* This classic story is richly illustrated to enlarge the readers experience.This is the second book in Maud Montgomery's wonderful Anne Shirley series. This completely new edition is richly illustrated with dozens of photographs depicting young Anne and scenes of Prince Edward Island. It tells the story of an orphan girl who grows up on a farm on the island, has her share of misadventures, and becomes a school teacher. Anne of Avonlea is a beloved classic that will charm you and your children, whether you're meeting Anne for the first time or reading about her again.

Anne of Green Gables Camelot Editora

The third book in an early-reader series inspired by Anne of Green Gables, starring the spirited Anne Shirley as she navigates her first days of school and the incorrigible Gilbert Blythe. Anne loves autumn in Avonlea, and she's been enjoying her first three weeks of school. It helps that she walks to school with and sits next to her kindred spirit, Diana Barry. However, one day, Gilbert Blythe joins the class. According to Diana, he's very handsome, and smart too. However, Gilbert immediately gets on Anne's nerves. When he pulls on Anne's braid and calls her "Carrots" because of her red hair, enough is enough. How can Anne enjoy school when Gilbert is ruining everything? Anne vows never to talk to Gilbert again, and even stops going to school for a time when her teacher forces Anne to sit next to her rival. But later, when Anne has an accident on the pond and her wooden plank sinks, who should come to her rescue but her nemesis, Gilbert Blythe? Lovingly adapted by Kallie George with beautiful nostalgic illustrations by Abigail Halpin, this series is perfect for fans of Anne, new and old.

By any standards, Lucy Maud Montgomery's Anne of Green Gables is a stunning success. Published in 1908 (and not once out of print), Anne has sold more than 50 million copies, been translated into more than 17 languages (including Braille), and become the focus of international conferences devoted to its interpretation. Anne has remained, as Matthew sings in the musical, "forever young," no small feat for the spunky, in-your-face redhead who, in 2008, celebrates her 100th birthday! But why Anne? How does Montgomery's classic work pull so many international readers into the vortex of Anne's freckled face and carrotty braids? How does this little book create such enduring interest around the world? The answer is far more intriguing than any story even Anne could have imagined. In her journal, Maud's quick pen would froth up the tiniest details of her life into dramatic events, but that same pen never revealed a single word about Anne. As a result, the novel's secrets have remained sealed for over a century. Looking for Anne is the untold story of a literary classic and a writer who found inspiration in many places including the popular images of the era, such as beauty icons, fashion plates, and advertisements; a writer who quietly quarried her material from American mass market periodicals; who consciously imitated formula fiction to create marketable stories for juvenile periodicals, religious newspapers, and glamorous women's magazines—and who ultimately, in the storm that brewed up the novel, also transcended these influences to create a twentieth-century literary classic that would conquer the world. Blending biography with cultural history, penetrating and uncensored, this is the definitive book on Anne of Green Gables. Looking for Anne captures both the spirit of Marilla's critical probing for "bald facts" and Anne's belief in the infinite power of the imagination. It is a must-read for anyone who has ever fallen under the spell of Anne with an "œ. Praise for Looking for Anne: Looking for Anne takes a bold new look at Anne of Green Gables. If you have loved Anne of Green Gables and wonder how she came about, I recommend that you read Irene Gammel's book. L.M. Montgomery was a prolific Canadian author who is considered to be one of the greatest writers of the early 20th century. Montgomery became famous immediately after writing Anne of Green Gables, a classic coming of age story featuring an orphaned girl named Anne Shirley, and its many sequels. Montgomery also wrote The Emily of New Moon novels which were made into a popular television series in the late 1990's. Anne of Green Gables, published in 1908, is the first novel of the classic series. The book begins with 11 year-old Anne Shirley being mistakenly sent to the Cuthbert siblings who had hoped for a boy to help them around the farm. Anne of Avonlea is the 2nd novel in the Anne of Green Gables series. The book describes Anne's experiences over the course of two years of teaching at Avonlea school.
