Traps

Psychology
Press
One of
Europe's

greatest playwrights, Caryl Churchill has been internationally celebrated for four decades. She has exploded the narrow definitions of political theatre to write consistently hard-edged and innovative work. Always unpredictable in her stage experiments, her plays have stretched the relationships between form and content, actor and spectator to their limits. This new critical introduction to

Churchill examines her political agendas, her collaborations with other practitioners, and looks at specific production histories of her plays. Churchill's work continues to have profound resonances with her audiences and this book explores her preoccupation with representing such phenomena as capitalism, genocide, environmental issues, identity, psychiatry and

mental illness, parenting, violence and terrorism. It includes new interviews with actors and directors of her work, and gathers together source material from her wide-ranging career.

Churchill

Plays: 1 A&C Black
A play taking place in London during 1979 and in Victorian Africa explores the effects of sexual repression and stereotypes on people's

identities
Civilization
A&C Black
In a work of
extraordinary
narrative
power, filled
with brilliant
personalities
and vivid
scenes of
dramatic
action, Robert
K. Massie, the
Pulitzer
Prize-winning
author of
Peter the
Great,
Nicholas and
Alexandra,
and
Dreadnought,
elevates to its
proper
historical
importance
the role of sea
power in the
winning of the
Great War.
The

predominant
image of this
first world war
is of mud and
trenches,
barbed wire,
machine guns,
poison gas,
and slaughter.
A generation
of European
manhood was
massacred,
and a wound
was inflicted
on European
civilization
that required
the remainder
of the
twentieth
century to
heal. But with
all its
sacrifice,
trench warfare
did not win
the war for
one side or
lose it for the
other. Over
the course of

four years, the
lines on the
Western Front
moved
scarcely at all;
attempts to
break through
led only to the
lengthening of
the already
unbearably
long casualty
lists. For the
true story of
military
upheaval, we
must look to
the sea. On
the eve of the
war in August
1914, Great
Britain and
Germany
possessed the
two greatest
navies the
world had
ever seen.
When war
came, these
two fleets of
dreadnoughts

—gigantic floating castles of steel able to hurl massive shells at an enemy miles away—were ready to test their terrible power against each other. Their struggles took place in the North Sea and the Pacific, at the Falkland Islands and the Dardanelles. They reached their climax when Germany, suffocated by an implacable naval blockade, decided to strike against the British ring

of steel. The result was Jutland, a titanic clash of fifty-eight dreadnoughts, each the home of a thousand men. When the German High Seas Fleet retreated, the kaiser unleashed unrestricted U-boat warfare, which, in its indiscriminate violence, brought a reluctant America into the war. In this way, the German effort to “seize the trident” by defeating the British navy

led to the fall of the German empire. Ultimately, the distinguishing feature of Castles of Steel is the author himself. The knowledge, understanding, and literary power Massie brings to this story are unparalleled. His portrayals of Winston Churchill, the British admirals Fisher, Jellicoe, and Beatty, and the Germans Scheer, Hipper, and Tirpitz are stunning in their veracity and artistry.

Castles of
Steel is about
war at sea,
leadership and
command,
courage,
genius, and
folly. All these
elements are
given
magnificent
scope by
Robert K.
Massie' s
special and
widely hailed
literary
mastery.
BONUS: This
edition
contains an

moguls and

boggarts. 'Fen' has been created through the Joint Stock method, with the writer working closely with the director and actors over a long period of workshops and rehearsals. Owners. Traps. Vinegar Tom. Light shining in Buckinghamsh ire. Cloud nine University of Michigan Press My passion is embodied learning. Through twenty-five years of teaching, I've

learned that students engage with material best when their bodies are active participants in the learning process. I have found this to be particularly true in teaching religious studies and theology. -- from the Introduction People are torn by conflict, fractured by cultural, religious, racial, and economic divides. Religion has often been a prime

motivator for this violence. Classrooms must be places in which we learn to hold differences and commonalities . Classrooms are opportunities to rehearse, to practice, how we want to live with one another. Religions, says Rue, are more than ideas: they are lived, enacted by human beings in particular ways. And courses in religion need more than a cognitive understanding of central

