DESIREE PATEL

Planet Earth--2000 A.D. InterVarsity Press

Here is the bestselling author of The Late Great Planet Earth's most shocking revelation ever: the disquieting facts about a new spiritual movement that would take over our churches and government and lead us to disaster. Just as current events are converging into the precise pattern the biblical prophets predicted would herald the return of Jesus Christ, a new movement has arisen within the Evangelical Church that denies it all, allegorizing away the clear meaning of prophecy. This movement, commonly known as Dominion Theology, reintroduces an old error that brought catastrophe to the Church and the Dark Ages to the world—the same error that founded a legacy of contempt for the Jews and ultimately led to the Holocaust in Nazi Germany. In clear, compelling language, Hal Lindsey sounds a vital warning about Dominion Theology—and explains why he believes it poses such a great danger not only to Israel but to every Christian as well.

For Christians and non-Christians of the 1970s, Hal Lindsey's blockbuster served as a wake-up call on events soon to come and events already unfolding -- all leading up to the greatest event of all: the return of Jesus Christ. The years since have confirmed Lindsey's insights into what biblical prophecy says about the times we live in. Whether you're a church-going believer or someone who wouldn't darken the door of a Christian institution, the Bible has much to tell you about the imminent future of this planet. In the midst of an out-of-control generation, it reveals a grand design that's unfolding exactly according to plan. The rebirth of Israel. The threat of war in the Middle East. An increase in natural catastrophes. The revival of Satanism and witchcraft. These and other signs, foreseen by prophets from Moses to Jesus, portend the coming of an antichrist . . . of a war which will bring humanity to the brink of destruction . . . and of incredible deliverance for a desperate, dying planet.
