This is a book about discovering what we really need. There are a lot of second-best options,

but we weren't made to live a second-best life. Finding what we actually need is different than what we are often offered. There are many books full of opinions, steps and programs. This isn't one of them. This is about craving the things that matter. Things that don't just work, but last. In a life that may seem to be all fun and games with an endless supply of balloons, author Maria Goff shows how this life is also lived with intentionality, passionate purpose, and a little

planning—all of which make a life rich in legacy. But she had to figure out the help she needed first in order to live the beautiful life God wanted for her and wants for us. *Love Lives Here* is a collection of stories that include the ways Maria and her husband, Bob, navigated family their way, without clear instructions or a road map. It's about what they learned to make their lives meaningful and whimsical and how they created a space for their family to grow together

while they reached outward. "What a gift to read *Love Lives Here* and find within it a friend who is as authentic and inviting as Maria Goff. Through her earnest telling of the stories of her life, she provides greater meaning to all our lives. We were thrilled to read this book." Donald Miller (bestselling author of *Blue Like Jazz* and *Scary Close*) with Betsy Miller "Grace is a contagious force we all crave and Maria contains so much grace it floods you from just a short time with her. May these pages

overwhelm you with God's love, and hope that Maria knows so well." Jennie Allen, Founder of IF: Gathering and Author of Nothing to Prove More Than a Carpenter HarperCollins Leadership Shame lies to us, robs us of the freedom we long for, and shackles us in the prison of our past. To the feelings of shame in our lives, author and teacher Christine Caine has something urgent to say: shame has no place in the purpose, plan, and destiny God has for you. Do you ever struggle with the

fear that you are not enough? Are you ever afraid to let your true self be seen and known? Are you often trying to gain approval? Do you want to break the power of shame in your life? In this five-session video Bible study (DVD/digital video sold separately), Caine shows how God heals us and redeems us by weaving examples from her life with those of women and men from the Bible who failed but ultimately overcame their shame. In her passionate style, Christine Caine wants to

show you a way out of shame by helping you rediscover the power of God to overcome our mistakes, our inadequacies, our pasts, our limitations...to make way for us to discover our unique purpose and powerful destiny. Sessions include: Run, Don't Hide - Identifying the types of shame and laying open the effects and sources of shame. Today Is the Day - How do we actually begin the process of recovering from shame? Posses Your Inheritance - Opening our eyes to the very real and

present power Jesus Christ has over shame. What God wants us to experience instead and how. God Never Wastes a Hurt – How God uses our wounds for our good and how we can learn to see it his way. Highly Unlikely – The enemy's tactics vs. God's methods. How looking at the stories of those in the Bible provide a way forward for us today. God has already won the victory over sin and shame, and we do not need to spend our lives believing lies. Instead, we can be defined by God's

truth and choose to see ourselves the way God does--through the lens of his eternal perspective. So join the journey. You can live unashamed! Designed for use with the Unashamed Video Study 9780310698735 (sold separately). Te Ruanuku HarperCollins God is bigger than your current story. Bigger than fear or shame or that voice in your head that whispers that you are not enough, too broken, or too flawed. Join Him in a closer relationship--one rooted in truth and

Unshakeable. In this daily devotional Christine Caine encourages you to find confidence to live as the person God created you to be. Unshakeable is a great 365-day devotional, if you want to: Learn from inspiring personal stories and powerful scripture that will equip you to live boldly and courageously Discover how to fully trust our faithful God Be inspired to activate living your life on mission Everything in our world that can be shaken will be shaken. And yet, the Bible assures us it doesn't

matter what happens politically, morally, socially, or economically in the world around us if we have Christ in us--if we have the kingdom of God within us--because His kingdom is Unshakeable.

