Many today find the Old Testament a
closed book. The cultural issues seem
insurmountable and we are easily
baffled by that which seems obscure.
Furthermore, without knowledge of the
ancient culture we can easily impose our
own culture on the text, potentially
distorting it. This series invites you to
enter the Old Testament with a company
of guides, experts that will give new
insights into these cherished writings.

Features include • Over 2000
photographs, drawings, maps, diagrams
and charts provide a visual feast that
breathes fresh life into the text. •
Passage-by-passage commentary
presents archaeological findings,
historical explanations, geographic
insights, notes on manners and customs,
and more. • Analysis into the literature
of the ancient Near East will open your
eyes to new depths of understanding

both familiar and unfamiliar passages. •

Tales from the Blue Gonk Cafe: volume
III Zondervan Academic

The Blue Gonk Café has been sold and
the new owners aren't interested in
having story sessions. The storytellers
were invited to come one last time -
which they did, bringing their tales of
blood, gore, heartbreak, sadness and
even laughter at times. It was a special
occasion which demanded special things
- Kevin L Jones held an evening session
at which he read his novella about the
fearsome clown, Uncle Tickle. What a
way to end a tradition!!

The Assassination of Abraham

Lincoln Berkley

Two people learn what giving up control really means in this sizzling new novel from the author of *Blush* . . . When business mogul Elijah Masterson travels to the Mexican coast for his chain of luxury resorts, he purchases an emerald green glass sculpture for one of the properties. He is soon fascinated by the fiery temptress who created it. The attraction between them is instant and explosive, but Elijah resists, unsure that a woman as strong-willed as Samantha would ever yield in the way he needs her to. Headstrong glass artist Samantha Collins hides a secret desire to submit to the right man. Samantha sees everything she wants in Elijah but, apart from one steamy night, he seems determined to keep his distance. She has always held back, but refusing to let go now that she's found the dominant man she's always wanted, Samantha makes Elijah an offer he can't refuse: a month of absolute submission. But after a month of incredible passion, will either of them be able to walk away? Praise for *Surrender to Temptation* 'A well-written tory that will open your mind to a whole new level of control and submission.'

A superhero, a ghost, and an angel walk into a bar. Dario, the ghost, feels a sense of déjà vu. He died in a bar, and it seems like he might be reliving that terror over and over again. This time, however, there's an angel at his side, Dondre, and that brings some comfort. After a few to many drinks, Dwight, the superhero, reveals his animosity toward angels. He's angry angels get all the credit when

someone survives a deadly incident. People think angels are real, while most believe superheroes are only found in fiction. When a wave of deadly crime sweeps across the country, Dario and Dondre become the prime suspects. Who is setting them up? All signs point to Dwight, the disgruntled superhero. Can the ghost and the angel prove themselves innocent? Will someone else die? And what of Dwight? Is he friend or foe?

Locked In - locked in where? Cell, house, relationship, physical locks, mental locks, the field for this theme was wide open and the Thirteen authors who responded took advantage of that. Their stories range far and wide, from demons to humans and everywhere else. Avoid this if you're claustrophobic, being shut in anywhere can be bad, being locked in is worse... on the other hand, it's a good read... none of it is real, is it... enjoy!

I fled Boston and my cheating jerk of an ex with three hundred dollars and a lip gloss in my pocket. Waking up the next day in Burlington, Vermont, with a crick in my back and a frozen ass wasn't exactly in the plan. If there was one. Which there wasn't. Story of my life. Three hours later and I've been hired as temporary help in the local veterinary and grooming clinic, which is kind of impressive since I know zip about animals and even less about grooming. But one thing I do know-I'm crushing hard on the sexy, absent-minded vet I work for. My life is a hot mess. The last thing I need is another relationship. Emmett pushes all my buttons, but he isn't out. He's overwhelmed with a business to run and a son to look after and the kind of domestic life I never thought I wanted. I should walk away. But Emmett believes in me, and I might just be starting to believe in myself. As different as we are, is it possible we're exactly what the other needs?

"Auden and Carter are the swoony heroes I didn't know I needed in my life! Turnabout is spectacular, and everyone should read it." USA Today bestselling author Sarina Bowen I don't have time for an unplanned visit home to help out in my father's struggling letterpress shop. My stint in Vermont will have to be short, for a couple of reasons: One, I'm a busy executive trying to climb the corporate ladder. Two, my ex is still my dad's right-hand man in the shop. And I am not over him. Nothing has changed at the Burlington shop. Auden still has

his infuriatingly sexy Scottish accent. He's still hot, and still stubborn. Between operating the antique press with his shirtsleeves rolled up, and moonlighting at Burlington's hottest inclusive wine bar, he pushes every one of my attraction buttons. My falling-in-love-again buttons, too. Except I'm his polar opposite. I love change, and taking chances. Everything he avoids in life. So why am I trying to convince him to reach for more than we've ever dreamed of—the possibility of forever? Turnabout is a second-chance romance with interfering family, groveling, and a large helping of artisan stationery geekery.

