Friendship bonds are tested and the very nature of loyalty is questioned in this lyrical novel about a teen whose best friend runs away with her teacher after suffering the effects of too much academic pressure. Perfect for fans of Morgan Matson and Jennifer Niven. Eden McKinley knows she can't count on much in this world, but she can depend on Bonnie, her solid, steady, straight-A best friend. So it's a bit of a surprise when Bonnie runs away with the boyfriend Eden knows nothing about five days before the start of their final exams. Especially when the police arrive on her doorstep and Eden finds out that Bonnie's boyfriend is actually their music teacher, Mr. Cohn. Sworn to secrecy and bound by loyalty, only Eden knows Bonnie's location, and that's the way it has to stay. There's no way she's betraying her best friend. Not even when she's faced with police questioning, suspicious
