Noen U-Loke and Non Muang Kao are two large, moated prehistoric settlements in Nakhon Ratchasima Province, Northeast Thailand. Excavations in 1997-8 revealed a cultural sequence that began in the late Bronze Age, followed by four mortuary phases covering the Iron Age. This report describes the palaeoenvironment, excavation, chronology and material culture, human remains and social structure of the prehistoric inhabitants of these two sites. It is the second volume reporting on the research programme "The Origins of the Civilization of Angkor".

In 2008, the Canadian government established a Truth and Reconciliation Commission (TRC) to review the history of the residential school system, a brutal colonial project that killed and injured many Indigenous children and left a legacy of trauma and pain. In *Fragments of Truth* Naomi Angel analyzes the visual culture of reconciliation and memory in relation to this complex and painful history. In her analyses of archival photographs from the residential school system, representations of the schools in popular media and literature, and testimonies from TRC proceedings, Angel traces how the TRC served as a mechanism through which memory, trauma, and visibility became apparent. She shows how many Indigenous communities were able to use the TRC process as a way to claim agency over their memories of the schools. Bringing to light the ongoing costs of transforming settler states into modern nations, Angel demonstrates how the TRC offers a unique optic through which to survey the long history of colonial oppression of Canada's Indigenous populations.

The Mysterious Affair at Styles isn't just Agatha Christie's first Poirot novel, it was the only Poirot novel in the public domain until 2019. It was written on a bet that Christie couldn't write a detective novel in which the reader couldn't deduce the criminal.

Her attempt laid the foundation for one of literature's most famous detectives. In this novel we're introduced to Poirot as he's settling in to a new life in England. After a woman is murdered at the country estate he's visiting, he has to use his detective skills to catch the criminal. The Mysterious Affair at Styles sets the stage for the Golden Age of Detective Fiction, and has everything you'd expect from a story rich in those classic detective fiction tropes. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

Fred and Helen Martini longed for a baby, and they ended up with dozens of lion and tiger cubs! Snuggle up to this purr-fect read aloud about the Bronx Zoo's first female zoo-keeper. When Bronx Zoo-keeper Fred brought home a lion cub, Helen Martini instantly embraced it. The cub's mother lost the instinct to care for him. "Just do for him what you would do with a human baby," Fred suggested...and she did. Helen named him MacArthur, and fed him milk from a bottle and cooed him to sleep in a crib. Soon enough, MacArthur was not the only cub bathed in the tub! The couple continues to raise lion and tiger cubs as their own, until they are old enough to return them to zoos. Helen becomes the first female zookeeper at the Bronx zoo, the keeper of the nursery. This is a terrific non-fiction book to read aloud while snuggling up with your cubs! Filled with adorable baby cats, this is a story about love, dedication, and a new kind of family. Gorgeously patterned illustrations by Julie Downing detail the in-home nursery and a warm pallet creates a cozy pairing with Candace Fleming's lovely language. Backmatter includes a short biography of Helen Martini and a selected bibliography. Chinese Americans in Boston trace their historical origins to pioneering settlements of merchants, workers, and students in different parts of New England. After the 1880s, hundreds of Chinese arrived in Boston. Beginning as a bachelor male-dominated society, the Chinese in Boston gradually developed stronger bonds of family and community life. Spared natural disasters that characterized the Chinese immigrant experience in the West, Boston's Chinatown nonetheless faced challenges of urban renewal and environmental degradation. Through their participation in community organizations, merchant activities, educational opportunities, and civic protests, the Chinese in Boston persevered, simultaneously maintaining their Chinese identity and acculturating into America. They formed a close-knit community that distinguished Boston's Chinatown as one of the oldest and most enduring Chinese neighborhoods on the East Coast.

Instant New York Times bestseller "Standing up to bullies is my kind of thing." How did Stormy Daniels become the woman willing to take on a president? In this book, Stormy Daniels tells her whole story for the first time: what it's like to be a leading actress and director in the adult film business, the full truth about her journey from a rough childhood in Louisiana onto the national stage, and everything about her interaction with Donald Trump

that led to the nondisclosure agreement and the behind-the-scenes attempts to intimidate her. Stormy is funny, sharp, warm, and impassioned by turns. Her story is a thoroughly American one, of a girl who loved reading and horses and who understood from a very young age what she wanted?and who also knew she'd have to get every step of the way there on her own. People can't stop talking about Stormy Daniels. And they won't be able to stop talking about her fresh, surprising, completely candid, nothing-held-back book.

