NAMED A BEST BOOK OF THE YEAR BY Washington Post • NPR • Financial Times • The Guardian • Booklist • New Statesman • Daily Telegraph • Irish Times • Dallas Morning News • Sunday Times • New York Post "A big, sprawling, ultimately stunning crime tableau." – Janet Maslin, New York Times "You can't ask for more emotionally moving entertainment." – Stephen King "One of the best thriller writers on the planet." – Esquire The explosive, highly anticipated conclusion to the epic Cartel trilogy from the New York Times bestselling author of The Force What do you do when there are no borders? When the lines you thought existed simply vanish? How do you plant your feet to make a stand when you no longer know what side you’re on? The war has come home. For over forty years, Art Keller has been on the front lines of America’s longest conflict: The War on Drugs. His obsession to defeat the world’s most powerful, wealthy, and lethal kingpin?the godfather of the Sinaloa Cartel, Adán Barrera?has left him bloody and scarred, cost him the people he loves, even taken a piece of his soul. Now Keller is elevated to the highest ranks of the DEA, only to find that in destroying one monster he has created thirty more that are wreaking even more chaos and suffering in his beloved Mexico. But not just there. Barrera’s final legacy is the heroin epidemic scourging America. Throwing himself into the gap to stem the deadly flow, Keller finds himself surrounded by enemies?men who want to kill him, politicians who want to destroy him, and worse, the unimaginable?an incoming administration that’s in bed with the very drug traffickers that Keller is trying to bring down. Art Keller is at war with not only the cartels, but with his own government. And the long fight has taught him more than he ever imagined. Now, he learns the final lesson?there are no borders. In a story that moves from deserts of Mexico to Wall Street, from the slums of Guatemala to the marbled corridors of Washington, D.C., Winslow follows a new generation of narcos, the cops who fight them, street traffickers, addicts, politicians, money-launders, real-estate moguls, and mere children fleeing the violence for the chance of a life in a new country. A shattering tale of vengeance, violence, corruption and justice, this last novel in Don Winslow’s magnificent, award-winning, internationally bestselling trilogy is packed with unforgettable, drawn-from-the-headlines scenes. Shocking in its brutality, raw in its humanity, The Border is an unflinching portrait of modern America, a story of—and for—our time.</div> <div>Living Beyond Borders Duke University Press</div> <div>Every day, 40,000 commuters cross the U.S. Mexico border at Tijuana San Diego to go to work. Untold numbers cross illegally. Since NAFTA was signed into law, the border has become a greater obstacle for people moving between countries. Transnational powers have exerted greater control over the flow of goods, services, information, and people. Mexican Voices of the Border Region examines the flow of people, commercial traffic, and the development of relationships across this border. Through first-person narratives, Laura Velasco Ortiz and Oscar F. Contreras show that since NAFTA, Tijuana has become a dynamic and significant place for both nations in terms of jobs and residents. The authors emphasize that the border itself has different meanings whether one crosses it frequently or not at all. The interviews probe into matters of race, class, gender, ethnicity, place, violence, and political economy as well as the individual's sense of agency.</div> <div><i>Teaching Gloria E. Anzaldúa</i> Oxford University Press, USA</div> <div>Weisman and Dusard bring alive the people and geography of the U.S.-Mexican border, as well as the issues that divide each nation. 48 black-and-white photographs.</div> <div>My Two Border Towns Rutgers University Press</div> <div>_____ A DRAMATIC FICTIONAL PORTRAIT OF THE US-MEXICO BORDER, MIGRATION, AND ITS IMPACT ON PEOPLE'S LIVES</div> <div>_____ Through this network of nine personal stories, Carlos Fuentes sets out to explain Mexico and America to each other – and to the rest of the world. He presents a dramatic fictional portrait of the relationship between the United States and Mexico, as played out in a Mexican dynasty led by a powerful Mexican oligarch with complex ties north of the border. It is the story of Mexican families who send their sons north to provide for whole villages with dollars and of Mexican tycoons who exploit their own people. Young Jose Francisco grows up in Texas, determined to write about the border world – the immigrants and illegals, Mexican poverty and Yankee prosperity – stories to break the stand-off silence with a victory shout, to shatter at last the crystal frontier.</div> <div>The Line Becomes a River Houghton Mifflin Harcourt</div> <div>A Land of Hard Edges: Serving the Front Lines of the Border is a series of true stories and personal reflections by Peg Bowden, a retired nurse, who volunteers at a migrant shelter on the Mexico border. The author lives in the Arizona borderlands, a sort of third country, with one foot in Mexico and the other in the United States. She joins a group called the Samaritans, traveling weekly to a shelter known as el comedor, providing clothing, medical supplies and counsel to migrants seeking the American Dream. Investigating why thousands of people are willing to risk their lives crossing the Sonoran Desert into the U.S. where they are despised by so many, Peg begins to understand the complexities of human migration. She reflects on the power of love and family that drives people into the treacherous landscapes of southern Arizona.</div> <div>Pati's Mexican Table U of Minnesota Press</div>