concepts. Rue asserts that students need to viscerally encounter belief, religious practice, religious imagination, and religious experience. Acting Religious, a practical handbook, maps a new approach that uses theatre to teach religion. For many years, Rue has used theatre techniques and plays to introduce students to what she calls the experience of religion,

showing how theatre makes theological ideas palatable, visceral, and available. Acting Religious is at once a call to experience meaning and a theatre method to embody it. Experienced and beginning teachers at both college and high school levels, as well as religious educators, will learn how to use the following techniques in the religion or theology classroom: improvisation,

characterization, memorization, script writing, performance. From these methods, students will be able to engage religious traditions experientially as well as cognitively. *Further than the Furthest Thing* Psychology Press
On a remote island in the middle of the Atlantic secrets are buried. When the outside world comes calling, intent on manipulation for political

and economic reasons, the islanders find their own world blown apart from the inside as well as beyond. Further Than The Furthest Thing is a beautifully drawn story evoking the sadness and beauty of a civilisation in crisis. Further Than The Furthest Thing premiered at the Traverse Theatre, Edinburgh in August, 2000.

Strategies of Political Theatre
Oxford University Press
In Traps, a set

of characters meet themselves and their pasts to create "plenty of sinewy lines and joyous juxtapositions" (Plays and Players); Vinegar Tom "is set in the world of seventeenth-century witchcraft, but it speaks, through its striking images and its plethora of ironic contradictions, of and to this century..." (Tribune); Light Shining in Buckinghamshire is set during the

Civil War and "unflinchingly shows the intolerance that was the obverse side of the demand for common justice. Deftly, it sketches in the kind of social conditions.. that led to hunger for revolution...The play has an austere eloquence that precisely matches its subject." (The Guardian)
Cloud Nine sheds light on some of the British Empire's repressed dark side and is "a marvelous

play - sometimes scurrilous, always observed with wicked accuracy, and ultimately, surprisingly, rather moving. It plunges straight to the heart of the endless convolutions of sexual mores...and does so with acrobatic wit." (Guardian) Owners:"I was in an old woman's flat when a young man offering her money to move came round, that was one of the starting points of the play" (Caryl

Churchill). The plays in this volume represent the best of Churchill's writing up to and including her emergence onto the international theatre scene with Cloud Nine.

Making a Spectacle

Routledge Includes a revival of her best-known play, "Cloud Nine" and a new translation, "Bliss".
Mad Forest
Samuel French, Inc. While writers, dramatists and film-

makers have already found inspiration in Orton's colourful life story, this Casebook comprises the first collection of scholarly criticism to investigate the works, life and legacy of the controversial playwright.
British Playwrights, 1956-1995
Springer Journey into the world of book collecting with the Goldstones-rediscover the joy of reading, laugh, and fall in love with books all over

again. The idea that books had stories associated with them that had nothing to do with the stories inside them was new to us. We had always valued the history, the world of ideas contained between the covers of a book or, as in the case of *The Night Visitor*, some special personal significance. Now, for the first time, we began to appreciate that there was a history and a world of

ideas embodied by the books themselves. Part travel story, part love story, and part memoir, Lawrence and Nancy Goldstone's *Used and Rare* provides a delightful love letter to book lovers everywhere. *The Ant Trap* Methuen Drama *In Traps*, a set of characters meet themselves and their pasts to create "plenty of sinewy lines and joyous juxtapositions" (*Plays and*

Players); Vinegar Tom "is set in the world of seventeenth-century witchcraft, but it speaks, through its striking images and its plethora of ironic contradictions, of and to this century..." (*Tribune*); *Light Shining in Buckinghamshire* is set during the Civil War and "unflinchingly shows the intolerance that was the obverse side of the demand for common justice. Deftly, it sketches in

the kind of social conditions.. that led to hunger for revolution...The play has an austere eloquence that precisely matches its subject." (The Guardian) Cloud Nine sheds light on some of the British Empire's repressed dark side and is "a marvelous play - sometimes scurrilous, always observed with wicked accuracy, and ultimately, surprisingly, rather moving.

