You may think you know  
the South for its food, its  
people, its past, and its  
stories, but if there's one  
thing that's certain, it's  
that the region tells far  
more than one tale. It is  
ever-evolving, open to  
interpretation, steeped in  
history and tradition, yet  
defined differently based  
on who you ask. This is  
My South inspires the

reader to explore the  
Southern States--Georgia,  
Kentucky, Louisiana,  
Mississippi, North  
Carolina, South Carolina,  
Tennessee, Virginia--like  
never before. No other  
guide pulls together these  
states into one book in  
quite this way with a fresh  
perspective on can't-miss  
landmarks, off the beaten  
path gems, tours for  
every interest, unique  
places to sleep, and  
classic restaurants. So  
come see for yourself and  
create your own  
experiences along the  
way!

**Public Opinion** Vintage  
WINNER OF THE PULITZER  
PRIZE • NATIONAL  
BESTSELLER • A searing,  
post-apocalyptic novel  
about a father and son's  
fight to survive, this "tale  
of survival and the  
miracle of goodness only  
adds to McCarthy's  
stature as a living master.  
It's gripping, frightening  
and, ultimately, beautiful"  
(San Francisco Chronicle).  
• From the bestselling  
author of *The Passenger* A  
father and his son walk  
alone through burned  
America. Nothing moves  
in the ravaged landscape

save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains,

but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

### **The Pharmaceutical**

**Journal and Pharmacist**  
Rowman & Littlefield  
"Fascinating . . . laugh-aloud funny." - The Los Angeles Times  
In December of 1968, Phyllis Raphael landed in London as the restless wife of a Hollywood movie producer. With their three young children in tow from L.A., she was prepared for a London vacation on MGM's dime while her husband was on the set. Instead - in a maneuver Raphael wasn't expecting - he left her for an eighteen-year-old actress. And in a decision

she never could have predicted, Raphael stayed in London with her kids. Off the King's Road is Raphael's courageous and funny story of being an expatriate let loose in the turbulence of Swinging London in the 1960s. She arrived naive, dependent and dissatisfied, and left several years later as another person entirely: a single mother, a writer, a woman in command - for better or worse - of her own life. Written with seductive elegance, humor and sexual candor, Off the King's Road

speaks to all women of the possibilities of a life transformed by circumstance. "A compelling work that captures an era . . . Raphael's account of the English teetering between ingrained restraint and letting-it-all-hang-out is acute - hilarious and sad. Raphael is a talented writer, and she captures her heightened awareness of post marital-split life with refreshing vigor." - VeryShortList.com "At once a powerful coming-of-age memoir and a vivid study of London in the

Swinging '60s." - Columbia Daily Spectator "What a journey! Raphael cavorts with everyone from tripping poets to Marlon Brando." - Marie Claire "Spirited . . . Eloquent." - East Hampton Star "Stylish" - Publishers Weekly "Savvy . . . Vibrant . . . An elegant memoir of a swinging time" - Kirkus Reviews "Immensely appealing" - Booklist "A delicious book - warm and witty - one that evokes the Swinging Sixties from a point of view rarely heard from." - Vivian Gornick, author of Fierce

Attachments "[It has] acutely observed detail, a tactile immediacy, a cool, appraising eye, and humor. Plus, Swinging London! Phyllis Raphael has bid her memory speak, and we can only listen. It is a pleasure to do so." - David Rakoff, author of *Don't Get Too Comfortable and Fraud* "Her decision to stay in London with her children is the first she's made for herself in a long time and a turning point in this fascinating book. Her weeding through London's poseurs and

hypochondriacs to find a good man is laugh-aloud funny. She emerges a full-fledged single woman." - *The Los Angeles Times* "Every sentence is constructed with enviable grace and economy . . . Rare and evocative." - Haven Kimmel, author of *A Girl Named Zippy* "Tender, hilarious and utterly charming." - Hilma Wolitzer, author of *An Available Man* "A sheer delight." - Lynne Sharon Schwartz, author of *Two-Part Inventions* "Hugely enjoyable, a chronicle of a feverish time as well as a

riveting personal journey." - Molly Haskell, author of *Love and Other Infectious Diseases* "On the money and deliciously deadpan. It is also very, very smart." - Patricia Volk, author of *Shocked: My Mother, Schiaparelli, and Me* "As vivid and engrossing as any novel." - Frances Kiernan, author of *Seeing Mary Plain: A Life of Mary McCarthy* "Wonderful . . . witty, wry and irrepressible." - Elizabeth Kendall, author of *American Daughter: Discovering My Mother* *The Road* Independently

Moriarty is our king  
notebook

**King of the Road** Wipf

and Stock Publishers

An exciting and richly detailed new history of the Silk Road that tells how it became more important as a route for diplomacy than for trade. The King's Road offers a new interpretation of the history of the Silk Road, emphasizing its importance as a diplomatic route, rather than a commercial one. Tracing the arduous journeys of diplomatic

envoys, Xin Wen presents a rich social history of long-distance travel that played out in deserts, post stations, palaces, and polo fields. The book tells the story of the everyday lives of diplomatic travelers on the Silk Road—what they ate and drank, the gifts they carried, and the animals that accompanied them—and how they navigated a complex web of geographic, cultural, and linguistic boundaries. It also describes the risks and dangers envoys faced along the way—from

financial catastrophe to robbery and murder. Using documents unearthed from the famous Dunhuang “library cave” in Western China, The King's Road paints a detailed picture of the intricate network of trans-Eurasian transportation and communication routes that was established between 850 and 1000 CE. By exploring the motivations of the kings who dispatched envoys along the Silk Road and describing the transformative social and economic effects of their

journeys, the book reveals the inner workings of an interstate network distinct from the Sino-centric “tributary” system. In shifting the narrative of the Silk Road from the transport of commodities to the exchange of diplomatic gifts and personnel, The King’s Road puts the history of Eastern Eurasia in a new light.