Covering one of the most defining moments of America's history, *The Assassination of Abraham Lincoln* aims to lay the multitude of theories surrounding Lincoln's assassination to rest. Immediately after the assassination of Abraham Lincoln, suspicion naturally fell on Confederate leaders as being responsible for the great crime. The belief in their complicity faded when the case against Jefferson Davis and other unindicted co-conspirators collapsed at the trial of John Wilkes Booth's action team (Booth was dead) in May and June, 1865. The belief then hibernated for 123 years, during which period the prevailing wisdom was that Booth had in fact acted with the help of no one other than his team, with the possible exception of Dr. Samuel Mudd and Mary Surratt. In 1988,

however, assassination historians James O. Hall, William A. Tidwell and David Gaddy thoroughly discredited the simple conspiracy theory in their seminal work *Come Retribution*, holding that the original suspicions were right after all. In 1995, Tidwell followed with a solo titled *April '65* in which he strengthened the case against Confederate leaders. The authors' conclusions quickly gained acceptance by many experts in the field, including the author of this work, which is intended to remove any remaining doubt as to the validity of the theory. It does so by describing in detail four subplots in the overall plot to murder the President, subplots that demonstrate unequivocally that Booth was merely a pawn in the hands of far more powerful, influential and purposeful men than he, men whose backs were to the wall and who would therefore stop at nothing to avert the catastrophe that they had fought four long years to prevent and that was now upon them.

An absorbing portrait of an extraordinary man, an analysis of the work of a great Russian poet, and the evocation of a crucial period in Russian cultural history—all are combined in Edward J. Brown's literary biography of Vladimir Mayakovsky. It is the only book to reveal the whole Mayakovsky, not just aspects of his tortured personality or artistic work, and will be immediately recognized as definitive. Mayakovsky contributed to the cultural life of Soviet Russia not only as a lyric poet but as a playwright, graphic artist, and satirist of the conventional art forms of his day. By examining his art in terms of his life, Edward Brown shows how intensely personal it was and how bound up in the literary and political history of his time. The intellectual turmoil of the period is

skillfully re-created, especially the nature, ambience, and personalities of Russian futurism. Above all, the book reveals the man—a committed Bolshevik and a dedicated artist, but also a hypochondriac, compulsive gambler, and eventual suicide. Originally published in 1973. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Love Comes First is Erica Jong's long-awaited return to her poetic roots! Here is Erica Jong's first book of all-new poems in more than a decade. Known and beloved for *Fear of Flying* and her many other books of fiction, nonfiction and poetry, Jong expounds on the most eternal, universal topic of all: love. Using brilliant imagery and intense metaphorical insights to paint vivid pictures of love, and all that comes with it—the heights of elation, the depths of

sorrow—she covers every inch of the spectrum with her vibrant and insightful words. Perfect for wedding showers, lovers of all ages, and Valentine's Day, Jong's trademark trailblazing style and remarkable ability to bridge the gap between literary and popular poetry makes *Love Comes First* an instant classic. Discover— or discover yet again—the brilliance of Erica Jong. Watch the trailer for this book:

Unguarded Pen and Sword History

Located on the Temple Mount in Jerusalem, the Dome of the Rock was constructed at the end of the seventh century by order of caliph 'Abd al-Malik. This seminal structure has been much studied but no definitive interpretation yet exists of the meanings conveyed by the Dome at the time of its completion. The recovery of meaning is complicated by the paucity of primary written sources relating to the construction phases of the building and the motivations of its patron. This book concentrates on the most important surviving primary text, the long mosaic inscription running around the interior. Comprising a dedication and date (72/691-92) and material of a religious nature, the mosaic inscription provides vital evidence for the reconstruction of the meanings and functions of the Dome of the Rock. The detailed study of the mosaics helps to place them in the context of Late Antique monumental writing, particularly in Greek. The book makes use of contemporary Islamic coins, graffiti, and other inscribed objects in order to examine the Dome of the Rock in the relation to the ideological concerns of the Umayyad elite during and after the second Civil War.

This is a systematically arranged,

annotated collection of outstanding literary works dealing with drink. It centers on some of the most enduring themes in both literary depictions of drinking and alcohol research: causes of drinking; effects of drinking; the tavern; drinking and family life; drinking and gender; and the spiritual dimension of drinking. Organized into chapters reflecting these themes, it encourages readers to think about drinking alcohol as a practice that is deeply cultural as well as biochemical. After a comprehensive introduction, the anthology provides informative headnotes to each selection, and ranges broadly across different cultures and periods, thus providing insights into patterns of similarity and difference in literature's treatment of a controversial, pervasive aspect of human experience. A CINEMATIC DEBUT OF A PROMISING YOUNG NOVELIST FROM LEBANON--A FAUX-THRILLER ABOUT A RECLUSIVE BOTANIST WHO WITNESSES A POLITICAL MURDER AND IS DRAWN INTO A PERSONAL INVESTIGATION--A captivating thriller that reveals a family's intergenerational secrets, a nation's deepest fears, and an underground world of politics, religion, and society. Beirut at dawn. A bus leaves the Charles Helou station en route to Damascus. Seven passengers are on board, one of whom is a prominent Lebanese politician. Before crossing the border, the bus is accosted and derailed. All seven passengers are gunned down. A botanist studying a rare occurrence of acacias nearby witnesses the horror. While the nation around him plunges into conspiracy theories and chaos, the botanist realizes he holds the only clue to the mystery: his injured Acacia. This sends him on a quest for answers, through a minefield of national fears and family secrets, deep into a private underworld.
