When Benjamin Franklin decides to quit, it's up to the Blast to the Past friends to find him and get history back on track in this sixth book in the Blast to the Past series. Abigail and her friends can't believe it—Babs Magee has finally convinced someone to quit, and that someone is Benjamin Franklin! Not only is he an important Founding Father, he invented the lightning rod, bifocals, and more. Babs is making a terrible mess of history, and it's up to the third-grade time travelers to put things right. But no matter how far back the kids go, Babs is always one step ahead of them. Will they be able to find Ben and stop Babs in time to save history?

From comedian Quinta Brunson comes a deeply personal and funny collection of essays featuring anecdotes about trying to make it when you're broke, overcoming self-doubt and depression, and how she's used humor to navigate her career in unusual directions. Quinta Brunson is a master of viral Internet content: without any traditional background in media, her humorous videos were the first to break through on Instagram's platform, receiving millions of views. From there, Brunson's wryly observant POV attracted the attention of BuzzFeed's motion picture development department, leading her to produce viral

videos there about topics like interracial dating, millennial malaise, and seeing your ex in public. Now, Brunson is bringing her comedic chops to the page in *She Memes Well*, an earnest, laugh-out-loud collection about her weird road to Internet notoriety. In her debut essay collection, Quinta applies her trademark humor and heart to discuss what it was like to go from student loan debt-broke to "halfway recognizable--'don't I know you somewhere?'" level-of-fame. With anecdotes that range from the funny and zany--like her experience trying to find her signature hairstyle--to more grounded material about living with depression, Brunson's voice is entirely authentic and eminently readable. Perfect for fans of Phoebe Robinson's *You Can't Touch My Hair*, Samantha Irby's *We Are Never Meeting in Real Life*, and Issa Rae's *The Misadventures of Awkward Black Girl*, *She Memes Well* will charm and entertain a growing, engaged audience.

**The Price of Fame** Hassell Street Press

A debut collection of hilarious essays and endearing missteps on the road to becoming fame-ish—now in paperback! It's not easy being kind of famous. Fortune. Younger men. Exclusive invites. Being mistaken for different actresses who are slightly prettier and more famous than you. It's all part of the gig, and Mary Lynn Rajskub is a pro. Hilarious and self-deprecating, *FAME-ISH* is Mary Lynn Rajskub's debut collection of riotously funny essays. Smart, satirical, and relatable, this book gives new meaning to the word icon as Mary Lynn navigates the entertainment world against the backdrop of her own quirky idiosyncrasies. She describes what it's like to make out with Tom Cruise, be a waitress at Denny's, and find your life's purpose in 300 indecipherable, not-easy-steps—all in a day's work. Mary Lynn is honest about her experiences with bisexuality, her college years as a slug, and the bright lights of stardom, ultimately giving the people what they want: an

endearing, hilarious look at what it's like to almost make a name for yourself in Hollywood.

Named a Best Book of the Year by The Washington Post, NPR, Vanity Fair, LA Times, San Francisco Chronicle, Huffington Post, The Atlantic, Refinery 29, Men's Journal, Ploughshares, Lit Hub, Book Riot, Los Angeles Magazine, Powells, BookPage and Kirkus Reviews The much-anticipated first novel from a Story Prize-winning "5 Under 35" fiction writer. In 2012, Claire Vaye Watkins's story collection, *Battleborn*, swept nearly every award for short fiction. Now this young writer, widely heralded as a once-in-a-generation talent, returns with a first novel that harnesses the sweeping vision and deep heart that made her debut so arresting to a love story set in a devastatingly imagined near future: Unrelenting drought has transfigured Southern California into a surreal, phantasmagoric landscape. With the Central Valley barren, underground aquifer drained, and Sierra snowpack entirely depleted, most "Mojavs," prevented by both armed vigilantes and an indifferent bureaucracy from freely crossing borders to lush regions, have allowed themselves to be evacuated to internment camps. In Los Angeles' Laurel Canyon, two young Mojavs—Luz, once a poster child for the Bureau of Conservation and its enemies, and Ray, a veteran of the "forever war" turned surfer—squat in a starlet's abandoned mansion. Holdouts, they subsist on rationed cola and whatever they can loot, scavenge, and improvise. The couple's fragile love somehow blooms in this arid place, and for the moment, it seems enough. But when they cross paths with a mysterious child, the thirst for a better future begins. They head east, a route strewn with danger: sinkholes and patrolling authorities, bandits and the brutal, omnipresent sun. Ghosting after them are rumors of a visionary

dowser—a diviner for water—and his followers, who whispers say have formed a colony at the edge of a mysterious sea of dunes. Immensely moving, profoundly disquieting, and mind-blowingly original, Watkins's novel explores the myths we believe about others and tell about ourselves, the double-edged power of our most cherished relationships, and the shape of hope in a precarious future that may be our own.

