The Book of Positive Vibes W. W. Norton & Company

Daniel Nash struggles to reconcile his feelings of betrayal with his desire to understand his life. His hopes of uncovering the secrets revealed in his father's journals are quickly dashed, and he works with a private investigator to discover the truth. Worry about his wife, Sarah, combines with his efforts to cope with his childhood trauma, an unexpected death, and the recent revelations. His obsession with the past threatens to destroy his stable life. Meanwhile, Sarah and her father, Tristan, continue to combat the lingering discord that developed between them years before but refuse to take their main focus from Daniel. As he reviews his biological father's efforts to be a good man, Daniel searches for a way to comprehend shocking disclosures. He questions his own goodness as he fights not to emotionally withdraw from those around him, especially the two people he knows will always love him, Sarah and Tristan.

Peace Hill Press

This first book in the four-volume narrative history series for elementary students will transform your study of history. The Story of the World has won awards from numerous homeschooling magazines and readers' polls—over 150,000 copies of the series in print! What terrible secret was buried in Shi Huangdi's tomb? Did nomads like lizard stew? What happened to Anansi the Spider in the Village of the Plantains? And how did a six-year-old become the last emperor of Rome? Told in a straightforward, engaging style that has become Susan Wise Bauer's trademark, The Story of the World series covers the sweep of human history from ancient times until the present. Africa, China, Europe, the Americas—find out what happened all around the world in long-ago times. This first revised volume begins with the earliest nomads and ends with the last Roman emperor. Newly revised and updated, The Story of the World, Volume 1 includes maps, a new timeline, more illustrations, and additional parental aids. This read-aloud series is designed for parents to share with elementary-school children. Enjoy it together and introduce your child to the marvelous story of the world's civilizations. Each Story of the World volume provides a full year of history study when combined with the Activity Book, Audiobook, and Tests—each available separately to accompany

each volume of The Story of the World Text Book. Volume 1 Grade Recommendation: Grades 1-5.

The History of the World Peace Hill Press

Coloring the Story of the World: 60 Coloring Pages Inspired by Susan Wise Bauer's the Story of the World Peace Hill Press

Helen Keller's autobiographies THE STORY OF MY LIFE and THE WORLD I LIVE IN chronicle in her own words the remarkable true story we have come to know from the stage and film productions of THE MIRACLE WORKER. Here we discover Helen's thoughts and feelings hidden in the blind, deaf, and mute character in those productions—thoughts and feelings she came to express with such eloquence orally and in writings in later years. And here we are inspired not only by Helen Keller and her journey but also by the intriguing possibilities that certainly must be awaiting discovery in others. EARLY REVIEWS "The autobiography of Helen Keller is unquestionably one of the most remarkable records ever published."—British Weekly "This book is a human document of intense interest, and without a parallel, we suppose, in the history of literature."—Yorkshire Post "Miss Keller's autobiography, well written and full of practical interest in all sides of life, literary, artistic and social, records an extraordinary victory over physical disabilities."—Times "This book is a record of the miraculous. No one can read it without being profoundly touched by the patience and devotion which brought the blind, deaf-mute child into touch with human life, without being filled with wonder at the quick intelligence which made such communication with the outside world possible."—Queen

The Story of the World: History for the Classical Child: Ancient Times: From the Earliest Nomads to the Last Roman Emperor (Revised Second Edition) (Vol. 1) (Story of the World) Michael Edwards

A young elephant named Ellie living in Thailand dreams of joining the elephant polo team and playing in the Elephant Cup polo tournament, but her parents want her to work in the rice fields. Will she realize her dream of playing elephant polo? Book two in the World Adventurers for Kids Series, "Ellie the Elephant" is an illustrated picture book that encourages children to follow their dreams. Inspired by the author's adventures in Thailand and real elephant polo matches, the story features Ellie the Elephant and her family, Monk the Monkey, and human boys Wasan and Wattana. Fun for

kids and adults alike, the story will introduce them to the amazing game of elephant polo and inspire children to dream big.

