Making Words Pearson

Over the past decade, Internet technology, now merging into that of mobile technology, has transformed the multiple facets of life in society across the world, changing work and leisure patterns, and placing greater demands on us as active, democratic citizens. The Internet literacy handbook, intended for parents, teachers and young people throughout Europe, is a guide to exploiting to the fullest this complex network of information and communication. The handbook is comprised of 21 fact sheets, each covering a particular topic on Internet use, from searching for information to setting up blogs through to e-shopping and e-citizenship. These fact sheets offer teachers and parents sufficient technical know-how to allow them to share young

people's and children's voyages through communication technology. They highlight ethical and safety considerations, give insight into added value in education, provide ideas for constructive activities in class or at home, share best practice in Internet use, and provide a wealth of definitions and links to sites that give practical examples and further in-depth information.

Bader Reading and Language

Inventory Course Technology
The current edition of the most comprehensive reading inventory. Based on the latest cognitive research, The Bader Reading and Language Inventory offers a range of devices and graded passages to test reading ability through the twelfth grade level. The inventory includes pre-literacy and word-identification tests to ensure a comprehensive assessment and an arithmetic test to determine competence

independent of verbal skills. It also provides instructions for administering and evaluating the tests and a scoring guide for each passage. In addition, experiential word lists permit testing of individuals with little formal schooling and those for whom English is a second language. Also includes several unique sections:

"Classroom Teacher's Reading Referral" (passages for classroom assessment); "Interest and Attitude" (determine a students' optimal instructional environment); and "Portfolio Assessment" (guidelines for classroom use, establishing criteria, and selecting appropriate portions of the inventory). The third edition of The Bader Reading and Language Inventory now includes a separate booklet of reading passages, a greater emphasis on portfolio and "authentic" assessment, and the inclusion of an ESL test.