Will a spelling bee be the answer to all of Bird's problems? All her life, all Bird has ever wanted is to be noticed in her small town and to get to Disney World. As it turns out, Bird just might have a chance to realize at least one of her goals because of a state spelling bee, and she might get to make a friend along the way – a boy named Harlem Tate who has just moved to Freedom. Harlem seems like a kindred spirit – someone like Bird, whom people don't usually take the time to find the good in. (Unless it's someone like Miss Delphine, who always makes Bird feel special.) But as much as Bird tries to get his attention, Harlem is not easily won over. Then Harlem agrees to be her partner in the spelling bee, and if they study hard enough, the two might just win everything Bird's always wanted. In Barbara O'Connor's funny new novel, a spunky young girl discovers that sometimes all it takes to feel famous is a little recognition from true friends. *Fame and Glory in Freedom, Georgia* is a 2004 Bank Street - Best Children's Book of the Year. This title has Common Core connections.

“Remarkably ambitious . . . an impressive tour de force.”  
—Washington Post Book World  
For Alexander the Great, fame meant accomplishing what no mortal had ever accomplished before. For Julius Caesar, personal glory was indistinguishable from that of Rome. The early Christians devalued public recognition, believing that the only true audience was God. And Marilyn Monroe owed much of her fame to the fragility that led to self-destruction. These are only some of the dozens of figures that populate Leo Braudy's panoramic history of fame, a book that tells us as much about vast cultural changes as it does about the men and women who at different times captured their societies' regard. Spanning thousands of years and fields ranging from politics to literature and mass media, *The Frenzy of Renown*

explores the unfolding relationship between the famous and their audiences, between fame and the representations that make it possible. Hailed as a landmark at its original publication and now reissued with a new Afterword covering the last tumultuous decade, here is a major work that provides our celebrity-obsessed, post-historical society with a usable past. “Expansive . . . Braudy excels at rocketing a general point into the air with the fuel of drama.” —Harper's

Samuel Beckett's long-standing friend, James Knowlson, recreates Beckett's youth in Ireland, his studies at Trinity College, Dublin in the early 1920s and from there to the Continent, where he plunged into the multicultural literary society of late-1920s Paris. The biography throws new light on Beckett's stormy relationship with his mother, the psychotherapy he received after the death of his father and his crucial relationship with James Joyce. There is also material on Beckett's six-month visit to Germany as the Nazi's tightened their grip.;The book includes unpublished material on Beckett's personal life after he chose to live in France, including his own account of his work for a Resistance cell during the war, his escape from the Gestapo and his retreat into hiding.;Obsessively private, Beckett was wholly committed to the work which eventually brought his public fame, beginning with the controversial success of "Waiting for Godot" in 1953, and culminating in the award of the Nobel Prize for Literature in 1969.;James Knowlson is the general editor of "The Theatrical Notebooks of Samuel Beckett".

Where Am I Now? Abrams

Winner of the National Book Award, the long-awaited novel from the author of the acclaimed collection, *Jenny and the Jaws of Life*, is an unusual and wonderful novel that is somehow able to be at once bleak and hilarious, light-hearted and profound. It's the story of two sisters. Abigail Mather is a woman of enormous appetites,

sexual and otherwise. Her fraternal twin Dorcas couldn't be more different: she gave up on sex without once trying it, and she lives a controlled, dignified life of the mind. Though Abigail exasperates Dorcas, the two love each other; in fact, they complete each other. They are an odd pair, set down in an odd Rhode Island town, where everyone has a story to tell, and writers, both published and unpublished, carom off each other like billiard balls. What is it that makes the two women targets for the new man in town, the charming schlockmeister Conrad Lowe, tall, whippet-thin and predatory? In Abigail and Dorcas he sees a new and tantalizing challenge. Not the mere conquest of Abigail, with her easy reputation, but a longer and more sinister game. A game that will lead to betrayal, shame and, ultimately, murder. In her darkly comic and unsettling first novel, *Jincy Willett* proves that she is a true find: that rare writer who can explore the shadowy side of human nature with the lightest of touches.

**Fame Shark** MIT Press

A glorious novel from the award-winning author of *Mister Pip*, now available as a trade paperback original from Vintage Canada. The *Book of Fame* is a lyrical semi-fictional account of the 1905 All Black rugby tour of Europe - a tour that shaped New Zealand's identity, from which the players returned to find themselves accorded almost god-like status. This remarkable, award-winning novel is both a tribute to some of the world's first sporting celebrities and an investigation into the curious workings of fame. Not just a book for lovers of sport, *The Book of Fame* is essentially a story about friendship and loyalty, and about a group of astonishing young men at the peak of their abilities.

