivals, to Gardner's Wiccan movement, the sixties counter culture, the rise of eco-feminist neo-Paganism and the contemporary phenomena of "teen witches" and pop commercialization. This book is part of the Ritual Studies Monograph Series, edited by Pamela J. Stewart and Andrew Strathern, Department of Anthropology,

University of Pittsburgh. "Modern Paganism is still in the process of finding its history. Dr. Waldron brings to the quest a very wide knowledge of all aspects of the subject and a good grasp of cultural theory. He is fair to all the players in a notoriously complex and fractious field, and covers it deftly and evenly, deploying his learning and his intellectual models with a light but sure touch." -- Ronald Hutton, Professor of Historical Studies, Bristol University

"Waldron's identification and critique of the core aspects of the modern Witch's identity provide what should be seen as an invitation for practitioners to remove our rose-coloured glasses approach to our own history and instead to take on board the results of rigorous investigation. For the general public, by

whom Witches are so often misunderstood, an academic examination of the movement can only enhance the likelihood of tolerance and understanding that are the essence of religious pluralism." -- Caroline Tully, Witchcraft Magazine

"David Waldron has done the scholarly community, neo-Pagans, and anyone interested in the study of neo-Paganism and Witchcraft a great service with this volume. In addition to its historical, cultural, and social overview of the subject matter, it makes for an interesting study in the construction of identities and symbolism within witchcraft. I highly recommend this book." -- John W. Morehead, Senior Editor, Sacred Tribes Journal and Director, Western Institute for Intercultural Studies "[Waldron] does an

excellent job of summarizing the history of the English witch trials, their end, and the development and commercialization of the witchcraft and Pagan movements. The book will be useful for those who want to begin exploring that history as well as to scholars of ideas who want to consider and investigate his basic thesis of the relationship between the Romantic and the Enlightenment epistememes." -- Helen A. Berger, West Chester University, Journal for the Scientific Study of Religion

There are no short-cuts to becoming a Witch. Traditionally, students take a year and a day to prepare for their initiation

into the Craft. Based on this age-old custom, *Wicca: A Year and a Day* is a one-of-a-kind daily guide that introduces Witchcraft over a 366-day cycle. Ideal for solitary students, this intensive study course teaches the core content of Wiccan practice: the tides of time, the wonders of the seasons, the ways of herbs and magic, the mysticism of the Old Ones, and the inner disciplines of seers and sages. Daily lessons include exercises, Wiccan theology and lore, and discussions relating to circle work, magical correspondences, holidays, deities, tools, healing, and divination. *Modern Witchcraft with the Greek Gods* Llewellyn Worldwide Ltd

To arrive at some perspective on what the modern mythos called, variously, "Wicca", the "Old Religion", "Witchcraft"

and "Neopaganism" is, we must firstly make a firm distinction "witchcraft" in the popular informally defined sense may have little to do with the modern religion that goes by the same name. It has been argued by defenders of and formal apologists for modern Wicca that it is a direct lineal descendent of an ancient, indeed, prehistoric worldwide folk religion. Some proponents hedge their claims, calling Wicca a "revival" rather than a continuation of an ancient cult. Oddly enough, there may never have been any such cult!

### **The God of the Witches** Llewellyn Worldwide

This celebrated study of witchcraft in Europe traces the worship of the pre-Christian and prehistoric Horned God from paleolithic times to the medieval

period. Murray, the first to turn a scholarly eye on the mysteries of witchcraft, enables us to see its existence in the Middle Ages not as an isolated and terrifying phenomenon, but as the survival of a religion nearly as old as humankind itself, whose devotees held passionately to a view of life threatened by an alien creed. The findings she sets forth, once thought of as provocative and implausible, are now regarded as irrefutable by folklorists and scholars in related fields. Exploring the rites and ceremonies associated with witchcraft, Murray establishes the concept of the "dying god"--the priest-king who was ritually killed to ensure the country and its people a continuity of fertility and strength. In this light, she considers such figures as Thomas a

Becket, Joan of Arc, and Gilles de Rais as spiritual leaders whose deaths were ritually imposed. Truly a classic work of anthropology, and written in a clear, accessible style that anyone can enjoy, *The God of the Witches* forces us to reevaluate our thoughts about an ancient and vital religion.

