GRETCHEN MORGAN

The Other Boleyn Girl (Movie Tie-In)

St. Martin's Press

From the New York Times bestselling author of *The Last Wife of Henry VIII* comes a powerful and moving novel about Catherine of Aragon, Henry VIII's first wife and mother of Mary I. When young Catherine of Aragon, proud daughter of King Ferdinand and Queen Isabella, is sent to England to marry the weak Prince Arthur, she is unprepared for all that awaits her: early widowhood, the challenge of warfare with the invading Scots, and the ultimately futile attempt to provide the realm with a prince to secure the succession. She marries Arthur's energetic, athletic brother Henry, only to encounter fresh obstacles, chief among them Henry's infatuation with the alluring but wayward Anne Boleyn. In *The Spanish Queen*, bestselling novelist Carolly Erickson allows the strong-willed, redoubtable Queen Catherine to tell her own story—a tale that carries her from the scented gardens of Grenada to the craggy

mountains of Wales to the conflict-ridden Tudor court. Surrounded by strong partisans among the English, and with the might of Spanish and imperial arms to defend her, Catherine soldiers on, until her union with King Henry is severed and she finds herself discarded—and tempted to take the most daring step of her life. Carolly Erickson's historical entertainments continue to succeed in creating a unique blend of historical authenticity and page-turning drama.

Sister Queens Headline Review

Detailing Catherine's upbringing as the daughter of Isabella & Ferdinand, her marriages to both Prince Arthur & Henry VIII, her failure to produce a male heir, the divorce from Henry VIII that started the English Reformation & her fight to ensure her daughter's accession to the throne, this text redefines her role in English history.

Katherine of Aragon Ballantine Books Presents a dual portrait of Henry VIII's first queen and her sister, the wife of Philip of Burgundy, evaluating their roles as dynastic pawns while considering how their legendary lives reflect the turbulent age in which they lived.

Beware, Princess Elizabeth Ballantine Books

A “gripping historical drama” that tells the story of young Elizabeth Tudor’s journey to the throne—and her fierce rivalry with her half sister (School Library Journal). Imprisonment. Betrayal. Lost love. Murder. What more must a princess endure? Elizabeth Tudor’s teenage and young adult years during the turbulent reigns of Edward and then Mary Tudor are hardly those of a fairy-tale princess. Her mother has been beheaded by Elizabeth’s own father, Henry VIII. Her jealous half sister, Mary, has her locked away in the Tower of London. And her only love interest betrays her in his own quest for the throne... Told in the voice of the young Elizabeth and ending when she is crowned queen, this novel in the exciting Young Royals series explores the relationship between two sisters who became mortal enemies. New York Times-bestselling author Carolyn Meyer has written an intriguing historical tale that reveals the deep-seated rivalry between a determined girl who became Elizabeth I, one of England’s most powerful monarchs—and the sister who tried everything to stop her.

The Sisters of Henry VIII Simon and Schuster

In a life of extraordinary drama, Jane Boleyn was catapulted from relative obscurity to the inner circle of King Henry VIII. As powerful men and women around her became victims of Henry’s ruthless and absolute power—including her own husband and her sister-in-law, Queen Anne Boleyn—Jane’s allegiance to the volatile monarch was sustained and rewarded. But the cost of her loyalty would eventually be her undoing and the ruination of her name. For centuries, little beyond rumor and scandal has been associated with “the infamous Lady

Rochford,” but now historian Julia Fox sets the record straight. Drawing upon her own deep knowledge and years of original research, she brings us into the inner sanctum of court life, teeming with intrigue and redolent with the threat of disgrace. In the eyes and ears of Jane Boleyn, we witness the myriad players of the stormy Tudor period, and Jane herself emerges as a courageous spirit, a modern woman forced by circumstances to make her own way in a privileged but vicious world.

Six: The Musical - Vocal Selections Penn State Press

As Henry VIII’s only child, the future seemed golden for Princess Mary. She was the daughter of Henry’s first queen, Katharine of Aragon, and was heir presumptive to the throne of England. Red-haired like her father, she was also intelligent and deeply religious like her staunchly Catholic mother. But her father’s ill-fated love for Anne Boleyn would shatter Mary’s life forever. The father who had once adored her was now intent on having a male heir at all costs. He divorced her mother and, at the age of twelve, Mary was banished from her father’s presence, stripped of her royal title, and replaced by his other children—first Elizabeth, then Edward. Worst of all, she never saw her beloved mother again; Katharine was exiled too, and died soon after. Lonely and miserable, Mary turned for comfort to the religion that had sustained her mother. In a stroke of fate, however, Henry’s much-longed-for son died in his teens, leaving Mary the legitimate heir to the throne. It was, she felt, a sign from God—proof that England should return to the Catholic Church. Swayed by fanatical advisors and her own religious fervor, Mary made horrific examples of those who failed to embrace the Church,

earning her the immortal nickname "Bloody Mary." She was married only once, to her Spanish cousin Philip II--a loveless and childless marriage that brought her to the edge of madness. With *In the Shadow of the Crown*, Jean Plaidy brings to life the dark story of a queen whose road to the throne was paved with sorrow.

