Four Corners Level 1 Teacher's Edition with Assessment Audio CD/CD-ROM Pearson Longman

Top Secret is a teacher's resource designed to accompany the Stewie Scraps series of reading books. It consists of six sets of photocopiable worksheets exploring the children's understanding of each book in turn. There are teacher's notes that explain the tasks and give suggestions about use to help develop reading, writing and comprehension skills. The beginning of each section gives a brief synopsis about the book before going on to the tasks involved. Ending each section is a set of comprehension questions that allows you to determine whether the children have fully understood the books. All the Stewie Scraps series of books, as well as this resource, have been illustrated by Leighton Noyes, a noted children's book illustrator. Stewie also has his own website: www.stewie-scraps.co.uk. It contains excerpts from his stories, information about his family, the author and illustrator and a special 'Top Secret' area to be accessed only by those creative genius' possessing the password!

Maths Mastery Reasoning: Teacher Resources KS1 contains a wealth of practical ideas and photocopiable resources to promote reasoning using precise mathematical vocabulary and stem sentences. It will enable teachers to explicitly teach children how to reason so they can answer questions such as: Which skills do I need to complete the task? How can I explain my thinking? What vocabulary do I need to use? Covering all areas of the primary maths curriculum including place value, fractions and the four operations, each photocopiable activity enables pupils to practise key skills and make links to the maths they are using. Many of the activities can be completed using a concrete, pictorial and abstract (CPA) approach to teaching maths. Written by experienced teacher John Bee, this must-have resource is ideal for teachers just starting on the maths mastery journey or for more experienced teachers who need some fresh input and ideas. This unique book will engage pupils in lively debate when they hypothesise, agree, criticise and prove their learning around key mathematical concepts. A companion book for Key Stage 2 is also available.
