<i>Apoderate De Tu Cuerpo 2015</i>	<i>2021-11-14</i>	this profound and stimulating work, Rudolf Steiner and Friedrich Benesch introduce the idea of "reverse ritual"--a way that each of us can raise our souls to the spiritual realm. In this process, the everyday world becomes a portal through which we can enter the dimension of the sacred. Here, each of us can be a "priest," and each of our actions can be a cosmic, ritual act. This stimulating collection of writings on spiritual communion of humanity includes two further lectures by Steiner that show how this process can engage our social lives. Also included are two additional essays as appendices: "Sacramental and Spiritual Communion" by Dietrich Asten and "Human Encounters and Karma" by Athys Floride. The introduction by Christopher Schaefer brings these ideas into focus for modern seekers. Contents: Part One: "The Spiritual Communion of Humanity" (5 lectures from GA 219) Part Two: "Preparing for the Sixth Epoch" Part Three: Commentaries by Friedrich Benesch Appendices: Selections from Dietrich Asten: "Spiritual and Sacramental Communion" & Athys Floride: "Human Encounters and Karma." <i>Christianity as Mystical Fact and the Mysteries of Antiquity</i> Cornell University Press		Culture-curious readers and life-long fans of comics are invited to read along as two of the medium's greatest contributors - legendary innovator and godfather of sequential art Will Eisner, and the modern master of cinematic comics storytelling, Frank Miller, discuss the ins-and-outs of this compelling and often controversial art form. Eisner/Miller is widely illustrated and features rare, behind-the-scenes photos of Eisner, Miller, and other notable creators.	Thomas, a blacksmith in the Norwegian mountain village of Bergland, has grown tired of simply going through the motions of day-to-day life. He can't shake the intrigue he feels about the picturesque mountain that stands at the edge of the village—normally considered a gigantic monument to the dangers and risks that lay outside what is known. Now Thomas is facing the biggest challenge of his life—confronted with the task of sacrificing everything he holds dear to try and save what he loves most. Courageously turning away from the fears that keep other villagers trapped in their routine, Thomas breaks tradition to discover what truths the mountain may hold for him. What he finds will cause him to question everything he has believed, and lead him to life-changing decisions that will affect every aspect of his life. The Messenger is an engaging allegory about awakening to hope and discovering a life full of glorious significance. Take the journey up the mountain and see what it holds for you.
"The human dimension in the novel revolves around the romantic entanglements of three youthful women whose different personalities reflect their regional provenance in a somewhat stereotypical manner: Aurora is a sweet blond woman from Spain's northern highlands, Rosario is a professional newspaper reporter from Madrid, and Casilda is a dark-haired and passionate Andalusian beauty."-BOOK JACKET.		<i>Brutal Reasoning</i> Siruela	<i>Talent is Never Enough Workbook</i> Bucknell University Press
<i>Your Purpose in Life</i> Wipf and Stock Publishers		Reading Abilio Estevez's <i>Thine Is the Kingdom</i> is a little like attending a cocktail party blindfolded: a million conversations are all happening at the same time and you have to work to figure out just who's talking. But this remarkable novel out of Cuba is worth the extra effort. Set in a run-down enclave of pre-Castro Havana known as the Island, the story follows the fortunes of its residents through a magical realist dreamscape of fantasy, history, life, death, love, and the weather. There is the crazy Barefoot Countess; the pastry vendor, Merengue; and the bookstore owner Rolo. There is Miss Berta who lives with her always sleeping 90-year-old mother, Dona Juana, and Irene who lives with her not-yet-out-of-the-closet gay son, Lucio. Professor Kingston, the Jamaican English teacher; Casta Diva, a would-be opera singer; Chavito, the carver of poor imitations of classical statues; Vido, the adolescent voyeur; Mercedes and her blind sister Marta who dreams of Florence--the cast is enormous and cacophonous. The book hopscoches among characters, tenses, first-, second-, and third-person narratives--often within the same paragraph--as Estevez plunges us headlong into the inner thoughts, dreams, and fears of his multitude of dramatis personae:On this page it is best to use the future tense, a generally inadvisable practice. It has already been written that Chacho had gotten back from Headquarters just past four in the afternoon, and that he was the first to notice the coming storm.... The following day, after the events that will soon be narrated had taken place, Chacho will begin to talk less, and less, and less, until he decides to take to bed.... And, as it is best not to abuse this generally inadvisable tense, it is just and proper that we leave Chacho to his silence until such a time as he should reappear, as God wills it, in this narration.In less accomplished hands this hodgepodge of voices, narrative threads, and personalities might have added up to literary bedlam. But there is method in Estevez's madness as the story gradually emerges; in the meantime the sheer force of his prose and sly commentary on his own inventions carry the reader through this brilliant debut by one of Cuba's best and brightest new voices. --Alix Wilber Skyhorse Publishing, as well as our Arcade, Yucca, and Good Books imprints, are proud to publish a broad range of books for readers interested in fiction—novels, novellas, political and medical thrillers, comedy, satire, historical fiction, romance, erotic and love stories, mystery, classic literature, folklore and mythology, literary classics including Shakespeare, Dumas, Wilde, Cather, and much more. Today's buyers are overloaded - overwhelmed by too much information and suffering from decision fatigue. Across industries, customers are delaying purchasing decisions or even choosing to stick with the status quo so they can avoid the dreaded “sales process.” In response, many sales professionals are overcompensating with behaviors that are either too accommodating or that create high pressure - and alienating potential buyers in the process. How can you reconcile your need to meet sales targets with the customer's desire for a heartfelt, authentic sales approach? Author Shari Levitin, creator of the Third-Level Selling system, offers a dynamic framework for effective selling in the Digital Age. Unlike other sales books that focus on abstract tips or techniques, Heart and Sell offers a science based real-world approach that will help you dramatically increase your sales—regardless of your level or industry. Discover the 7 Key Motivators that influence every decision your customer will make. Learn to align your sales process with how people buy—instead of fighting against it. Harness the power of the Linking Formula to create true urgency. Master the 10 Universal Truths so you can beat your sales quota without losing your soul. Understand the 6 Core Objections and how you can neutralize them. In a market where the right approach is key, Heart and Sell shows you how to blend the new science of selling with the heart of human connection to reach more prospects and consistently close more deals.

