"Superior to anything being written in the genre . . . Terry Brooks is one of a handful of fantasy writers whose work consistently meets the highest literary standards."—Rocky Mountain News Eight centuries ago the first Knight of the Word was commissioned to combat the demonic evil of the Void. Now that daunting legacy has passed to John Ross—along with powerful magic and the knowledge that his actions are all that stand between a living hell and humanity's future. Then, after decades of service to the Word, an unspeakable act of violence shatters John Ross's weary faith. Haunted by guilt, he turns his back on his dread gift, settling down to build a normal life, untroubled by demons and nightmares. But a fallen Knight makes a tempting prize for the Void, which could bend the Knight's magic to its own evil ends. And once the demons on Ross's trail track him to Seattle, neither he nor anyone close to him will be safe. His only hope is Nest Freemark, a college student who wields an extraordinary magic all her own. Five years earlier, Ross had aided Nest when the future of humanity rested upon her choice between Word and Void. Now Nest must return the favor. She must restore Ross's faith, or his life—and hers—will be forfeit . . . "[An] urban dark fantasy . . . Sharp and satisfying."—Publishers Weekly (starred review)

On the great influence of a valiant lord: "The companions, who see that good warriors are honored by the great lords for their prowess, become more determined to attain this level of prowess." On the lady who sees her knight honored: "All of this makes the noble lady rejoice greatly within herself at the fact that she has set her mind and heart on loving and helping to make such a good knight or good man-at-arms." On the worthiest amusements: "The best pastime of all is to be often in good company, far from unworthy men and from unworthy activities from which no good can come." Enter the real world of knights and their code of ethics and behavior. Read how an aspiring knight of the fourteenth century would conduct himself and learn what he would have needed to know when traveling, fighting, appearing in court, and engaging fellow knights. Composed at the height of the Hundred Years War by Geoffroi de Charny, one of the most respected knights of his age, *A Knight's Own Book of Chivalry* was designed as a guide for members of the Company of the Star, an order created by Jean II of France in 1352 to rival the English Order of the Garter. This is the most authentic and complete manual on the day-to-day life of the knight that has survived the centuries, and this edition contains a specially commissioned introduction from historian Richard W. Kaeuper that gives the history of both the book and its author, who, among his other achievements, was the original owner of the Shroud of Turin.

When Morgan McRobbie rescues a damsel-in-distress from a dragon, he expects she'll swoon, murmuring "My hero!" Instead, Marissa has only loathing for the man everyone believes will betray Kilbourne. That's fine with Morgan. A woman in his life would just complicate things. A high-level informer threatens the kingdom's security, and Morgan is out to stop him. Posing as a turncoat himself, he's walking a fine line between honor and betrayal. A single misstep could result in disaster, and his mission is fraught with distractions: the pesky dragon, a pair of conniving courtiers, and the disillusioned damsel who's certain Morgan can't be trusted. If Morgan's going to save the kingdom, win the girl, and manage to stay alive, he'll need to step up his game. Because the traitor is lurking in the shadows, and his scheme calls not just for the betrayal of Kilbourne, but also the destruction of Morgan McRobbie.

*Sir Gawain and the Green Knight* HarperCollins

In the beginning, Steven Stanford had started off like any other normal kid, the desire to have a place he could call his own. In his back yard had grown a massive cottonwood tree, larger than any other tree in the neighborhood. There had been the initial complaints that allowing him to build a tree house would not only be an eyesore, but would also lower property values. After all, kids would use anything for building materials. Steven was not the average twelve-year-old. His father, Michael Stanford, was the foreman for Diamond Estate Homes. At age seven, during the summer vacations, Steven was more interested in spending his days with his father and the workers than playing ball with his friends. He had been fascinated to see bare ground transformed into a beautiful house. The love for the craft could be seen now as he and three friends painstakingly coated every finished piece of lumber with a durable water sealer over stained finish. The work completed was nearly all conception of the idea; Steven had shoveled snow and mowed lawns throughout the neighborhood so that he could purchase the materials on his own, from his father and the men on the construction sites. He learned the finer points of framing, fishing, and furnishing it, without the technical details, the multiple levels and handmade arched windows would not have been possible. As the boys stepped back to admire the final result, Steven took notice of the crowd gathering for the last hour on the street just to the side of his yard. There were parents with kids and cameras. A man and woman from a news van, and Vanessa, the most beautiful girl in his homeroom class this year. Steven couldn't believe she was actually looking at him! Summoning his courage, he raised his hand and smiled. Expecting her to ignore him as she had done all through school, but instead, she smiled and waved back. Unbelievably, he quickly glanced over his shoulder at his buddies. They were still admiring the tree house and its decks. It had really been him she had waved to! Guys! Check it out! Its Vanessa! Steven said, trying not to sound too excited. Embarrassing him, they ran to the railing and pointed right at her. Holy shit! Brian said, Her boobs are even bigger! Like youd know what to do with them! Carl said, giving Brian a shove. More than you! At least Ive seen boobs, real boobs! Forcing himself to look away, Steven looked annoyingly at Brian. Your sisters dont count. Bite me,

