This book is for the fans of guitar amplifiers and the history that lies behind them. Starting with early amp models like the Gibson EH-150 that was first used with Gibson's EH-150 lap-steel guitar and later the Charlie Christian ES-150 guitar, it then delves into the development of Fender, Vox, and Orange amps, and goes right up to the modern boutique designers like Industrial, Dr. Z, Fargen and Fuchs. Also featured are such tube

amp classics as the Seymour Duncan Convertible head, ahead of its time in offering tube-switching before THD Amps existed. Other amp designers profiled include: •Carvin •Danelectro/Silvertone •Engel •Epiphone •Premier •Roland •Seymour Duncan •And many, many more! Emmy Award-winning guitarist, composer, and producer Brian Tarquin takes on the unique subject matter of the electric guitar's sidekick and partner-in-crime to create this informative and enthralling reference guide. Interviews with various amp makers as well as players, and a foreword by Michael Molenda (Guitar Player magazine), will all bring the reader closer

to those glowing tubes and tones. Guitar Amplifier Encyclopedia provides an expansive education on all the best amps' every nuance, and how they each changed the history of sound! From the foreword:

"One of the High Line's powers is its ability to evoke time, to remind us of the changes we've experienced during our own lives, to bring forth echoes of the past, and to make us guess what life might be like years from now. I love the photos on these pages, because they have that power, too." --Joshua David, Co-Founder of the Friends of the High Line. Ten Avenues Press, in association with Friends of the

High Line, announce the publication of High Line Nudes. In 2006, photographer Kevin McDermott took three of his friends up on the abandoned railroad tracks that would become New York City's High Line park to shoot a series of nudes. As McDermott states in his introduction, "at the time I took these photos, what I sought from its beauty was its sense of isolation, being alone, surrounded by nature in the middle of this metropolis." A decade later, this location is now one of the most visited tourist destinations in NYC and one of the largest real estate developments in the world. High Line Nudes captures a seemingly impossible, but

beautiful moment in the history of the West Side Rail Yards, Chelsea and an ever changing New York City. The cloth hardcover book is beautifully printed in color and rich black and white duotone images.

Wer Liebe Sät (Die Sullivans Aus New York 3)

L.J. Breedlove Billy Moon would have given his life for rock 'n' roll stardom, but the Devil doesn't come that cheap. The night Trevor Rail, a shadowy record producer with a flair for the dark and esoteric, agreed to make him a star. . . for

a price. Now Billy has come to Echo Lake Studios to create the record that will make him a legend. A dark masterpiece like only Trevor Rail can fashion. But the woods of Echo Lake have a dark past, a past that might explain the mysterious happenings in the haunted church that serves as Rail's main studio. As the pressure mounts on Billy to fulfill Rail's vision, it becomes clear that not everyone will survive the project. It's time the Devil of Echo Lake had his due, and someone will have to pay.
