A searing novel, told in

letter form, that explores the South African legacy of apartheid through the lens of a woman whose Black son has just murdered a white woman. *Mother to Mother* is a novel with depth, at once an emotional plea for compassion and understanding, and a sharp look at the impacts of colonialism and apartheid on South African families. Inspired by the true story of Fulbright scholar Amy Biehl's murder, the book takes the form of a letter to the victim's mother. The murderer's mother, Mandisa, speaks of a life marked by oppression and injustice. Through her writing, Mandisa reveals a colonized society that not only allowed but

perpetuated violence against women and impoverished Black South Africans under the reign of apartheid. This book is not an apology for the murder but rather something more. It seeks to connect, through empathy and storytelling, one pained mother with another who is grief-stricken and in mourning. A beautifully written exploration of the society that bred such violence, *Mother to Mother* will resonate with readers interested in understanding and ending racial injustice, as well as the lasting colonial foundations of oppression.

This fascinating case study, first published in 1990, of how policies work out in a real

school setting is placed in the context of the wider debate about multi-cultural, anti-racist education. This book also makes suggestions for the shaping of future policy. This book should be of interest to lecturers and students of education and sociology.

It is the year 2051 and Britain is a divided country, deliberately divided by economic and education strategies. Half the population shelters in fortified suburbs (Newtown); the other half resentfully smoulders in sealed-off ghettos. This is the story of privileged Zoe and Daz, the semi-literate ghetto dweller, whose brother was

executed for raiding with the underground resistance movement. When Zoe and her friends go slumming one day, she meets Daz - and it's Romeo and Juliet all over again. But their impossible relationship has far-reaching consequences ...

In ten stunning and bleak tales set in the woodlands, swamps and chemical plants along the Alabama River, Tom Franklin stakes his claim as a fresh, original Southern voice. His lyric, deceptively simple prose conjures a world where the default setting is violence, a world of hunting and fishing, gambling and

losing, drinking and poaching-a world most of us have never seen. In the chilling title novella (selected for the anthologies *New Stories from the South: The Year's Best, 1999* and *Best Mystery Stories of the Century*), three wild boys confront a mythic game warden as mysterious and deadly as the river they haunt. And, as a weathered, hand-painted sign reads: "Jesus is not coming." This terrain isn't pretty, isn't for the weak of heart, but in these deperate, lost people, Franklin somehow finds the moments of grace that make them what they so abundantly are: human.

\*\*\* NOW NOMINATED FOR SIX OSCARS, INCLUDING BEST PICTURE, SUPPORTING ACTOR AND SUPPORTING ACTRESS

\*\*\* Lion is the heartbreaking and inspiring original true story of the lost little boy who found his way home twenty-five years later and is now a major film starring Dev

Patel, Nicole Kidman and Rooney Mara. As a five-year old in India, I got lost on a train. Twenty-five years later, I crossed the world to find my way back home. Five-year-old Saroo lived in a poor village in India, in a one-room hut with his mother and three siblings... until the day he boarded a train alone and got lost. For twenty-five years. This is the story of what happened to Saroo in those twenty-five years. How he ended up on the streets of Calcutta. And survived. How he then ended up in Tasmania, living the life of an upper-middle-class Aussie. And how, at thirty years old, with some dogged determination, a heap of good luck and the power of Google Earth, he found his way back

home. Lion is a triumphant true story of survival against all odds and a shining example of the extraordinary feats we can achieve when hope endures. 'Amazing stuff' The New York Post 'So incredible that sometimes it reads like a work of fiction' Winnipeg Free Press (Canada) 'A remarkable story' Sydney Morning Herald Review 'I literally could not put this book down. Saroo's return journey will leave you weeping with joy and the strength of the human spirit' Manly Daily (Australia) 'We urge you to step behind the headlines and have a read of this absorbing account...With clear recollections and good old-fashioned storytelling, Saroo...recalls the fear

of being lost and the anguish of separation' Weekly Review (Australia)  
Sophist Penguin  
 George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. Shooting an Elephant, the fifth in the Orwell's Essays series, tells the story of

a police officer in Burma who is called upon to shoot an aggressive elephant. Thought to be loosely based on Orwell's own experiences in Burma, the tightly written essay weaves together fact and fiction indistinguishably, and leaves the reader contemplating the heavy topic of colonialism, with the words 'when the white man turns tyrant it is his own freedom that he destroys' echoing from the page. 'A remarkable piece.' (Jeremy Paxman) 'A writer who can - and must - be rediscovered with every age.' (Irish Times)

 "A delightful mix of grammar and growth, words and wonder." - The Washington Post

An entertaining exploration of the richness and relevance of the Latin language and literature, and an inspiring account of finding renewed purpose through learning something new and challenging. After thirty-five years as a book editor in New York City, Ann Patty stopped working and moved to the country. Bored, aimless, and lost in the woods, she hoped to challenge her restless, word-loving brain by beginning a serious study of Latin at local colleges. As she begins to make sense of Latin grammar and syntax, her studies open unexpected windows into her own life. The louche poetry of Catullus calls up her early days in 1970s New York, Lucretius

elucidates her intractable drivenness and her attraction to Buddhism, while Ovid's verse conjures a delightful dimension to the flora and fauna that surround her. Women in Roman history, and an ancient tomb inscription give her new understanding and empathy for her tragic, long deceased mother. Finally, Virgil reconciles her to her new life—no longer an urban exile, but a rustic scholar, writer and teacher. Along the way, she meets an impassioned cast of characters: professors, students and classicists outside of academia who keep Latin very much alive. Written with humor, heart, and an infectious enthusiasm for words, Patty's book is an object lesson in how

learning and literature can transform the past and lead to an unexpected future.