Hear My Voice/Escucha mi voz University of Arizona Press

In 1721, Spain established a fort and mission on the Texas-Louisiana border, or frontera, to stem the tide of people and goods flowing back and forth between northern New Spain and French Louisiana. Named in part after the indigenous Adai people, the complex of the presidio (Nuestra Señora del Pilar de los Adaes) and the mission (San Miguel de Cuellar de los Adaes) became collectively known as Los Adaes. It was the capital of Tejas for New Spain. In the first book devoted to Los Adaes, historian Francis X. Galan traces the roots of the current US-Mexico border to the colonial history of this all but forgotten Spanish fort and mission. He demonstrates that, despite efforts to the contrary, Spain could neither fully block the penetration of smuggled goods and settlers into Texas from Louisiana nor could it successfully convert the Native Americans to Christianity and the Spanish economic system. In the aftermath of the transfer of Louisiana from France to Spain in 1762, Spain chose to shutter the fort and mission. The settlers, or Adasesños, were forced to march to San Antonio in 1773. Some returned to East Texas soon after to establish Nacogdoches. Others remained in San Antonio, the new capital of Spanish Texas, and settled on lands distributed from the secularized Mission San Antonio de Valero, a mission now widely known as the Alamo. Los Adaes, the First Capital of Spanish Texas makes a major contribution to Texas history by providing a richer perspective on the shifting borders of colonial powers.

Amphibians and Reptiles of the US-Mexico Border States/Anfibios y reptiles de los estados de la frontera México-Estados Unidos Cambridge University Press

The Testimony of Children A moving picture book for older children and families that introduces a difficult topic, amplifying the voices and experiences of immigrant children detained at the border between Mexico and the US. The children's actual words (from publicly available court documents) are assembled to tell one heartbreaking story, in both English and Spanish (back to back). Each spread is illustrated in striking full-color by a different Latinx artist. A portion of sales will be donated to human rights organizations that work with children on the border.

Cultura al otro lado de la frontera National Geographic Books

Presents a collection of recipes which use simple methods and everyday ingredients to make Mexican dishes suitable for family meals and holiday celebrations.

Dreamers Penguin

Drawing on two summers spent with the kids who live in drainage tunnels connecting Nogales, Sonora and Nogales, Arizona, the authors present a verbal and pictorial portrait of the displaced and sometimes heroic young people whose stories add a human dimension to the world of the U.S.-Mexico border.

Caramelo Texas A&M University Press

Why Walls Won't Work is a sweeping account of life along the United States-Mexico border zone, tracing the border's history of cultural interaction since the earliest Mesoamerican times to the present day. As soon as Mexicans, American settlers, and indigenous peoples came into contact along the Rio Grande in the mid-nineteenth century, new forms of interaction and affiliation evolved. By the late-twentieth century, the border states were among the fastest-growing regions in both countries. But as Michael Dear warns, this vibrant zone of economic, cultural and social connectivity is today threatened by highly restrictive American immigration and security policies as well as violence along the border. The U.S. border-industrial complex and the emerging Mexican narco-state are undermining the very existence of the "third nation" occupying the space between Mexico and the U.S. Through a series of evocative portraits of contemporary border communities, Dear reveals how the promise and potential of this "in-between" nation still endures and is worth protecting. Now with a new chapter updating this story and suggesting what should be done about the challenges confronting the cross-border zone, *Why Walls Won't Work* represents a major intellectual intervention into one of the most hotly-contested political issues of our era.

Breaking Through HarperCollins

Una novela basada en hechos reales que retrata con intensidad la vida en la frontera norte del país, ese otro México dentro de México que vive al filo de la navaja y en el que la línea que separa la legalidad de la ilegalidad es tan porosa como aquella que divide a un país del otro. Carolina es una joven atractiva de Ciudad Juárez. La vida parece sonreírle: el negocio familiar es próspero, sus hermanos mayores la adoran y protegen, y, a su corta edad, comienza a ser el objeto de atracción de todas las miradas masculinas juarenses -y esto, claramente, no le molesta-. Mientras la vida en la