Rabid Fine Arts Department of Thailand

The most fatal virus known to science, rabies-a disease that spreads avidly from animals to humans-kills nearly one hundred percent of its victims once the infection takes root in the brain. In this critically acclaimed exploration, journalist Bill Wasik and veterinarian Monica Murphy chart four thousand years of the history, science, and cultural mythology of rabies. From Greek myths to zombie flicks, from the laboratory heroics of Louis Pasteur to the contemporary search for a lifesaving treatment, Rabid is a fresh and often wildly entertaining look at one of humankind's oldest and most fearsome foes. "A searing narrative." -The New York Times "In this keen and exceptionally well-written book, rife with surprises, narrative suspense and a steady flow of expansive insights, 'the world's most diabolical virus' conquers the unsuspecting reader's imaginative nervous system. . . . A smart, unsettling, and strangely stirring piece of work." -San Francisco Chronicle "Fascinating. . . . Wasik and Murphy chronicle more than two millennia of myths and discoveries about rabies and the animals that transmit it, including dogs, bats and raccoons." -The Wall Street Journal

Chinese Cinderella Harry N. Abrams

Sophisticated and well-curated, this photographic tour through Canada's history documents the nation's evolution over more than a century, as seen through the lens of photographers from The New York Times. The book compiles more than 100 iconic, momentous and inspiring images of Canada and includes ten commentary pieces from a range of important thinkers, historians and writers, including National Chief Shawn Atleo, MP Justin Trudeau, historians Charlotte Gray, Peter C. Newman and Tim Cook, and sports columnist Stephen Brunt. Through these pages and images, which represent a portal in time, a portrait of Canada emerges, not as seen by its own citizens, but as viewed through a distinctly American lens. The book includes photos arranged according to the following themes: • The Battlefield: Canada at War • Aboriginal People • The Changing Face of Canadian Society--Our Immigration Story • Landscape • The Political Arena • Industry • The War Machine: How the Homefront Supplied the Wars • Hockey • Icons (Stars, Sports Heroes, Political Figures, Royalty)

An exhilarating debut by a young writer from Pakistan: provocative, funny, disarmingly original stories that upend traditional notions of identity and family, and peer into the vulnerable workings of the human heart. From the high-stakes worlds of television and politics to the intimate corridors of home--including the bedroom--these wryly observed, deeply revealing

stories look at life in Pakistan with humor, compassion, psychological acuity, and emotional immediacy. Childhood best friends agree to marry in order to keep their sexuality a secret. A young woman with an anxiety disorder discovers the numbing pleasures of an illicit love affair. A radicalized student's preparations for his sister's wedding involve beating up the groom. An actress is forced to grow up fast on the set of her first major tv show, where the real intrigue takes place off-screen. Every story bears witness to the all-too-universal desire to be loved, and what happens when this longing gets pushed to its limits. *Are You Enjoying?* is a free-spirited, confident, indelible introduction to a galvanizing new talent.

100 new and classic images of popular Instagram celebrity Jimmy Choo the Bull Terrier On Rafael Mantesso's thirtieth birthday, his wife left him. She took their cookware, their furniture, their photos, their decorations. She left Rafael alone in an empty all-white apartment. The only thing she didn't take was their bull terrier, whom she'd named after her favorite shoe designer: Jimmy Choo. With only Jimmy for company, Rafael found inspiration in his blank walls and his best friend and started snapping photos of Jimmy Choo as he trotted and cavorted around the house in glee. Then, when Jimmy collapsed in happy exhaustion next to the white wall, on a whim Rafael grabbed a marker and drew a new world around his ginger-eared pup. Suddenly, Rafael felt his long-dormant inspiration—for drawing, for art, for life—returning. The result? Hundreds of charming and cheeky images chronicling the owner and dog's relationship and adventures, including poses in a Star Wars stormtrooper helmet, passed out with liquor bottles, and as the shark in *Jaws*. Mantesso's Instagram feed quickly garnered fans from all over the world and caught the attention of major media outlets like *Today*, *The Huffington Post*, *USA Today*, and *the Daily Mail*, as well as Jimmy's namesake, the luxury shoe brand Jimmy Choo Ltd. Now, Mantesso presents a definitive selection of new and classic images of Jimmy and includes the backstory of how the two became such great collaborators. As heartwarming as it is hilarious, *A Dog Named Jimmy* will delight animal lovers everywhere.

Hey Grandude! Tuttle Publishing

This book/CD-ROM package tells photographers how to generate profit and supplies them with software for a business-administration system. The book offers information on how to find the best location for a business, create a business plan, and generate business, and gives advice on everything from dealing with violation of copyright to stock photography. Beginning chapters explain the role of technology in a photography business and discuss fees for services, and later chapters cover business operations and record keeping. Software exercises let photographers create forms for tracking, agreements, and other tasks. Zimberoff is a commercial photographer and photojournalist.
