Merry Christmas Createspace Independent Publishing Platform
It was the busiest time of the year and I was hired on to help out during the holidays. It all started out so innocent, little trysts here and there after hours. I knew he was the office bad boy who had a very flirtatious reputation, it was no secret. I vowed I would not become one of his latest conquests. But sometimes one cannot control what happens, sometimes you have to leave it in the hands of fate and enjoy the ride while you can.

Mr Men A Jolly Christmas Party Atheneum

2m, 1f (w/doubling) or 10m, 2f (w/o doubling) Based on a story by Booth Tarkington. A journalist new to a Midwestern state capitol circa 1900 notices there is something funny going on at the

charming house next door. Turns out gubernatorial candidate David Beasley lives there with his young ward, an orphan who has a menagerie of imaginary friends. Beasley's nemesis Simeon Peck plans to ruin Beasley's chances at the statehouse, but everyone learns something at Beasley's Christmas Party -- including the pretty Miss Applethwaite, who Mr. Beasley spurned years before. Conceived for three actors to play multiple roles (but playable in many configurations), this 75-minute holiday play is a heartwarming fable of imagination and celebration. "There's a goodhearted intelligence [to these characters]...with utter devotion to craftsmanship, they're distracting us from the play's age until we, without realizing, have been enchanted by it...Impressive as any number of rabbit-filled top hats...Enchanting." - Variety "In the holiday chests of many households, nestled in jumbles of ornaments and lights, there is one special heirloom, to be given pride of place on the Christmas tree: an old painted angel, perhaps, with history in its chipped wooden wings, or a faded star that outshines any flashy electric bulb. Beasley's Christmas Party is a bit like such small treasures." - Time Out New York

Merry Christmas: Guest Book for Christmas Party, Sign-In Guest Book in Christmas Theme

A melodramatic folksy Christmas story, a little like Dickens - with a Tiny Tim, but also with some romance. Tarkington's writings are very much set in his early 1900s American culture. We are meant to sympathize with the crippled child but not even notice the slights to the black servants. Still, Tarkington promotes kindness and uses a milder style of humor than many authors of his day.