It plunges straight to the heart of the endless convolutions of sexual mores...and does so with acrobatic wit." (Guardian) Owners:"I was in an old woman's flat when a young man offering her money to move came round, that was one of the starting points of the play" (Caryl Churchill). onto the international theatre scene with Cloud Nine.
Serious Money
Bloomsbury Publishing USA
Marlene thinks the eighties are going to be stupendous. Her sister Joyce has her doubts. Her daughter Angie is just frightened. Since its premiere in 1982, Top Girls has become a seminal play of the modern theatre. Set during a period of British politics

dominated by the presence of the newly elected Prime Minister Margaret Thatcher, Churchill's play prompts us to question our notions of women's success and solidarity. Its sharp look at the society and politics of the 1980s is combined with a timeless examination of women's choices and restrictions regarding career and family. This new Student Edition features an introduction by Sophie

Bush, Senior Lecturer at Sheffield Hallam University, UK prepared with the contemporary student in mind. METHUEN DRAMA STUDENT EDITIONS are expertly annotated texts of a wide range of plays from the modern and classic repertoires. As well as the complete text of the play itself, this volume contains: · A chronology of the play and the playwright's

life and work · an introductory discussion of the social, political, cultural and economic context in which the play was originally conceived and created · a succinct overview of the creation processes followed and subsequent performance history of the piece · an analysis of, and commentary on, some of the major themes and specific issues addressed by the text · a bibliography

of suggested primary and secondary materials for further study. *Vinegar Tom* Methuen Drama The first scholarly collection to discuss the intersection of feminism and dramatic theory Owners Cambridge University Press An early play by one of our leading dramatists, written before her breakthrough successes with *Cloud Nine* and *Top Girls*. Like a painting by

Escher 'where the objects can exist on paper, but would be impossible in life', Traps is a mindbending dramatic concoction in which the characters can be thought of as living all their possibilities at once. *The Skriker* Currency Caryl Churchill's plays are internationally performed, studied and acclaimed by practitioners, theatre scholars, critics and audiences alike. With

fierce imagination the plays dramatise the anxieties and terrors of contemporary life. This Companion presents new scholarship on Churchill's extraordinary and ground-breaking work. Chapters explore a cluster of major plays in relation to pressing social topics - ecological crisis, sexual politics, revolution, terror and selfhood - providing close readings of texts in

their theatrical, theoretical and historical contexts. These topic-based essays are intercalated with other essays that delve into Churchill's major collaborations, her performance innovations and her influences on a new generation of playwrights. Contributors explore Churchill's career-long experimentation - her risk-taking that has reinvigorated

the stage, both formally and politically. Providing a new critical platform for the study of a theatrical career that spans almost fifty years, the Companion pays fresh attention to Churchill's poetic precision, dark wit and inexhaustible creativity. *Caryl Churchill Plays: Five* Wipf and Stock Publishers This fascinating book is the first volume in a projected cultural history of the

United States, from the earliest English settlements to our own time. It is a history of American folkways as they have changed through time, and it argues a thesis about the importance for the United States of having been British in its cultural origins. While most people in the United States today have no British ancestors, they have assimilated regional cultures which

were created by British colonists, even while preserving ethnic identities at the same time. In this sense, nearly all Americans are "Albion's Seed," no matter what their ethnicity may be. The concluding section of this remarkable book explores the ways that regional cultures have continued to dominate national politics from 1789 to 1988, and still help to shape attitudes toward

education, government, gender, and violence, on which differences between American regions are greater than between European nations. *Albion's Seed* MIT Press The year 1956 marked a point when British drama and theater fell into the hands of a group of young playwrights who revolutionized the stage. During that time, playwrights such as

Samuel Beckett and Harold Pinter made the British theater as rich, varied, and vital as any national theater in history. This reference chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period. Included are entries for some three dozen British playwrights active between 1956 and 1995. Entries are arranged

alphabetically to facilitate use. Each entry supplies biographical information, the production history for particular plays, a survey of the playwright's critical reception, an assessment of the dramatist's work, and primary and secondary bibliographies. A selected, general bibliography at the end of the volume directs the

reader to important sources of additional information about this period in theater history. *Castles of Steel* Faber & Faber The volume uses an interdisciplinary approach to examine how 21st-century British theatre increasingly intercuts dystopian and utopian elements to create innovative

strategies for addressing current social and political concerns. In the case studies, a key role is given to the ways in which the selected plays use real and fictional spaces on stage and thereby manage to construct interactional spaces which the spectators are invited to share. Fen Methuen Drama First Published in 1985.
