This last small group of Bernard's sermons to be published in translation by Cistercian Publications rightly goes by the title *De varii* in the critical edition. While most of them treat feasts on the church calendar, they do so in a somewhat hit-or-miss fashion. Three sermons also deal with God's will, God's mercies, and the gifts of the Holy Spirit. Two sermons for the feast of Saint Victor are a response to a request to Bernard from the monks of Montiéramey; the Bollandist *Life of Saint Victor* appears here as a complement to those sermons. Besides the nine sermons normally assigned to the *De varii*, this volume also includes a sermon on the feast of Saint Benedict that was recently added to the collection in *Sources Chrétiennes*. The survival of this loose assemblage of sermons

outside of the organized collections of Bernard's sermons provides a reminder of Bernard as preacher and writer, able despite all his other activities to turn his hand to preaching when called upon. While they treat of disparate themes, they allow us to encounter the quintessential Bernard—speaking of the life of desire, the true meaning of holiness, and the awakening of the spiritual senses in the search for God.

*The Priesthood of All Believers* Amazing Facts

The book of Joshua brings to life real history during the crucial period of transition for the Israelites as they follow God's direction and settle in the promised land. Israel needed discipline in light of their newfound freedom. They faced the responsibility of living as a covenant people while adapting to change. Joshua describes the historic shift from the revelation of God's promises to their realization. God's care of his people becomes obvious, and their struggle with disobedience, selfishness, and fear is very human. Francis Schaeffer's thoughts on the book of Joshua show readers the historic, spiritual, and intellectual nourishment available for the Christian life through the examples of Joshua and his fellow Israelites. In the book of Joshua, Schaeffer finds that God reveals his sorrow over human sin, as well as his gracious love for his people. This is as true for us as it was for those in Joshua's time. This study of the settling of Israel will inspire readers to see the hand of God present in all of history, including today.

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, *The David Story* is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Cupich, Pope Francis's first major appointment in the United States, Walking with Jesus offers the Church a much-needed way forward, past its inner and outer walls, as it fearlessly follows Christ toward the future.

WHERE DO WE BRING OUR TITHE? IN SEARCH OF THE STOREHOUSE STW 4050 by G. Edward Reid answers the following questions from the biblical record and the counsels of the Spirit of Prophecy: Just where is the storehouse today? And even if I knew where it was, do I have to turn in all my tithe there, or can I use my own discretion and return my tithe as I see best? What should I do with my tithe if I sincerely believe that those charged with the responsibility of distributing the tithe are not doing so in a responsible manner? If I know of an independent ministry that is doing good work that I want to support, can I send my tithe to them? Isn't that a gospel ministry?