What if we stopped placing our confidence in the things of this world—and instead put our trust in the only one who is truly trustworthy? As you begin to apply each chapter's material, you'll discover the true

meaning of confidence, the difference between negative fear and positive fear, and how to turn the Enemy's tool of fear on its head with strong confidence. Be honest: Who among us isn't plagued with fears, insecurities, and self-doubt? Popular wisdom says the solution is to simply believe more strongly in ourselves. But award-winning author and speaker Mary A. Kassian explains that the way to combat fear is with more fear—fear of a different kind. In this follow-up to

her popular book *The Right Kind of Strong*, Kassian again draws on her vast biblical knowledge to show us a better way to navigate life. She compares the Bible's definition of confidence with the world's well-worn self-help formulas and sets us on the right path. Whether you're seeking more confidence or already feeling full of it, when you lean into a source of confidence that is unchanging, firm, and trustworthy, you'll become more like the

bold, courageous woman  
 God created you to be. "In  
 the fear of the Lord one  
 has strong confidence."

 Adventures Await When You Overcome Fear This is the story of a normal family of five living a very unusual life. The Medearis family has faced Middle Eastern prisons, death threats, being kicked out of a country two times, and war. It hasn't always been easy, but in the midst of it all, the invitation of Jesus to

follow and not be afraid has won the day. But this is more than just their story. It's also a guide to help you step out in bold faith. Whether the call of Jesus for you means international intrigue, giving up all you have for the poor, or simply being the suburban neighbor you were always meant to be, it's time to begin your own adventure! To live a life where fear takes a backseat and God takes the wheel. In the end, of course, there are no promises of an easy life or a path free of troubles.

But enormous blessings await those who walk in faith. It's time to go where Jesus is calling and do what God is doing. Don't put off the adventure he's been saving just for you. "Reading Adventures in Saying Yes is so much fun you don't realize at first how profound it is. . . . In an era when people, races, religions, and countries are being torn apart by fear, this call to move past fear and follow Jesus into caring connections is essential reading."--Lynne Hybels, Advocate for Global

Engagement, Willow Creek Community Church "You'll cry. You'll laugh. You'll shake your head in disbelief. But most of all, you'll never be the same after this book. It will inspire and ignite you to go beyond planning and start saying yes to Jesus' nonstop invitations to join him in what he's already up to in the world."-- Leonard Sweet, bestselling author, professor (Drew University, George Fox University, Tabor College), and chief contributor to sermons.com "We are all

looking for ways to be inspired and challenged in our life with Jesus. Carl's stories don't just entertain you. They call you to live courageously in the face of your fears."--Jay Pathak, Senior Pastor, Mile High Vineyard Church, and coauthor of The Art of Neighboring "Carl Medearis gives us a rare look into the utterly vulnerable, harrowing, uplifting, and often witty adventures of one who has dared to say yes in the face of fear for the sake of the good news. What's most amazing

about this book is that it all actually happened. . . . Brilliant. Simply brilliant."--Ted Dekker, New York Times bestselling author "The gospel of Jesus is not about security and segregation. . . . Adventures in Saying Yes is a compelling call to embody the risky faith and radical hospitality of Jesus!"--Brian Zahnd, Pastor of Word, Life Church (St. Joseph, MO), and author of *A Farewell to Mars* "This book will press you toward a closer walk, a deeper love, and an undaunted life of

following Jesus. Carl disarms the reader with his warm and engaging style, yet delivers deep biblical truth about what it means to be a fearless disciple. As a Lebanese immigrant to the States, I can promise you that Carl clearly understands the culture and made me yearn for home. I was deeply moved by what God will do through us when we simply say yes."--Lina Abujamra, MD, pediatric ER doctor and author of *Stripped* "Even if you don't like biographical books by missionaries,

you are going to love this one. It's so much more than the story of a family learning how to live gracefully among Muslims. This is a text on overcoming fear, learning how to trust strangers, and allowing God to guide all you do."--Tony Campolo, PhD, Eastern University "Written with real-life integrity and humor, this story explodes with invitations--to risk, to trust, to imagine, to open, to more . . ."--Wm. Paul Young, author of *The Shack* *The Price of Civilization*

