Boris Vallejo is renowned for his distinctive style of fantasy illustration He depicts a world populated

by powerful, athletic women and dynamic, well-muscled men, engaged in challenging, physical encounters where their strength and

power is subjected to the most demanding tests

Bodies: His Photographic Art by Boris Vallejo - Alibris

The pictures are unusual in several ways One is that Boris favors body-builders, both men and women, for his rippling-sinews work A body-builder himself, he uses unusual poses to emphasize their unusual proportions In women, this means huge power in their lower bodies, as seen in the cover photo *Bodies: Boris Vallejo: His Photographic Art -*
