Upon her arrival in Tirana, Albania, in April 1994, the author found a city unlike any other she had experienced. Rotting trash was piled in the center of the streets, animals shared the rutted roads with cars, and housing, when it could be found, was crowded and crumbling. But she found a people full of optimism, particularly the women. Despite the subservient role forced by tradition on nearly all Albanian women, they have increasingly become the foundation upon which the country exists. Not only are they responsible for caring for extended households, these women are now also becoming vital parts of the country's economy. Most importantly, however, they maintain a faith in Albania that belies the country's turbulent past and widely predicted future. Through interviews with over 200 Albanian women, this work is an insightful, often poignant, look at a country that remains a mystery to most in the West.

1001 Net (Botimi Shqip, Albanian Edition) John Wiley & Sons The tender plant of Albanian literature grew in a rocky soil. It was late to evolve and its development, indeed its very existence, was threatened in many periods. "Albanian Literature: A Short History" tells the story of the survival and growth of Albanian creative writing beginning with the earliest thirteenth century texts of Theodor of Shkodra, tracing the development of the modern literature of Buzuku, Budi and Bogdani, the incorporation of the Muslim influences of Frakulla and Kycyku and continuing with the works of Cajupi and Kadare during the reign of King Zog and the Hoxha administration. A unique book that illuminates an under-researched subject, "Albanian Literature" is an essential reference guide for all those interested in Balkan cultures, in comparative literature and in European cultural history in general.

In the Balkan Peninsula, history's long-disputed bridge between Asia and Europe, the receding Byzantine empire has left behind a patchwork of warring peoples who fight over everything, from their pastures of sheep to the authorship of their countless legends. One such gruesome tale declares that a castle under construction cannot be finished until a young mason's bride has been walled up alive, one breast left exposed to suckle her growing infant even after her death. Myth becomes perverse reality when a mason is plastered into a bridge over a strategically important river, where his will not be the last human sacrifice.

The Complete Book of Plant Propagation Walter de Gruyter "THE CODE OF LEKE DUKAGJINI is a great cultural treasure, comparable to the chapters of The Old Testament." "It provides deep insights into the ancient society of the Albanians, their somber dignity & their magnificent sense of honor."--David Binder, The New York Times. "This legal system was established & passed on to future generations as a common law by Leke Dukagjini, a co-fighter of the legendary Skenderbeg." "The 'Besa' or the 'word of honor' as stated in THE CODE OF LEKE DUKAGJINI which means peace & protection to those whom it is given, has become today an important fighting tool in the political struggle of Kosovo's Albanians against Serb oppression."--Victor Meier, The Frankfurter Allgemeine Zeitung. "The legal Code of the Albanians known by them for a thousand years, is one of the most original in

the history of mankind. Among the basic pillars of this code are the equality of men before the code & the non-abuse of justice."

"The entire essence of the legal code of the Albanians is an unparalleled rigorous respect for this basic principle: non-violation of the dignity of a man- his honor, home, & life."--Ismail Kadare, Albanian writer.

Masterful in its simplicity, Chronicle in Stone is a touching coming-of-age story and a testament to the perseverance of the human spirit. Surrounded by the magic of beautiful women and literature, a boy must endure the deprivations of war as he suffers the hardships of growing up. His sleepy country has just thrown off centuries of tyranny, but new waves of domination inundate his city. Through the boy's eyes, we see the terrors of World War II as he witnesses fascist invasions, allied bombings, partisan infighting, and the many faces of human cruelty—as well as the simple pleasures of life. Evacuating to the countryside, he expects to find an ideal world full of extraordinary things, but discovers instead an archaic backwater where a severed arm becomes a talisman and deflowered girls mysteriously vanish. Woven between the chapters of the boy's story are tantalizing fragments of the city's history. As the devastation mounts, the fragments lose coherence, and we perceive firsthand how the violence of war destroys more than just buildings and bridges.

'That which puzzled and fascinated me whenever I met Lasgush was this sensation of the impossible. It was impossible to get on with him as you did with others. The moment you were at him, or rather, the moment you knocked at his door, suddenly all became another thing. There was another logic, another code, other words, wrapped up in another meaning. .when you went to Lasgush's, it was more than going abroad. You believed you dropped somewhere beyond our time, beyond the everyday way of looking at things. One more step and it looked as if you would cross the borders of life and would find yourself in Dante's nothingness. .He was unpredictable, corrosive like acid, creepy, startling. His laugh was like as if beyond our life, mirthless, and his sadness had no grief. As for his anger, it was such as well, luxurious, cold, whereas his contempt was radiating from afar, as if adorned with silver.' (Kadare, In My Studio. pp 207, 208, 209. My translation) -All this Saussurean lava of meaning has its own matchless 'crater' from where it erupts and reaches us time and again, endlessly. Lasgush's Word has its own individual suspension, chiselled by the hand of a true master. It is breathlessly succinct and, in all probability, on a par with the best ever created. Lasgush says that his Word is: 'Mystery that burns in a thread of lightning.' (My Fiery Tongue)

BAUDOLINO gravita em torno dos prazeres da corte de Federico Hohenstaufen, conhecido como Barbarossa, à época da Terceira Cruzada. A história engloba justamente o período entre 1152 e 1204, começando com a ascensão de Barbarossa ao trono e terminando com a conquista de Constantinópla pela temida ordem dos cavaleiros templários. A trama é protagonizada por Baudolino - adolescente, criativo e mentiroso que dá título à obra - e Niceta Coniate, personagem inspirado em um historiador e orador que viveu na corte de Constantinópla. A narrativa retrocede, enquanto Baudolino conta a Niceta suas aventuras e desventuras, numa mistura de fantasia e realidade, História e faz-de-conta. Tudo isso temperado por inúmeras situações cômicas. No intervalo, Eco embaralha os seus personagens inventados e produz o mais recorrente efeito de seu texto: interferir em acontecimentos históricos conhecidos por meio de atos ou circunstâncias vividas pelos personagens fictícios.
