First Grade Math Work Book Full Year: Ages 5 to 7, 1st Grade, Numbers, Addition, Subtraction, Word Problems, Time, Money, Symmetries and More- 190 Pages. A full 36 weeks math book for first graders aimed at ages 5-7. 190 pages. A lot of people said the full year packs were a lot easier for them to handle so I decided to start doing full year books at a time instead of a month at a time. First up is the math book. This book explores the concepts that first graders should be becoming familiar with. I really wanted to get those math facts memorized so each Monday is math facts review days. Thursdays are Mental Math days to review the concepts they have been learning. Most Fridays are review days to spiral around to past concepts. **WORKBOOKS FOR KIDS** - Using kids workbooks is a great

way to improve learning. Writing by hand, as opposed to typing on a computer, fires up specific areas of a child's brain, improving their ability to not only remember what he or she learns but to think of new ideas. **RESULTS** - Our learning materials have helped educate three generations of kids, creating lifelong learners, and the legacy continues. Digital content, kids flash cards, language and math workbooks, readers, toys, and learning card games are all crafted through a child's eyes while integrating parent and teacher standards.

PREPARATION - Let us help you prepare your young children for the next grade level with our workbooks, flashcards, learning card games for kids, books and a Little Scholar Tablet. Keep kids "classroom ready" with these great supplemental learning tools and more! Extra practice is suggested in the concepts they are having issues grasping. I'll be making a few add on packs with extra practice and activities for math centers in certain concepts later Easy Math Workbook for Kindergarten Houghton Mifflin Harcourt Using standardized testing formats, math skills are kept sharp with focused practice

in computation, word problems, graphing, measurement and numbers. Includes scope and sequence charts and answer keys.