Summary of Three Sisters, Three Queens
Simon and Schuster

After the death of her husband Prince Arthur, Catherine of Aragon marries Arthur's brother Henry, only to deal with new challenges, including Henry's infatuation with the beautiful Anne Boleyn, and, after her union with King Henry is severed, takes the most daring step of her life. 50,000 first printing.

The Last Queen Houghton Mifflin Harcourt

From The New York Times bestselling author of *The Last Wife of Henry VIII* comes a powerful and moving novel about Jane Seymour, third wife of Henry VIII, who married him only days after the execution of Anne Boleyn and ultimately lost her own life in giving him the son he badly needed to guarantee the Tudor succession. Born into an ambitious noble family, young Jane Seymour is sent to Court as a Maid of Honor to Catherine of Aragon, Henry VIII's aging queen. She is devoted to her mistress and watches with empathy as the calculating Anne Boleyn contrives to supplant her as queen. Anne's single-minded intriguing threatens all who stand in her way; she does not hesitate to arrange the murder of a woman who knows a secret so dark that, if revealed, would make it impossible for the king to marry Anne. Once Anne becomes queen, no one at court is safe, and Jane herself becomes the victim of Anne's venomous rage when she suspects Jane has become the

object of the king's lust. Henry, fearing that Anne's inability to give him a son is a sign of divine wrath, asks Jane to become his next queen. Deeply reluctant to embark on such a dangerous course, Jane must choose between her heart and her loyalty to the king. Acclaimed biographer and bestselling novelist Carolly Erickson weaves another of her irresistible historical entertainments about the queen who finally gave Henry VIII his longed for heir, set against the excitement and danger of the Tudor Court.

Sister Queens Random House LLC

The only survivor of the ambitious Boleyn family, lady-in-waiting Jane Boleyn testifies against Henry VIII's latest queen, Anne of Cleves, and conspires to place her young cousin, Catherine Howard, on the throne. By the author of *The Other Boleyn Girl*. Reprint. 200,000 first printing.

Princess. 200,000 first printing.

The Sisters Who Would Be Queen

Simon and Schuster

Summary of Three Sisters, Three Queens by Philippa Gregory | Includes Analysis

Preview: Three Sisters, Three Queens by Philippa Gregory is a novel that follows more than 30 years in the life of Margaret Tudor. Starting in 1501, when she's 11 years old, the story traces

Margaret's movements between England and Scotland, where she struggles to maintain her grip on power after the death of her husband, the king. Through moments of triumph and sorrow, she maintains an impassioned

correspondence with Mary and Katherine, her sister and sister-in-law, whom she holds in her heart with equal parts fondness and spite. In London at the turn of the sixteenth century,

Margaret meets Katherine of Aragon, the Spanish princess who is to marry her older brother Arthur. Margaret is not as taken with Katherine as her young siblings, Mary and Henry, who

sometimes goes by Harry. Still, there's something about this poised young woman that Margaret admires. Mentally, Margaret compares herself to

Katherine... PLEASE NOTE: This is summary and analysis of the book and NOT the original book. Inside this Instaread Summary of Three Sisters, Three Queens by Philippa Gregory |

[Queen's Gambit](#) Open Road +

Grove/Atlantic

"Drawing upon recent scholarship and years of archival research, Bethany Aram offers a new vision of Juana's life.

In this part biography, part study of royal authority, Aram asserts that Juana was more complicated than her

contemporaries and biographers have portrayed her. Not the frail and unstable woman usually depicted, Juana

employed pious practices to defend her own interests as well as those of her children. As queen, she worked tirelessly

to assure the succession of her son Charles V to the throne and thereby to establish the Habsburg dynasty in the

kingdoms that others managed to govern in her name. She emerges as a woman of immense importance in

Spanish and European history."--BOOK JACKET.

In the Shadow of the Crown Ballantine Books

Catherine of Aragon is an elusive subject. Despite her status as a Spanish infanta, Princess of Wales, and Queen of England, few of her personal letters have

survived, and she is obscured in the contemporary royal histories. In this evocative biography, Theresa Earenfight

presents an intimate and engaging portrait of Catherine told through the objects that she left behind. A pair of

shoes, a painting, a rosary, a fur-trimmed baby blanket—each of these things took meaning from the ways

Catherine experienced and perceived them. Through an examination of the inventories listing the few possessions

Catherine owned at her death, Earenfight follows the arc of Catherine's

life: first as a coddled child in Castile, then as a young adult alone in England after the death of her first husband, a devoted wife and doting mother, a

patron of the arts and of universities,

and, finally, a dear friend to the women and men who stood by her after Henry VIII set her aside in favor of another woman. Based on traces and fragments, these portraits of Catherine are interpretations of a life lived five centuries ago. Earenfight creates a compelling picture of a multifaceted, intelligent woman and a queen of England. Engagingly written, this cultural and emotional biography of Catherine brings us closer to understanding her life from her own perspective.

