Birthday Warner Bros. Publications

The Bolsheviks' 1917 political coup caused a seismic disruption in Russian culture. Carried by the first wave of emigrants, Russian culture migrated West, transforming itself as it interacted with the new cultural environment and clashed with exported Soviet trends. In this book, Klára Móricz explores the transnational emigrant space of Russian composers Igor Stravinsky, Vladimir Dukelsky, Sergey Prokofiev, Nicolas Nabokov, and Arthur Lourié in interwar

Paris. Their music reflected the conflict between a modernist narrative demanding innovation and a narrative of exile wedded to the preservation of prerevolutionary Russian culture. The emigrants' and the Bolsheviks' contrasting visions of Russia and its past collided frequently in the French capital, where the Soviets displayed their political and artistic products. Russian composers in Paris also had to reckon with Stravinsky's disproportionate influence: if they succumbed to fashions dictated by their famous compatriot, they risked becoming epigones; if they kept to their old ways, they quickly became irrelevant. Although Stravinsky's neoclassicism provided a seemingly neutral middle ground between innovation and nostalgia, it was also

marked by the exilic experience. Mórícz offers this unexplored context for Stravinsky's neoclassicism, shedding new light on this infinitely elusive term. Happy Birthday to You Sheet Music Alfred Publishing Company, Incorporated These five pieces were discovered after Beethoven's death, bringing with them the question of which instrument was meant to play them. Since the first section in F Major matches Mozart's Fantasia, K. 608, for Musical Clock, a copy of which Beethoven owned, it was decided by many that Beethoven's score was likewise meant to be played on that device.

This set of fun variations will take you through different musical styles and quotes from the repertoire, for a fantastic celebration of any friend's birthday. Of medium-advanced difficulty, they are playable on lever or pedal harp. The book also includes a simplified and technically less demanding version. -----
- After a driving introduction, the musical theme "Happy birthday to you" is presented in a simple and concise way. Var. 1 (Classique) is in the style of Mozart, with delicate Rococo embellishments and a simple modulation to the dominant. Var. 2 (Fantasque) is inspired by Hasselmans' Follets and

explores the special effects of the harp technique. Without pause we move on to Var. 3, a passionate Tango with a central section modulating to the minor key. Var. 4 is a waltz with references to the cadenza from Tchaikovsky's Nutcracker, Strauss's Blauen Donau and Hasselmans' Petite Valse. The dance movement turns into Var.5 (Recitative) which offers a moment of calm and reflection, on elaborate impressionist harmonies. After a transition similar to the intro, Var. 6, a lively ragtime, concludes the set in a joyful party atmosphere.

The familiar song "Happy Birthday to You!" is cleverly arranged as a theme and variations in the style of Wolfgang Amadeus Mozart. The theme is reminiscent of a minuet in classical style. This is followed by five variations based on famous works by Mozart. Variation 1 is based on the first movement of the Piano Sonata in C Major, K. 545. Variation 2 features the first movement of the orchestral piece Eine kleine Nachtmusik, K. 525. Variation 3 uses the second movement from his Piano

Concerto No. 21 in C major, K.467, known as the "Elvira Madigan" theme. "Papageno's Aria" from the opera The Magic Flute is the basis of Variation 4. The fifth and final variation is inspired by the third movement of Mozart's Piano Sonata in A Major, K. 331, which is better known as "Rondo alla Turca."