Simon and Schuster  
There is September 11 and then there are the days after, and finally the years. *Falling Man* is a magnificent, essential novel about the event that defines turn-of-the-century America. It begins in the smoke and ash of the burning towers and tracks the aftermath of this global tremor in the intimate lives of a few people. First there is Keith, walking out of the rubble into a life that he'd always imagined belonged to everyone but him. Then Lianne, his estranged wife, memory-haunted, trying to reconcile two versions of the same shadowy man. And their small son Justin, standing at the window, scanning the sky for more planes. These are lives

choreographed by loss, grief and the enormous force of history. Brave and brilliant, *Falling Man* traces the way the events of September 11 have reconfigured our emotional landscape, our memory and our perception of the world. It is cathartic, beautiful, heartbreaking.

A fluent and accurate new translation of the dialogue that, of all Plato's works, has seemed to speak most directly to the interests of contemporary and analytical philosophers. White's extensive introduction explores the dialogue's central themes, its connection with related discussions in other dialogues, and its implication for the

interpretation of Plato's metaphysics.

*Who is Henry Kazwell?*  
Oxford University Press, USA

According to Lipson, we are at a critical stage in our history. It is clear that there has been a lowering of ethical standards in many sectors of our society. Both promise and peril confront humanity at this time. Along with the ability to annihilate the world, we have acquired the knowledge to improve the quality of life for more people than ever before. The author examines periods in history where similar conditions have existed, seeking to comprehend what is at stake in our present age, and calls for revolution in our ethical practices. Finally, he considers

whether the current moral and ethical crisis will be resolved.

"Bernard MacLaverly's powerful novel is a love story as affecting and tragic as you could want." —USA Today  
When it was first

published, Bernard MacLaverly's masterpiece was hailed by Michael Gorra in the New York Times Book Review as "a marvel of technical perfection...a most moving novel whose emotional impact is grounded in a complete avoidance of sentimentality...[It] will become the Passage to India of the Troubles." For Cal, a Northern Irish teenager who, against his will, is involved in the terrible war between Catholics and Protestants, some of the choices are devastatingly simple: he can work in the slaughterhouse that nauseates him or join the dole line; he can brood on his past or plan a future with the beautiful, widowed Marcella for whose grief he shares more than a little

responsibility.

"The classic trifecta of talent, heart, and a bone-deep sense of

storytelling....A masterful performance, deftly rendered and deeply satisfying. For days on end, I woke with this story on my mind.” —David Wroblewski

A powerful and resonant novel from the critically acclaimed author of *Smonk* and *Hell at the Breech*, *Crooked Letter, Crooked Letter* tells the riveting story of two boyhood friends, torn apart by circumstance, who are brought together again by a terrible crime in a small Mississippi town. An extraordinary novel that seamlessly blends elements of crime and Southern literary fiction, *Crooked Letter, Crooked Letter* is a must for readers of Larry Brown, Pete Dexter, Ron Rash, and Dennis Lehane. In the late 1970s, Larry Ott

and Silas "32" Jones were boyhood pals. Their worlds were as different as night and day: Larry, the child of lower-middle-class white parents, and Silas, the son of a poor, single black mother. Yet for a few months the boys stepped outside of their circumstances and shared a special bond. But then tragedy struck: Larry took a girl on a date to a drive-in movie, and she was never heard from again. She was never found and Larry never confessed, but all eyes rested on him as the culprit. The incident shook the county—and perhaps Silas most of all. His friendship with Larry was broken, and then Silas left town. More than twenty years have passed. Larry, a mechanic,

lives a solitary existence, never able to rise above the whispers of suspicion. Silas has returned as a constable. He and Larry have no reason to cross paths until another girl disappears and Larry is blamed again. And now the two men who once called each other friend are forced to confront the past they've buried and ignored for decades.

Kuno, a male nurse in a Swiss retirement home, has a new inmate: his father. In the confines of their

new home, the pair does something surprising--they finally begin to talk. Kuno had always regarded his father as a boring man without a history or a destiny, until they are thrust together and he learns that his father risked his life in the war. Stunned, Kuno embarks on a journey into his own psyche, taking him to the depths of the Congo. Here, longings awaken and dreams come true--rays of light in the darkness, meetings with kings, seductive women, and the songs of the jungle. This alluring far-away place he once regarded as the heart of darkness suddenly becomes an exciting locale of lunacy, wildness, and tests of inner strength. In Urs Widmer's characteristic style, In

the Congo is a riveting yarn, threading through not only the relationship between a father and son, but that of Africa and Europe. Translated by

Donal McLaughlin, this novel will delight Widmer fans the world over and will turn our notions of colonialism on their heads.