dill weed! Boobs are boobs. Steven dismissed his claim with a wave of his hand as he turned toward the lowered gangway stairs. It wasn't worth fighting over. Besides, Loris boobs were nothing new, but Steven would never admit to having taken her for a ride in his goat cart for the chance to feel them. On the ground, he lost his sight of Vanessa and feared she'd be gone by the time he opened the gate through the tall picket fence, but immediately spotted her again just as the reporter and her cameraman intercepted on the sidewalk. When he tried to skirt them. The woman blocked his path. Hi! Im Linda Gray from channel four news. Is that your tree house? Yeah, he answered, relieved at seeing Vanessa walking toward him. Its very impressive. Did you build it all by yourself, or did your dad help you? My dad helped me with the electricity. Its the law. And y my friends helped too. Your parents must be very proud. If its all right with your folks, wed like to do a story on it. Would mind giving us a tour? Filing his thought was the question why Jessica stood smiling broadly just a foot away from him. She was so close that he could smell an intoxicating fragrance coming from her hair. Could a girl smell any better than she did right now? A hand in the middle of his back sent him stumbling forward causing him to bump into Vanessa. Geez, are you going to kiss her or stand here all day? Brian asked. The realization that the chest had pressed together

*The Modern Day Knight Ace*

An unforgettable fable about a father's journey and a timeless guide to life's many questions—from Ethan Hawke, four-time Academy Award nominee, twice for writing and twice for acting. A knight, fearing he may not return from battle, writes a letter to his children in an attempt to leave a record of all he knows. In a series of ruminations on solitude, humility, forgiveness, honesty, courage, grace, pride, and patience, he draws on the ancient teachings of Eastern and Western philosophy, and on the great spiritual and political writings of our time. His intent: to give his children a compass for a journey they will have to make alone, a short guide to what gives life meaning and beauty.

*Raising a Young Modern-Day Princess* Charlesbridge Publishing

Emulating the format of *Raising a Modern-Day Princess*, authors Doreen Hanna and Karen Whiting seek to help parents and grandparents cultivate strong relationships and encourage the spiritual formation in their daughters using examples, Bible teaching on the fruit of the Spirit, and a variety of creative activities that are based on Galatians 5:22-23, the fruit of the Spirit (love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, and self-control). By implementing the ideas in this book, mothers (as well as fathers) will be equipped to understand and guide their daughters through each step of becoming His "princess." This will include perceiving a daughter's unique personality and gifts, refining her character through training and discipline, and modeling the attributes of a daughter of the King. This book is a follow-up to both *Raising a Modern-Day Knight* (by Robert Lewis) and *Raising a Modern-Day Princess* by Pam Farrel and Doreen Hanna. While the latter book is aimed at parents of girls ages 12 and up, this book focuses on building the Christian character of younger girls.

*Parenting Your Out-of-Control Teenager* Order of the Dragon Knights Book 1

There may not be a more fascinating historical period than the late fourteenth century in Europe. The Hundred Years' War ravaged the continent, yet gallantry, chivalry, and literary brilliance flourished in the courts of England and elsewhere. It was a world in transition, soon to be replaced by the Renaissance and the Age of Exploration -- and John of Gaunt was its central figure. In today's terms, John of Gaunt was a multimillionaire with a brand name equal to Rockefeller. He fought in the Hundred Years' War, sponsored Chaucer and proto-Protestant religious thinkers, and survived the

dramatic Peasants' Revolt, during which his sumptuous London residence was burned to the ground. As head of the Lancastrian branch of the Plantagenet family, Gaunt was the unknowing father of the War of the Roses; after his death, his son usurped the crown from his nephew, Richard II. Gaunt's adventures represent the culture and mores of the Middle Ages as those of few others do, and his death is portrayed in *The Last Knight* as the end of that enthralling period.

*The Ill-Made Knight* Katharine Gilliam Regnery

According to legend, King Arthur is supposed to return when Britain needs him most. So why does a man claiming to be the once and future king suddenly appear in Los Angeles? This charismatic young Arthur creates a new Camelot within the City of Angels to lead a crusade of unwanted kids against an adult society that discards and ignores them. Under his banner of equality, every needy child is welcome, regardless of race, creed, sexual orientation, or gang affiliation. With the help of his amazing First Knight, homeless fourteen-year-old Lance, Arthur transforms this ragtag band of rejected children and teens into a well-trained army—the Children of the Knight. Through his intervention, they win the hearts and minds of the populace at large, and gain a truer understanding of themselves and their worth to society. But seeking more rights for kids pits Arthur and the children squarely against the rich, the influential, and the self-satisfied politicians who want nothing more than to maintain the status quo. Can right truly overcome might? Arthur's hopeful young knights are about to find out, and the City of Angels will never be the same.
