How hard is it to encourage the people of God toward biblical Reformation and actually see it occur? Is there room for a new Reformation today? What should Christians think concerning revival today and reforming in the power of the Gospel? Could there actually be a present day "biblical reformation"? In the first part of the work, beginning with Leviticus 26:23-24, McMahon demonstrates that Reformation ought not to be gradual, but immediate. Gospel truth dictates spiritual action and God requires his church to be reformed by him through the power of the transforming word of God. In the second part, Anthony Burgess explains Judges 6. From this text he demonstrates both individual devotion and meaningful reform within the church. Set in an era marked by deep religious and societal shifts, Burgess's work stands out as a powerful request for spiritual reformation. He pushes believers to move beyond mere routine practices and emphasizes a genuine holiness that combines belief with action. He draws attention to the current importance of a swift reform, highlighting the risks of inaction and secular distractions. Reformation in this way, he says, should be immediate. He meticulously details the qualities vital for real reformation, acting both as a tender minister and a biblical critic against those who reject reform in the church. He spotlights the importance of understanding, passion, authenticity, humility, courage, and wisdom while also warning against the pitfalls of shallow faith. This work isn't just a historical or theological study; it serves as a biblical guide for those yearning for spiritual growth and reform before the eyes of King Jesus.

Christ's Call to Reform the Church Zondervan Academic

Jesus preached the Kingdom of God on Earth, but WHAT did He really mean by the Kingdom? We hear Jesus' delight when Peter identified Him as the Messiah, but WHY was Jesus so pleased with Peter's insight? Upon This Rock reveals the deep kingdom principles behind Jesus' actions. Yes, He has called us to bring the Kingdom of God to the cultures of this world, but HOW will we do it? "In answers to these questions and more, Dr. Tim Hamon opens the way through scripture by yielding to the voice of God in the midst of our quest, bringing us to the mountaintop of Kingdom Authority." "A powerful and unstoppable invasion has begun on the earth! It is being propelled by the game-changing revelation that Christians should stop going to church and instead, be the church everywhere they go. Tim Hamon does a brilliant job of enlightening us on how kingdom-minded believers can leaven their world with the unstoppable principles of the kingdom of heaven. You are called to do more than make a difference; you are called to be the difference. This book will teach you how." - Dutch Sheets Forward by Dr Bill Hamon: "Dr. Tim Hamon, my son, is an Apostolic Teacher of deep comprehension who writes as he teaches. His prose flows with simple logic, profound insight, and a feather touch that belies the weight of its impact. As a master craftsman, Dr. Tim lays a secure foundation, examining all aspects of his subject matter before culminating in truth that is both simple to comprehend and a wonder to behold. It's not uncommon to hear people exclaim, "Wow, I never saw that before!" (No wonder he sells out his CD's and DVD's at our conferences long before any other speaker.) This is why his latest book is a must-read for all aspiring Third Reformation Kingdom Reformers. Those whom God calls, He also equips. Dr. Tim's work is a crucial component of that equipping. It is the book many have been seeking to understand the practical realities of the Kingdom of God. Fundamental to his insights, Dr. Tim explains how the kingdoms of this world will become the kingdoms of the Lord, as foretold in Revelation 11:15. In my book on the third and final church reformation, I emphasized the Kingdom of God but I didn't explain what the Kingdom of God is or how we can fulfill the Lord's prayer of "Thy Kingdom come, Thy will be done on Earth as it is in heaven." Instead, I said it would take another book to explain the Kingdom of God and how we achieve it. Upon This Rock, by Dr. Tim, is that other book. Dr. Tim Hamon presents truth that will bring enlightenment, revelation, and new biblical understanding to your life and ministry. Bless you, Tim, for making known to the Body of Christ what God has revealed to you. What the father has revealed, the son has fulfilled." - Bishop Bill Hamon Dr. Bill Hamon is the founder and bishop of Christian International Apostolic Network. He has authored 13 major books focused on restoration movements that have taken place during the last 40 years, including: the Prophetic Movement, the Apostolic Movement, the Saints Movement, and the 3rd Reformation. His latest book in 2016 is God's World War III.

David Pawson provides pointers for the reforms needed in the twenty-first century. He writes: "In countries where the church is in decline, what are we going to pray for and what are we going to do about this? I find that Christians fall into two camps: those who are waiting for God to do something and those who believe God is waiting for us to do things...." "Luther was not comfortable with the whole Bible; that was one of the roots of his inconsistency. The second failure, which came from that, was his failure to apply scripture to every part of the Christian life and the church life of his day. There were areas that he did not touch. I believe that God is calling us now ... to complete that Reformation and take the whole scripture and apply it to the whole Christian life, the whole of our preaching and the whole of our church structure."

