PISA Take the Test Sample Questions from OECD's PISA Assessments VIZ Media LLC

Theodore Roosevelt's heart was as big as the great outdoors he loved. A sickly, undersized boy, he grew into a physically fit, energetic man whose courage knew no bounds. Roosevelt hailed from the top of American society, but wealth could not shield him from human tragedy. As leader of a young, vigorous nation, he steered a middle course between the power brokers of big business and the needs of ordinary working people. A keen student

of nature, Roosevelt would protect millions of acres for posterity. He was a writer, ranchman, politician, soldier, explorer, family man, and America's 26th president, the youngest person to ever hold the office. Theodore Roosevelt for Kids brings to life this fascinating man, an American giant whose flaws were there for all the world to see. Twenty-one hands-on activities offer a useful glimpse at Roosevelt's work and times. Readers will create a Native American toy, explore the effects of erosion, go on a modern big game hunt with a camera, and make felted teddy bears. The text includes a time line, online resources, and reading list for further study. And through it

all, readers will
appreciate how one

man lived a &“Bully!&”
life and made the word
his very own.