In Hollywood, fame can be found on every corner and behind any door. You just have to know where to look for it. Nineteen-year-old Madison Parker made a name for herself as best frenemy of nice-girl-next-door Jane Roberts on the hot reality show *L.A. Candy*. Now Madison's ready for her turn in the spotlight and she'll stop at nothing to get it. Sure, she's the star of a new show, but with backstabbing friends and suspicious family members trying to bring her down, Madison has her work cut out for her. Plus, there's a new nice girl in "reality" town—aspiring actress Carmen Price, the daughter of Hollywood royalty—and she's a lot more experienced at playing the fame game... When the camera's start rolling, whose star will shine brighter? Filled with characters both

familiar and new, Lauren Conrad's series about the highs and lows of being famous delivers Hollywood gossip and drama at every turn.

Driven by an entrepreneurial spirit, he unleashed his passion, ultimately building a successful airline, Atlas Air Cargo.

**Fame: Ain't it a Bitch** Bloomsbury Publishing USA

An unfiltered, unapologetic, hilarious, and sometimes obscene assemblage of tales from the down-and-dirty traveling comedy

circuit Doug Stanhope has been drunkenly stumbling down the back roads and dark alleys of stand-up comedy for over a quarter of a century, roads laden with dank bars, prostitutes, cheap drugs, farm animals, evil dwarfs, public nudity, menacing third-world police, psychotic breaks, sex offenders, and some understandable suicides. You know, just for levity. While other comedians were seeking fame, Stanhope was seeking immediate gratification, dark spectacle, or sometimes just his pants. Not to say he hasn't rubbed elbows with fame. He's crashed its party, snorted its coke, and jumped into its pool naked, literally and often repeatedly -- all while artfully dodging fame himself. Doug spares no legally permissible detail, and his stories couldn't be told any other way. They're weird, uncomfortable, gross, disturbing, and fucking funny. This Is Not Fame is by no means a story of overcoming a life of excess, immorality, and reckless buffoonery. It's an outright celebration of it. For Stanhope, the party goes on.

*Fame, Glory, and Other Things on My To Do List* Houghton Mifflin Harcourt

"Thoughtfully traces [Mara Wilson's] journey from child actress to Hollywood dropout...Who is she now? She's a writer." —NPR's "Guide To 2016's Great Reads" "Growing up, I wanted to be Mara Wilson. *Where Am I Now?* is a delight." —Ilana Glazer, cocreator and star of *Broad City* Named a best book of the month by GoodReads and Entertainment Weekly A former child actor best known for her starring roles in *Matilda* and *Mrs. Doubtfire*, Mara Wilson has always felt a little young and out of place: as the only kid on a film set full of adults, the first daughter in a house full of boys, a Valley girl in New York and a neurotic in California, and a grown-up the world still remembers as a little girl. Tackling everything from what she learned about sex on the set of *Melrose Place*, to discovering in adolescence that she was no longer "cute" enough for Hollywood, these essays chart her journey from accidental fame to relative (but happy) obscurity. They also

illuminate universal struggles, like navigating love and loss, and figuring out who you are and where you belong. Candid, insightful, moving, and hilarious, *Where Am I Now?* introduces Mara Wilson as a brilliant new chronicler of the experience that is growing up female.

*Fame* Frank Shapiro

*Jane's Fame* tells the fascinating story of Jane Austen's renown, from the years of rejection the author faced during her lifetime to the global recognition and adoration she now enjoys. Almost two hundred years after her death, Austen remains a hot topic, constantly open to revival and reinterpretation and known to millions of people through film and television adaptations as much as through her books. In *Jane's Fame*, Claire Harman gives us the complete biography—of both the author and her lasting cultural influence—making this essential reading for anyone interested in Austen's life, works, and remarkably potent fame. *No Man's Son: A Flight from Obscurity to Fame* Da Capo Press In this stunning book, photographer Brian Howell takes us into the world of celebrity impersonators--the faux famous people who make a living at pretending to be someone else. Taken at various impersonator conventions and stage shows throughout North America, the photographs are both startling and poignant--for all of the frivolity and double takes ("Isn't that Paris Hilton?") there is also a sense of the real person beneath the makeup and the artifice. Accompanying the portraits are first-person narratives by many of the subjects, many of whom feel personally close to those they are impersonating, even if they have never met them. In addition, in two essays, cultural critic Norbert Ruebsaat looks at the history of celebrity culture, and *Geist* magazine editor Stephen Osborne delves into the nature of photographing impersonators. As such, the book investigates the nature of fame in this era of celebrity blogs, stalkerazzi, and reality television-and how our obsession with famous people says as much about us as it does about them.