In the sixteenth century, the church faced a doctrinal crisis. Today, the crisis is race. We all know that racial unity is important. But what's the right way to approach it? How can Christians of different ethnicities pursue unity in an environment that is so highly charged and full of landmines on all sides? In *The New Reformation*, Christian hip-hop artist Shai Linne shows how the gospel applies to the pursuit of ethnic unity. When it comes to ethnicity, Christians today have to fight against two tendencies: idolatry and apathy. Idolatry makes ethnicity ultimate, while apathy tends to ignore it altogether. But there is a third way, the way of the Bible. Shai explains how ethnicity—the biblical word for what we mean by "race"—exists for God's glory. Drawing from his experience as an artist-theologian, church planter, and pastor, Shai will help you chart a new way forward in addressing the critical question of what it means for people of all ethnicities to be the one people of God.

People in all walks of life are discovering what it means to be involved, concerned, missional Christians. But simply having block parties or spending more time downtown is not enough to describe what it means to be a missional people. What is needed is a reformation of the way we

actually live our lives as Jesus followers. We need to see a way of living faithfully to God's mission in the world, right here, right now. In this inspiring yet practical book, Alan Hirsch and Lance Ford equip believers to live missionally regardless of situation, vocation, or location, making the concept of being missional accessible to the whole body of Christ. Touching on issues of discipleship, spirituality, and church at every level of experience, *Right Here, Right Now* calls readers to be the people God has made them to be.

This book consists of two open letters by the young John Calvin to evangelical believers who desired to stay and work within the Roman Catholic Church. The first letter exposes the idolatry involved in the Mass, while the second denounces the papal abuses of the pastoral office of the church. Together, they form a resounding call for the necessity of a thoroughgoing Reformation. This translation from David C. Noe makes the two letters available together for the first time in English. Noe also provides a helpful introduction to Calvin's early life and the problem of evangelical believers remaining in the Roman Catholic Church. This book does not merely provide a helpful view of how Calvin believed the moderate French reform movement should decide between God and the worship of false prophets. It is also an opportunity for us to reflect on the abiding significance of the need for reformation. We like to remember the Middle Ages as a magical time of knights in shining armor, fair damsels in distress, and heroic quests to worlds unknown. Actually, life in the Middle Ages was dirty, disgusting, and downright dangerous. Death was everywhere in the 1500s. Because lives were short and unpredictable, people clung to the hope of eternal life. There was only one church in Western Europe—the Roman Catholic Church. The leaders of the church taught people to fear God. And people feared God and Hell above all else. They saw God as distant and remote. When they attended church, the service was in Latin, not the language of the people. They observed but did not participate in the Mass. Some leaders of the church were deceitful. Monks, friars, and even the pope swindled people out of their life savings. One of the worst offenders was Johann Tetzel. In his one-man show, he hawked "tickets to heaven" or indulgences. Many people paid large sums for these worthless pieces of paper. When a young monk discovered that members of his parish were being deceived, he became angry. His name was Martin Luther. He challenged the practices of the church. His actions would change not only the church but the world forever.

R. C. Sproul has committed his life to clearly communicating deep, practical truths from God's Word to students and laypeople. His lucid teaching style brings clarity to the most difficult--and often contentious--biblical and theological questions. Gathered here in one volume are three of his best-selling books--over \$40 worth of reading at a great low price. From Rudolf Otto's "mysterium tremendum" to Martin Luther's "insanity" and Jonathan Edwards's fiery sermons, Sproul's classic "The Holiness of God" illuminates history and Scripture to help readers understand--and live with--the tension that exists between God's terrifying holiness and his inexplicable grace. In "Chosen by God," Sproul tackles the divisive subject of predestination, and discusses God's sovereignty and the problem of evil, human freedom, and the task of evangelism. He explains that there is a mystery in God's ways but not contradiction; and paints a picture of a loving--not spiteful or whimsical--God who provides redemption for radically corrupt people. "Pleasing God" explores the topic of sanctification--how we satisfy God by pursuing righteousness. Sproul examines the constant battle Christians wage against sin--pride, slothfulness, dishonesty. He reveals how many Christians have tragically abandoned the struggle, but that God delights in those who press on. Although Sproul brings a Reformed background and approach to topics, his work is not just for Calvinists but for all Christians who want to understand and build on the foundations of their faith.

