This book is the first collection of scholarly essays to treat the topic of antisemitism in Canada, a complete history of which has yet to be written. Eleven leading thinkers in the field examine antisemitism in Canada, from the colonial era to the present day, in essays which reflect the saga of the nation itself. The history of the Jewish community, its struggles and its fortunes is mirrored in the wider history of Canada, from Confederation to the present. The contributors cast light on Canadian antisemitism through a thorough examination of old and new tensions, including Anglo-French, east-west and Jewish-Ukrainian relations. Attitudes to Jews in pre-Confederation Canada, French Canada from Confederation to World War I as well as the interwar years, and in twentieth-century Ontario and Alberta from 1880-1950 are illustrated in various chapters. Of particular interest are the examinations of such well-known figures as Goldwin Smith, the greatly admired liberal historian of Victorian Canada, Adrien Arcand, the would-be Führer from Quebec, and James Keegstra and Ernst Züdel, of more recent notoriety. Analyses are also provided of Nazism and Canadian Protestantism and Jewish-Ukrainian relations since World War II. This is a complex and contentious subject; yet, to understand the ideas and forces that have sought to undermine the Jewish presence in Canada is to understand the dangers that threaten any democratic society, and thereby to guard against them. This compelling collection of essays offers intelligent, readable accounts of an area of Canadian history about which we know too little.

La restauration de la création se propose d’examiner le statut des animaux dans la pensée chrétienne ancienne et médiévale selon une perspective eschatologique, centrée sur la question du salut des animaux dans le projet divin. La restauration de la création aims to examine the status of animals in ancient and medieval Christian thought following an eschatological perspective, that is, focusing on the question of the salvation of animals according to the divine plan.

**Le Chemin du Mont-Saint-Michel** Hunter Publishing, Inc

Le Mont-Saint-Michel : lieu de rassemblement et de départ des jacquets, lieu d'arrivée des miquelots. Le Mont, avec Compostelle, est l'un des sanctuaires majeurs de pèlerinage en Europe. L'archange et l'apôtre. La Manche et l'Atlantique, la baie d'entre Normandie et Bretagne et le

lointain cap de Galice. Ce guide propose aux pèlerins, aux marcheurs en quête d'espace et d'intériorité, un parcours de cinq cents kilomètres partant du Mont-Saint-Michel, vers le sud, jusqu'à Saint Jean-d'Angély où s'opère la jonction avec le chemin vers Saint Jacques venant de Tours (et de Paris). Passant par Rennes, Blain, Nantes, Montaigu, Maillezais, Surgères, ce chemin complète le grand arc atlantique, d'une mer à l'autre, de l'abbaye en plein ciel à la porte du Paradis. Très prosaïquement, ce guide décrit avec soin les dix-neuf étapes allant des rives du Couesnon à celles de la Boutonne, de la "merveille de l'Occident" aux remarquables vestiges de l'abbaye royale. (À noter que ce chemin peut être effectué en sens inverse, de Clisson au Mont, étant balisé dans les deux sens sur cette partie.) Entre l'infini de la quête et l'ici et maintenant de la marche, ouvrir ce guide, c'est déjà partir sur le chemin des étoiles...

The Directory of Museums & Living Displays Springer

Le guide de voyage le plus complet sur le Québec avec des descriptions de plus de 1000 attractions dans chaque région, classé par étoiles pour repérer les incontournables en un coup d'œil. Retour sur l'histoire et la culture du Québec. Des suggestions pour plus de 1000 endroits où manger, dormir, faire du shopping et vivre, quel que soit le budget. Des plaques de couleurs saisissantes qui donnent vie aux paysages. Comprend 80 cartes et plans de la ville. Une balade dans les rues animées de Montréal ou de Québec? Une escapade dans les Laurentides, dans la région de Charlevoix ou autour de l’Île d’Orléans? Une aventure en Gaspésie ou au Saguenay? Que diriez-vous d'une expédition à l’Île d’Anticosti ou dans le Nord du Québec? Où que vous alliez au Québec, ce guide Ulysse Voyage est un compagnon de voyage dont vous ne voudrez plus vous passer pour vos prochaines vacances à la Québécoise!

L'Anjou, fief des Plantagenêt, est une très ancienne terre de passage de pèlerins vers le Mont-Saint-Michel, et aussi de fidèles en provenance du Mont et sien allant vers Compostelle. S'y superposent aujourd'hui les chemins de ce guide: au départ du Mont pour s'en aller rejoindre le Chemin de Tours près d'Aulnay (et plus tard Saint-Jacques); au départ d'Angers pour s'en aller vers l'Archange. En croisant Fougères, Vitré, Segré, Angers bien évidemment. Plus au sud. pour les pèlerins décidés à filer vers la Galice: Thouars, Parthenay, Niort. En tout: vingt-deux étapes pour entreprendre le chemin vers Compostelle, neuf pour aller de la Maine au Mont (balisage de l'itinéraire présent dans les deux sens). Miquelots et jacquets! Les marcheurs d'aujourd'hui ont à l'évidence des motivations plus complexes qu'il y a treize siècles, lors de la fondation du Mont. Dévotion, certes. nais aussi curiosité culturelle, doutes de Pâme et brouillages de l'esprit, quand ce n'est pas un petit rendez-vous avec l'aventure... Dévidant distances et histoire, patrimoine et hébergements, ce guide s'adresse aux marcheurs du XXIe siècle, saisis entre deux lieux majeurs de pèlerinage.

This practical guide covers all of Qubec, with a special section that examines its various Aboriginal communities, distinct architecture and unique linguistic expressions. Maps. Illustrations.

Notice historique du Mont-St.-Michel et de Tombelaine Penguin

This first paperback facsimile of the classic 1913 edition includes thirteen photographs and numerous illustrations of the great cathedrals of Northern France. Henry Adams referred to this book as "A Study of Thirteenth-Century Unity," and its expansive scope, together with the author's deep understanding of the period, makes it a classic in art history as well as in American literature. He wrote, "I wanted to show the intensity of the vital energy of a given time, and of course that intensity had to be stated in its two highest terms-religion and art." Henry Adams' record of his journeys through France, searching for images of unity in an age of conflict, is accompanied by observations on literature, politics, religion, and maior church leaders such as Abelard, St. Francis of Assisi, and St. Thomas Aquinas.

*Bulletin de la Société Académique de Laon* Hunter Publishing, Inc

Sacred Journeys in the Counter-Reformation examines long-distance pilgrimages to ancient, international shrines in northwestern Europe in the two centuries after Luther. In this region in the sixteenth and seventeenth centuries, saints’ cults and pilgrimage were frequently contested, more so than in the Mediterranean world. France, the Low Countries and the British Isles were places of disputation and hostility between Protestant and Catholic; sacred landscapes and journeys came under attack and in some regions, were outlawed by the state. Taking as case studies hugely popular medieval shrines such as Compostela, the Mont Saint-Michel and Lough Derg, the impact of Protestant criticism and Catholic revival on shrines, pilgrims’ motives and experiences is examined through life writings, devotional works and institutional records. The central focus is that of agency in religious change: what drove spiritual reform and what were its consequences for the ‘ordinary’ Catholic? This is explored through concepts of the religious self, holy materiality, and sacred space.