ciudad se ve trastocada por la violencia, el narcotráfico y la corrupción, Carolina parece habitar una realidad paralela, entre la candidez y el cinismo. Vicente es un periodista que comienza su carrera en un diario de la capital del país. Gracias a su dedicación y su valor para exhibir a funcionarios públicos, es asignado a una misión importante: cubrir la guerra contra el narcotráfico, del presidente Enrique Calderón Nieto, en el norte del país. Al poco tiempo de iniciar su investigación, descubre que el asunto es mucho más grave que una sangrienta disputa entre bandas rivales de criminales y que la red de complicidades y corrupción alcanza al procurador de justicia y al gobernador del estado. Qué pasará cuando los caminos de estos dos personajes -Carolina Vicente- se crucen? Mezcla magistral de thriller político y novela costumbrista, Tu cabello es la frontera es el retrato fiel de la descomposición política de un país y, al mismo tiempo, el retrato entrañable del día a día de millones de mexicanos que viven, en todos los sentidos, sobre la raya. ENGLISH DESCRIPTION A novel based on true events that intensely depicts life on the country's northern border, this other Mexico inside of Mexico that lives on a razor's edge and in which the line that separates legality from illegality is as porous as the one that divides one country from the other. Carolina is an attractive young woman from Ciudad Juarez. Life seems to smile at her: the family business is prosperous, her older brothers adore and protect her, and at her young age, she's beginning to become the object that attracts all the masculine stares in Juarez—and this clearly doesn't bother her. While life in the city is disrupted by violence, drug cartels, and corruption, Carolina seems to live in a parallel reality, between candor and cynicism. Vicente is a reporter that begins his career at a newspaper in the country's capital. Thanks to his dedication and bravery for exposing public officials, he's assigned to an important missions: covering the president's, Enrique Calderón Nieto's, war on drugs in the northern part of the country. A short time after beginning his investigation, he discovers that the issue is a lot graver than just a bloody dispute between rival bands of criminals and that the web of complicity and corruption reaches the district attorney and the governor of the state. What will happen when the paths of these two characters—Carolina and Vicente—cross? A master of mixing a political thriller and a comedy of errors, *Your Hair Is The Border*, is a faithful portrait of the political decomposition of a country, and at the same time, a touching portrait of the day-to-day life of millions of Mexicans who live, in every sense, right on the line.

The Crystal Frontier Holiday House

NAMED A TOP 10 BOOK OF 2018 BY NPR and THE WASHINGTON POST WINNER OF THE LOS ANGELES TIMES BOOK PRIZE IN CURRENT INTEREST FINALIST FOR THE NATIONAL BOOK CRITICS CIRCLE NONFICTION AWARD The instant New York Times bestseller, "A must-read for anyone who thinks 'build a wall' is the answer to anything." --Esquire For Francisco Cantú, the border is in the blood: his mother, a park ranger and daughter of a Mexican immigrant, raised him in the scrublands of the Southwest. Driven to understand the hard realities of the landscape he loves, Cantú joins the Border Patrol. He and his partners learn to track other humans under blistering sun and through frigid nights. They haul in the dead and deliver to detention those they find alive. Plagued by a growing awareness of his complicity in a dehumanizing enterprise, he abandons the Patrol for civilian life. But when an immigrant friend travels to Mexico to visit his dying mother and does not return, Cantú discovers that the border has migrated with him, and now he must know the full extent of the violence it wreaks, on both sides of the line.

Why Walls Won't Work A&C Black

Born in the Rio Grande Valley of south Texas, independent scholar and creative writer Gloria Anzaldúa was an internationally acclaimed cultural theorist. As the author of *Borderlands / La Frontera: The New Mestiza*, Anzaldúa played a major role in shaping contemporary Chicano/a and lesbian/queer theories and identities. As an editor of three anthologies, including the groundbreaking *This Bridge Called My Back: Writings by Radical Women of Color*, she played an equally vital role in developing an inclusionary, multicultural feminist movement. A versatile author, Anzaldúa published poetry, theoretical essays, short stories, autobiographical narratives, interviews, and children's books. Her work, which has been included in more than 100 anthologies to date, has helped to transform academic fields including American, Chicano/a, composition, ethnic, literary, and women's studies. This reader—which provides a representative sample of the poetry, prose, fiction, and experimental autobiographical writing that Anzaldúa produced during her thirty-year career—demonstrates the breadth and philosophical depth of her work. While the reader contains much of Anzaldúa's published writing (including several pieces now out of print), more than half the material has never before been published. This newly available work offers fresh insights into crucial aspects of Anzaldúa's life and career, including her upbringing, education, teaching experiences, writing practice and aesthetics, lifelong health struggles, and interest in visual art, as well as her theories of disability, multiculturalism, pedagogy, and spiritual activism. The pieces are arranged chronologically; each one is preceded by a brief introduction. The collection includes a glossary of Anzaldúa's key terms and concepts, a timeline of her life, primary and secondary bibliographies, and a detailed index.

Beyond la Frontera University of Texas Press

Artist book that will be part of the exhibition of Lawrence Weiner "South of the Border" at Fundación Casa Wabi 2020.