Go deep into SEAL Team SIX, straight to the heart of one of its most legendary operators. When Navy SEAL Adam Brown woke up on March 17, 2010, he didn't know he would die that night in the Hindu Kush Mountains of Afghanistan—but he was ready. In a letter to his children, not meant to be seen unless the worst happened, he wrote, "I'm not afraid of anything that might happen to me on this earth, because I know no matter what, nothing can take my spirit from

me." Fearless is the story of a man of extremes, whose courage and determination were fueled by faith, family, and the love of a woman. It's about a man who waged a war against his own worst impulses, including drug addiction, and persevered to reach the top tier of the U.S. military. In a deeply personal and absorbing chronicle, Fearless reveals a glimpse inside the SEAL Team SIX brotherhood, and presents an indelible portrait of a highly trained warrior whose final act of bravery led to the

ultimate sacrifice. Adam Brown was a devoted man who was an unlikely hero but a true warrior, described by all who knew him as...fearless. "As a rule, we don't endorse books or movies or anything regarding the command where I work—and Adam Brown worked—but as the author writes in Fearless, 'you have to know the rules, so you know when to bend or break them.' This is one of those times. Read this book. Period. It succeeds where all the others have failed." —SEAL Team SIX

For the first time, Jeffrey Sachs, the pre-eminent economist of our times, turns his attention to his homeland, the United States, to reveal the stunning inadequacy of American-style capitalism and to offer a bold and ambitious plan to change it. Jeffrey Sachs has visited more than a hundred countries on five continents, invited to help diagnose and cure seemingly intractable economic problems. Now,

in the wake of the worst recession in recent history, Sachs turns his focus on the United States. The complexity of the world economy means that the American form of capitalism, which has been exported around the globe, brought the world to the brink of the precipice--and it will do so again, if measures aren't taken to fix it. This will require not only government action but for US citizens to reach a consensus on their government's role in everyday life and on their

basic values--hugely controversial issues in recent years. The scary thing is if they don't, it will affect us all. The good news is that Sachs, in this book, clearly and persuasively leads his readers to an understanding of what the common ground of reform can and should--indeed, must--be.

**Undaunted** Zondervan "Anthem" is a novel by the brilliant American writer Ayn Rand. Born and

educated in Russia, Rand emigrated to the United States in 1926. Having anticipated the dangers of communism, Rand developed a philosophical system she called objectivism. According to her system, as opposed to communist collectivism, human individuality, freedom, and talent are proclaimed the biggest good. In "Anthem," Rand describes a dystopian society where the concept of individuality is eliminated. The novel tells about the young man known as Equality 7-2521,

who rebels by doing secret scientific research, which the government forbade. When his activity is discovered, he flees into the wilderness with the girl he loves. Together they plan to establish a new society based on rediscovered individualism.

The epic story of war and medicine from the award-winning author of *North Woods* and *The Piano Tuner* is "a dream of a novel...part mystery, part war story, part romance" (Anthony Doerr, author of *All the Light We Cannot See*). Vienna, 1914. Lucius is a twenty-two-year-old medical student when World War I explodes across Europe. Enraptured by romantic tales of battlefield surgery, he enlists, expecting a position at a well-organized field hospital.

But when he arrives, at a commandeered church tucked away high in a remote valley of the Carpathian Mountains, he finds a freezing outpost ravaged by typhus. The other doctors have fled, and only a single, mysterious nurse named Sister Margarete remains. But Lucius has never lifted a surgeon's scalpel. And as the war rages across the winter landscape, he finds himself falling in love with the woman from whom he must learn a brutal, makeshift medicine. Then one day,

an unconscious soldier is brought in from the snow, his uniform stuffed with strange drawings. He seems beyond rescue, until Lucius makes a fateful decision that will change the lives of doctor, patient, and nurse forever. From the gilded ballrooms of Imperial Vienna to the frozen forests of the Eastern Front; from hardscrabble operating rooms to battlefields thundering with Cossack cavalry, *The Winter Soldier* is the story of war and medicine, of family, of finding love in

the sweeping tides of history, and finally, of the mistakes we make, and the precious opportunities to atone. "The Winter Soldier brims with improbable narrative pleasures...These pages crackle with excitement... A spectacular success."