Help Your Child Master the Addition Facts for Good in Just Six Weeks PublicAffairs

From Pulitzer Prize-winning journalist and bestselling author Ron Suskind comes a startling look at how America and the West lost their way, and at the struggles of their respective governments to reclaim the moral authority on which their survival depends. From the White House to Downing Street, and from the fault-line countries of South Asia to the sands of Guantanamo, Suskind offers an astonishing story that connects world leaders to the forces waging today's shadow wars and to the next generation of global citizens. Tracking down truth and hope, Suskind delivers historic disclosures with this emotionally stirring and strikingly original portrait of the post 9-11 world.

The Way of the World On My Way Up LLC

Presents a history of the ancient world, from 6000 B.C. to 400 A.D.

The Story of How the Bible Came to Be Facts That Stick

"This book is a slice of intensified history—history as I saw it." So begins John Reed's first-hand account of the Bolshevik Revolution of 1917. Much anticipated when it was published in 1919, Reed's narrative remains as riveting today as when the events he describes were still reverberating throughout the world. Reed was hardly a disinterested observer, and his involvement in the Communist labor movement lends urgency and passion to his classic account. He vividly describes events in Petrograd in November 1917, when Vladimir Lenin and the Bolsheviks stormed the Winter Palace and seized the reins of power. Despite Reed's personal leanings, which he made no attempt to hide, the book garnered praise from luminaries across the political spectrum. George F. Kennan, the American diplomat, and father of the policy of Soviet containment, said that "Reed's account of the events of that time rises above every other contemporary record for its literary power, its penetration, its command of detail. It will be remembered when all others are forgotten." Reed was committed to telling the story of the Russian revolution as truthfully as possible. That the book was banned by Russian premier Josef Stalin is a testament to the author's success in carrying out his mission. One hundred years after Russia and the world trembled, *Ten Days that Shook the World* brings alive the momentous events of 1917.

Welcome to the Fascinating Story of How We Got The World's Greatest Book—The Bible. It is a captivating story that includes a little bit of everything: adventure and violence, mystery and bravery, and dumb luck or divine intervention—depending on your point of view. How in the world did we get this book that some people swear by—and other people swear at? You don't have to be a skeptic to have a grocery list of questions about the formation of the Bible, such as: —Who wrote these documents and when? —How were these ancient writings transmitted through the ages? —As scribes made copies of copies, didn't they make mistakes that caused the ancient writings to be changed and corrupted? —How was it decided which writings would be included in the Bible? —What are the Dead Sea Scrolls, and why are archaeological finds like these such a big deal? Devoted people dedicated their lives throughout time to put this unique book into the hands of people worldwide. Retrace the passion and intrigue behind the Bible's creation.

Undisclosed (Undisclosed, Book 1) Peace Hill Press

Never before in the history of mankind have so few people had so much power over so many. The people at the top of the American national security establishment, the President and his principal

advisors, the core team at the helm of the National Security Council, are without question the most powerful committee in the history of the world. Yet, in many respects, they are among the least understood. A former senior official in the Clinton Administration himself, David Rothkopf served with and knows personally many of the NSC's key players of the past twenty-five years. In *Running the World* he pulls back the curtain on this shadowy world to explore its inner workings, its people, their relationships, their contributions and the occasions when they have gone wrong. He traces the group's evolution from the final days of the Second World War to the post-Cold War realities of global terror -- exploring its triumphs, its human dramas and most recently, what many consider to be its breakdown at a time when we needed it most. Drawing on an extraordinary series of insider interviews with policy makers including Condoleezza Rice, Colin Powell, Henry Kissinger, senior officials of the Bush Administration, and over 130 others, the book offers unprecedented insights into what must change if America is to maintain its unprecedented worldwide leadership in the decades ahead.

The Luckiest Girl in the World Leaders Press

The dramatic and controversial history of the world's leading tournament. Brian Glanville's classic account is a celebration of the great players and matches from Uruguay in 1930 to Germany in 2006 - and a bold attack on all those who have mismanaged the 'beautiful game'.