The greatest Witches of folklore

practiced their craft by conjuring spirits and employing a familiar spirit. Now, centuries later, these arts—supposedly the domain of ceremonial magicians only—can be perfected by modern Witches. In this groundbreaking book, Witch and ritual magician Frater Barrabbas shares a system of Witchcraft-based magic developed for safely performing invocations and evocations, handling fallen spirits and Goetic demons, traveling in the spirit world, creating a spirit pact, and constructing your own rituals for spirit conjuring. To help you get to know the full breadth of the spirit world, *Spirit Conjuring for Witches* includes a unique list of spirits as well as techniques for working with sigils and recommendations for classical grimoires. Exploring history, folktales,

and personal experiences, this book shows how to magically develop relationships with spirits and ultimately master both the spirit and material worlds. Praise: "A clear and distinct body of tools and rituals for working with a broad range of spirits. If you are a witch looking for a more formal approach to this field, this may be the book for you."—Ivo Dominguez Jr., author of *Spirit Speaks* and *Practical Astrology for Witches and Pagans* "Frater Barrabbas has made a valuable contribution to the practice of modern witchcraft...This is a very thorough and carefully developed invitation to revive the practice of magical evocation that historically played so central a role in witchcraft and magic."—Jim Baker, author of *The Cunning Man's Handbook* "Frater

Barrabbas shows how modern Witches can also reclaim their ability to conjure spirits in the age-old tradition of evoking beings of the Otherworld to attain knowledge or obtain practical results in this world. With the current revival in the publication, study and use of the classical grimoires, witches who are drawn to the practice of the magickal evocation of spirits now have a detailed guide to the inner preparations and outer practices necessary to evoke spirits safely and correctly."—Jonathan Nightshade, Gardnerian HP, Traditional Crafter and Sorcerer "I wish that there had a book like Spirit Conjuring for Witches back when; it would have saved me any number of missteps along the way. With more than forty years of experience under his cincture, Frater

Barabbas speaks with a voice of wisdom, clarity and authority: truly one of the Thirteen Human Treasures of Paganistan."—Steven Posch, Traditional Witch and Host of Radio Paganistan "As Witches we all work with Deity and various spirits; but can you honestly say you communicate with them? This book is a valuable resource for every serious Witch's library. The author has outlined how to truly connect with that spirit realm, which allows us to build a relationship with those we work with."—Lady Adariana, Gardnerian HPS

Magus leaves circle by the doorway, goes to Postulant, and says, "Since there is no other brother here, I must be thy sponsor, as well as priest. I am about to give you a warning. If you are still of the same mind, answer it with these words: 'Perfect Love and Perfect Trust.'" Placing the point of the sword to the Postulant's breast, he says, "O thou who standeth on the threshold between the pleasant world of men and the domains of the Dread Lords of the Outer Spaces, hast thou the courage to make the Assay? For I tell thee verily, it were better to rush on my weapon and perish miserably than to make the attempt with fear in thy heart."

Postulant: "I have two Passwords: Perfect Love and Perfect Trust." Magus drops the sword point, saying, "All who approach with perfect love and perfect trust are doubly welcome." Going around behind her, he blindfolds her, then putting his left arm around her waist and his right arm around her neck, he pulls her head back, says, "I give you the 3rd password, a Kiss to pass through this dread Door," and pushes her forward with his body, through the doorway and into the circle. Once inside, he releases her saying, "This is the way all are first brought into the circle." Magus closes the doorway by drawing the point of the sword across it three times, joining all three circles, saying, "Agla, Azoth, Adonai," then drawing three pentacles to seal it. Magus guides Postulant to south

of altar, and whispers, "Now there is the Ordeal." Taking a short piece of cord from the altar, he ties it around her right ankle, saying, "Feet neither bound nor free." Taking a longer cord, he ties her hands together behind her back, then pulls them up, so that the arms form a triangle, and ties the cord around her neck, leaving the end dangling down in front as a Cable Tow. With the Cable Tow in his left hand and the sword in his right hand, the Magus leads her sunwise around the circle to the east, where he salutes with the sword and proclaims, "Take heed, O Lords of the Watchtowers of the East, (name), properly prepared, will be made a Priestess and a Witch." Magus leads her similarly to the south, west, and north, making the proclamation at each quarter. , clasping

Postulant around the waist with his left arm, and holding the sword erect in his right hand, he makes her circumambulate three times around the circle with a half-running, half-dancing step. He halts her at the south of the altar, and strikes eleven knells on the bell.