From photographer Santiago Melazzini, maker of popular flipbooks such as *Tango Dancer* and *I Love You*, comes a special four-in-one, full-color flipbook disguised as a stack of \$100 bills. Running a thumb over the edges of the “bills” in the stack, the viewer will observe four short, satirical films on the transience of wealth. A recurring cast of characters plays roles based on stereotypes from slapstick silent movies: the wealthy, arrogant high roller; the robber in his prison stripes and domino mask; and the opportunistic showgirl. In a time of financial uncertainty gripping the world, this playful and good-natured item is a reminder that fortunes can change in the blink of an eye, but a sense of humor is an asset that, once possessed, can never be taken away.

An eyewitness account of the world-changing uprising—from the author of *Memoirs of a Revolutionary*. “A truly remarkable individual . . . an heroic work” (Richard Allday of *Counterfire*). Brimming with the honesty and passionate conviction for which he has become famous, Victor Serge’s account of the first year of the Russian Revolution—through all of its achievements and

challenges—captures both the heroism of the mass upsurge that gave birth to Soviet democracy and the crippling circumstances that began to chip away at its historic gains. Year One of the Russian Revolution is Serge’s attempt to defend the early days of the revolution against those, like Stalin, who would claim its legacy as justification for the repression of dissent within Russia. Praise for Victor Serge “Serge is one of the most compelling of twentieth-century ethical and literary heroes.” —Susan Sontag, MacArthur Fellow and winner of the National Book Award “His political recollections are very important, because they reflect so well the mood of this lost generation . . . His articles and books speak for themselves, and we would be poorer without them.” —Partisan Review “I know of no other writer with whom Serge can be very usefully compared. The essence of the man and his books is to be found in his attitude to the truth.” —John Berger, Booker Prize-winning author “The novels, poems, memoirs and other writings of Victor Serge are among the finest works of literature inspired by the October Revolution that brought the working class to power in Russia in 1917.” —Scott McLemee, writer of the weekly “Intellectual Affairs” column for