This compelling question is central to a debate taking place among evangelicals today. Michael Horton, a preeminent voice for reformation in the church, has drawn together a group of leaders in the evangelical church to answer this question once and for all. - W. Robert Godfrey - Michael Horton - Alister McGrath - Kim Riddlebarger - Rick Ritchie - Rod Rosenblatt - Paul Schaefer - Robert Strimple These writers draw on Scripture, theology, and church history to address the Lordship salvation issue. They explain their positions clearly, taking care to avoid promulgating legalistic rules people need to follow to be considered Christian. But neither do they convey the feeling that rules no longer matter.

What does the church need to hear today? As many have said, the church must always be reforming. It must continually move closer to a truer, more faithful expression of the gospel. The risen Christ's powerful letters to the seven churches in Revelation are a guide to just that. Based on John MacArthur's exposition of these letters, Christ's Call to Reform the Church is a plea to the modern church to heed these divine warnings, to reform before it succumbs to the kinds of compromise and error that invite God's judgment. Christ's Call to Reform the Church admonishes the church today to learn from the mistakes God's people have made in the past, rather than commit them again. The Word of God has many benefits, one of which is that it reveals our blind spots. That's what this book does--it shines a light on problems we didn't know we had. May it be embraced by Christians everywhere, spurring them toward the God-honoring, grace-driven work of continued reformation.

Much of what we see expressed in the church today is built on more than just the New Testament. It's built mostly on the Old Testament, Church culture, and Paganism. If we are to succeed in making disciples of all nations then we must go back to the "template" we find in the Bible. Let the reformation begin!

Michael P. V. Barrett surveys Exodus, giving special attention to the theological message of this formative Old Testament book. In doing so, he demonstrates that the real history of the exodus providentially serves as a paradigm of salvation. Through the three main themes of misery, deliverance, and gratitude, Exodus reveals God's power and faithfulness in keeping His covenant promise to deliver His people from the bondage of sin to the service of grace. Thus, it is pictorial prophecy of spiritual truths that find ultimate fulfillment in the person and work of Christ. Among all the things that a pastor will do on any given day, he must not lose sight of his one ultimate goal: the sanctification of God's people. This is the heart of God's purpose for Christians. John MacArthur calls pastors to remember what all the countless hours preparing sermons, visiting hospitals, counseling, conducting weddings, and more are all about, even when the finish line seems so far in the distance that they're tempted to give up. He encourages pastors with the power God gives them to place the sanctification of God's people at the center of their ministry.

Moral Transformation Christian Faith Publishing, Inc.

In the late eighteenth century, German Jews began entering the middle class with remarkable speed. That upward mobility, it has often been said, coincided with Jews' increasing alienation from religion and Jewish nationhood. In fact, Michah Gottlieb argues, this period was one of intense engagement with Jewish texts and traditions. One expression of this was the remarkable turn to Bible translation. In the century and a half beginning with Moses Mendelssohn's pioneering translation and the final one by Martin Buber and Franz Rosenzweig, German Jews produced sixteen different translations of at least the Pentateuch. Exploring Bible translations by Mendelssohn, Leopold Zunz, and Samson Raphael Hirsch, Michah Gottlieb argues that each translator sought a "reformation" of Judaism along bourgeois lines, which involved aligning Judaism with a Protestant concept of religion. Buber and Rosenzweig famously critiqued bourgeois German Judaism as a craven attempt to establish social respectability to facilitate Jews' entry into the middle class through a vapid, domesticated Judaism. But Mendelssohn, Zunz, and Hirsch saw in bourgeois values the best means to serve God and the authentic actualization of Jewish tradition. Through their learned, creative Bible translations, these scholars presented competing visions of middle-class Judaism that affirmed Jewish nationhood while lighting the path to a purposeful, emotionally-rich spiritual life grounded in ethical responsibility.

The recent celebration of the 350th anniversary of the 1662 Book of Common Prayer has helped to stimulate a renewed interest in its teaching and fundamental contribution to Anglican identity.

Archbishop Cranmer and others involved in the English Reformation knew well that the content and shape of the services set out in the Prayer Book were vital ways of teaching congregations biblical truth and the principles of the Christian gospel. Thus the aim of this series of booklets which focus on the Formularies of the Church of England and the elements of the different services within the Prayer Book is to highlight what those services teach about the Christian faith and to demonstrate how they are also designed to shape the practice of that faith. As well as providing an account of the origins of the Prayer Book services, these booklets are designed to offer practical guidance on how such services may be used in Christian ministry nowadays. In this overview of the Book of Common Prayer, Peter Adam brings us back again and again to its emphasis on the 'very pure word of God', setting the gold standard and hallmark of all our liturgy. Peter Adam served as Vicar of St Jude's Carlton, and as Principal of Ridley College in Melbourne Australia. He is currently Vicar Emeritus of St Jude's, and Canon of St Paul's Cathedral Melbourne.
