Worlds of Light &
Darkness David C Cook
A haunted father who

discovers a place where incomplete things--and people--are made whole. A mischievous satyr who hatches a plan to set loose chaos on a global scale. A workaholic witch

in search of her kitty companion. Invasive technology to rewrite the human brain. Dragon slayers. Zombies. Time travelers. Ice skaters. These twenty short stories

stretch across multiple universes and beyond death--and yet, they remain intimate, personal, emotional. They demonstrate the strength of the human spirit to find hope and seek a better tomorrow in even the darkest times. A selection of the best speculative fiction from DreamForge and Space & Time literary magazines, these are the stories we need today as we struggle through a pandemic, divisive politics, rampant misinformation, a belligerent defiance of

facts and science, and new technologies that are already spiraling beyond our control. Read, my friends... and take hope. Dr. Susie Smashes about Frogs Upoar Books
The #1 bestseller in New Testament Commentaries. Over 200,000 copies sold! This is the official companion study to season 1 of The Chosen, the groundbreaking television series about the life of Jesus. It includes: A deeper look at Isaiah 43 and its fulfillment in Jesus and the lives of His followers (including us!) Script excerpts, quotes, and illustrations from the show Guiding questions for groups or individuals Being chosen by Jesus has beautiful and far-reaching implications—although it says even more about the Chooser than the choosees. We are loved because He is love. We are saved because He is merciful. We belong to the family of God because Jesus invites us, making

the Bible and all its promises as true for us today as it was for God's chosen people. What does it actually mean to be Chosen? To answer that question, we're going Old school—Testament that is—which leads us back to the New. Which always leads us directly to Jesus. What Does It Mean to Be Chosen?
