LEVY HUDSON

Game On! 2018 Little, Brown Books for Young Readers
Drowning in \$20,000 of credit card debt, shopaholic Karyn Bosnak asked strangers for money online -- and it worked! What would you do if you owed \$20,000? Would you: A) not tell your parents? B) start your own website that asked for money without apology? or C) stop coloring your hair, getting pedicures, and buying Gucci? If you were Karyn Bosnak, you'd do all three. Karyn started a funny yet honest website, www.savekaryn.com, on which she asked for donations to help her get out of debt. Karyn received e-mails from people all

over the world, either confessing their own debt-ridden lives, or criticizing hers. But after four months of Internet panhandling and selling her prized possessions on eBay, her debt was gone! In *Save Karyn: One Shopaholic's Journey to Debt and Back*, Karyn details the bumpy road her financial -- and personal -- life has traveled to get her where she is today: happy, grateful, and completely debt-free. In this charming cautionary tale, Karyn chronicles her glamorous rise, her embarrassing fall, and how the kindness of strangers in cyberia really can make a difference. *Look-Alikes Jr.* Scholastic Incorporated Offers information and statistics about all of the hottest games, tips and tricks for gamers, and interviews from gaming's biggest personalities, including game

developers and pro gamers.

Save Karyn Harper Collins

Welcome to Look-Alike Land, where the more you look, the more you see! Like its predecessor, *Look-Alikes Jr.* features 3-D picture puzzles, but this time invites even the youngest child to join in the fun by featuring simpler, easier-to-find look-alikes in childlike settings. There are 11 scenes - house, parlor, kitchen, bedroom, school bus, classroom, construction site, movie lobby, train, farm, and rocket - each with 50+ objects to identify (700+ in total). Look for a cement mixer made out of a mustard bottle, kitchen cabinets made out of cakes of soap, and a bed built with crayons and pasta! Fun for all ages. This best-selling book is back with a brand new series design and a striking new cover.
