**Lonely Planet's Best in Travel 2018** Moon Travel Describes points of interest and itineraries for each region of India, and recommends hotels, restaurants, and entertainment.

**Discover India** Lonely Planet  
Complemented by easy-to-use, reliable maps, helpful recommendations,

authoritative background information, and up-to-date coverage of things to see and do, these popular travel guides cover in detail countries, regions, and cities around the world for travelers of every budget, along with extensive itineraries, maps with cross-referencing to the text, "Top 10" and "Top 5" lists, and other practical features.

**Lonely Planet Pocket Bruges & Brussels**

Penguin UK  
Founders of the phenomenally successful

publishing company Lonely Planet, Tony and Maureen Wheeler have produced travel guides to just about every corner of the globe. Lonely Planet Publications was born in 1973 when the Wheelers self-published a quirky travel guide, *Across Asia on the Cheap*. This was quickly followed by what soon became the backpackers' bible, *South-East Asia on a Shoestring*. Going boldly where no other travel publisher had ventured, they catered to a new generation of independent, budget-

conscious travelers long before the advent of mass tourism. *Unlikely Destinations: The Lonely Planet Story* is a unique mix of autobiography, business history and travel book. It traces Tony and Maureen Wheeler's personal story as well as the often bumpy evolution of their travel guide business into the world's largest independent travel publishing company. Not surprisingly, after thirty years in the business the Wheelers have an unrivalled set of anecdotes which they

share in *Unlikely Destinations: The Lonely Planet Story*. They have been hassled by customs, cheated by accountants, let down by writers, banned in Malawi, berated for their Burma guide and had books pirated in Vietnam. Tony has been gored by a cow in Benares, declared dead around the world in an assortment of gruesome and greatly exaggerated accounts and their company has been accused of the "Lonely Planetization" of the world. Through it all, from

the heady days of discovery in the '70s to the rocky patch after the September 11th terrorist attacks, the Wheelers' passion for the planet and traveling certainly hasn't diminished, and comes shining through in this enthralling travelogue. But above all, their memoir reveals the spirit of adventure that has made them, according to the New York Daily News, "the specialists in guiding weird folks to weird places."

*Lonely Planet's Best in Travel 2019*  
Potomac Books  
For decades, Colombia

was the 'narcostate'. Now travel to Colombia and South America is on the rise, and it's seen as one of the rising stars of the global economy. Where does the truth lie? Writer and journalist Tom Feiling, author of the acclaimed study of cocaine *The Candy Machine*, has journeyed throughout Colombia, down roads that were until recently too dangerous to travel, to paint a fresh picture of one of the world's most notorious and least-understood countries. He talks to former guerrilla

fighters and their ex-captives; women whose sons were 'disappeared' by paramilitaries; the nomadic tribe who once thought they were the only people on earth and now charge \$10 for a photo; the Japanese 'emerald cowboy' who made a fortune from mining; and revels in the stories that countless ordinary Colombians tell. How did a land likened to paradise by the first conquistadores become a byword for hell on earth? Why is one of the world's most unequal nations also

one of its happiest? How is it rebuilding itself after decades of violence, and how successful has the process been so far? Vital, shocking, often funny and never simplistic, *Short Walks from Bogota* unpicks the tangled fabric of Colombia, to create a stunning work of reportage, history and travel writing.

**Lonely Planet Colombia Moon Travel**

Idyllic colonial towns and fast-paced cities, jaw-dropping mountains and stunning beaches: see it all with *Moon Colombia*.

Strategic itineraries for exploring the wild coasts, historic towns, and rural countryside, plus a multi-week trip covering the best of Colombia Honest advice from local writer Andrew Dier, who provides his American-expat perspective on his adopted home Full-color maps and photos throughout The top sights and unique experiences: Stroll along the bougainvillea-strewn cobblestone streets of Cartagena, or explore wildlife preserves, and hike diverse biomes from

the Andes to the Amazon. See the ancient ruins of Ciudad Perdida and visit indigenous communities to learn about Colombia's past and present. Swim in the Caribbean, or spot humpback whales in the Pacific. Immerse yourself in regional festivals to experience Colombia's diverse music and dance traditions, enjoy nouvelle Colombian restaurants and hopping nightlife of Bogotá, or the perfect weather and locally-grown coffee of Medellín In-depth coverage of Bogotá, Cartagena and the

Caribbean Coast, Boyacá and the Santanderes, Medellín and the Coffee region, Cali and Southwest Colombia, the Pacific Coast, San Andrés and Providencia, and the Amazon and Los Llanos Background information on the landscape, culture, history, and environment, as well as a handy Spanish phrasebook Essential insight for travelers on trekking through jungles, accessing remote mountain ranges, and exploring ancient ruins, with tips for traveling

safely and respectfully engaging with the local culture *With Moon Colombia's practical tips and insider's view, you can plan your trip your way. Only visiting one region? Try Moon Bogotá, Moon Medellín or Moon Cartagena & Colombia's Caribbean Coast. Country-hopping in South America? Check out Moon Peru or Moon Ecuador & the Galápagos Islands. Beautiful World Japan Lonely Planet* This annual bestseller ranks the hottest countries, regions and

cities for 2020, and reveals how well-planned, sustainable travel can be a force for good. Drawing on the knowledge and passion of Lonely Planet's staff, authors and online community, we present a year's worth of inspiration to take you out of the ordinary and into the unforgettable. *The Rough Guide to Colombia* Lonely Planet Colonial cities, misty cloud forests, towering Andean peaks, Amazonian rainforest and the otherworldly Galápagos - for such a small country

Ecuador has a stunning array of natural and cultural wonders.

### **Lonely Planet Japan**

Lonely Planet

Lonely Planet Panama is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Sip coconuts on a Caribbean beach; lay eyes on the awe-inspiring Panama Canal; or hike through sublime cloud forests; all with your trusted travel companion.

**Lonely Planet Colombia**  
Rough Guides UK

Colombia has a spectacular and variant landscape, embracing tropical beaches, highland plateaus, the rugged, snow-capped peaks of the Andes, arid deserts, and dense Amazonian jungle. Colombian society is equally diverse. Stylish, cosmopolitan cities coexist with poverty in the beautiful countryside. As a result of the 16th-century Spanish conquest, modern Colombia's multiethnic society is a synthesis of Spanish, indigenous, and African traditions—evident in the

music, in the food, and in Barranquilla's famous Carnival. The Colombian people are emerging from decades of crushing civil war and lawlessness with their spirits unbroken. Animated, lighthearted, and ever ready to enjoy the moment, they are looking to the future with hope and are eager to share their rich and beautiful country with the outside world. This pocket-sized book reveals Colombia's key customs and traditions, examines life at home and at work, and introduces some

distinct and delicious culinary quirks. There is also advice on safe travel, vital information on how business is done, and how to communicate effectively across the cultural divide.

### **Hidden Wonders**

#### Material World

Diamond white beaches, countrywide carnivals, and never-ending music: discover why so many have fallen head-over-heels for the Dominican Republic. Inside Moon Dominican Republic you'll find: Flexible itineraries including the best of the