Juana the Mad Simon and Schuster

In 1501, fifteen-year-old Catharine of Aragon arrives in England and marries Arthur, the eldest son of King Henry VII, but when Arthur unexpectedly dies, her future becomes the subject of a bitter dispute between England and Spain.

The Constant Princess Ballantine Books

Brought to the Tudor court as a young bride, Katherine of Aragon forges a unique sisterhood with the king's sisters, Margaret and Mary, that is shaped by rivalries, wars, betrayal, widowhood, motherhood, passion, and secrets.

Three Sisters, Three Queens Crown
From #1 New York Times bestselling author and "queen of royal fiction" (USA TODAY) Philippa Gregory comes the remarkable story of Katherine of Aragon, Princess of Spain, daughter of two great monarchs, and eventual Queen of England when she marries the infamous King Henry VIII. Daughter of Queen Isabella and King Ferdinand of Spain, Katherine has been fated her whole life to marry Prince Arthur of England. When they meet and are married, the match becomes as passionate as it is politically expedient. The young lovers revel in each other's company and plan the England they will make together. But tragically, aged only fifteen, Arthur falls

ill and extracts from his sixteen-year-old bride a deathbed promise to marry his brother, Henry; become Queen; and fulfill their dreams and her destiny.

Widowed and alone in the avaricious world of the Tudor court, Katherine has to sidestep her father-in-law's desire for her and convince him, and an incredulous Europe, that her marriage to Arthur was never consummated, that there is no obstacle to marriage with Henry. For seven years, she endures the treachery of spies, the humiliation of poverty, and intense loneliness and despair while she waits for the inevitable moment when she will step into the role she has prepared for all her life. Then, like her warrior mother, Katherine must take to the battlefield and save England when its old enemies the Scots come over the border and there is no one to stand against them but the new Queen.

The Boleyn Inheritance Macmillan

Katherine Knollys was Mary Boleyn's first child, born in 1524 when Mary was having an affair with King Henry VIII. Katherine spent her life unacknowledged as the king's daughter, yet she was given prime appointments at court as maid of honour to both Anne of Cleves and Katherine Howard. She married Francis Knollys when she was 16 and went on to become mother to many successful men and women at court including Lettice Knollys who created a scandal when she married Sir Robert Dudley, the queen's favourite. This fascinating book studies Katherine's life and times, including her intriguing relationship with Elizabeth I.

Jane Boleyn Hal Leonard

In this second novel of Alison Weir's epic Six Tudor Queens series, the acclaimed author and historian weaves exciting new research into the story of Anne Boleyn, Henry VIII's most infamous wife,

a woman ahead of her time whose very life—and death—forever changed a nation. Born into a noble English family, Anne is barely a teenager when she is sent from her family’s Hever Castle to serve at the royal court of the Netherlands. This strategic move on the part of her opportunistic father also becomes a chance for the girl to grow and discover herself. There, and later in France, Anne thrives, preferring to absorb the works of progressive writers rather than participate in courtly flirtations. She also begins to understand the inequalities and indignities suffered by her gender. Anne isn’t completely inured to the longings of the heart, but her powerful family has ambitious plans for her future that override any wishes of her own. When the King of England himself, Henry VIII, asks Anne to be his mistress, she spurns his advances—reminding him that he is a married man who has already conducted an affair with her sister, Mary. Anne’s rejection only intensifies Henry’s pursuit, but in the absence of a male heir—and given an aging Queen Katherine—the opportunity to elevate and protect the

Boleyn family, and to exact vengeance on her envious detractors, is too tempting for Anne to resist, even as it proves to be her undoing. While history tells of how Anne Boleyn died, this compelling new novel reveals how fully she lived. Praise for *Anne Boleyn, A King’s Obsession* “Superb . . . page-turning biographical fiction, hauntingly and beautifully told . . . psychologically penetrating.”—*Historical Novels Review* “Immaculately researched and convincing . . . This tale of Anne’s ascent and demise cannot escape comparisons with Hilary Mantel’s *Wolf Hall* series.”—*The Times* “A tragic, misrepresented figure, one of history’s original nasty women . . . Weir’s fictional Anne is ferociously smart and guilty of nothing but craving the power that’s rightfully hers to claim.”—*NPR* “One of historical fiction’s most compelling and exciting portraits of the enduringly fascinating and mysterious Anne Boleyn.”—*Lancashire Evening Post* “As always, Weir demonstrates a keen eye for crafting dramatic scenes of beautiful, accurate detail, instilling in the reader a vivid sense of being there.”—*Booklist*
