Dragons Love Tacos Penguin

A vibrant picture book celebrating the strength of community and the tastes of summer from Latin Grammy-winning musician Lucky Diaz and celebrated artist Micah Player. Ring! Ring! Ring! Can you hear his call? Paletas for one! Paletas for all! What's the best way to cool off on a hot summer day? Run quick and find Paletero José! Follow along with our narrator as he passes through his busy neighborhood in search of the Paletero Man. But when he finally catches up with him, our narrator's pockets are empty. Oh no! What happened to his dinero? It will take the help of the entire community to get the tasty treat now. Full of musicality, generosity, kindness, and ice pops, this book is sure to satisfy fans of Thank You, Omu! and Carmela Full of Wishes. Includes Spanish words and phrases throughout, an author's note from Lucky Diaz, and a link to a live version of the Lucky Band's popular song that inspired the book. A Junior Library Guild Selection!

[Carnotaurus](#) Penguin

News alert! It has just been discovered that there are NO MORE TACOS left anywhere in the world. If only there was a way for the dragons to travel back in time, to before tacos went extinct. Then they could grab lots of tacos and bring them back!

[El Chupacabras](#) About Animals

Braid Beard and his pirate crew return to retrieve the treasure they buried in Jeremy Jacob's backyard, but first they must help calm his baby sister, Bonney Anne, whom they awoke from her nap.

[Dragons Love Tacos 2](#) Houghton Mifflin Harcourt

Describes the L.A. street cook's life, including working in his family's restaurant as a child, figuring out what he wanted to do with his life, and his success with his food truck and restaurant.

[While We Can't Hug](#) Penguin

Fans of the best-selling Dragons Love Tacos will devour Adam Rubin and Daniel Salmieri's newest story, a hilarious picture book about robots that magically transforms into a super shiny metal ROBO-BOOK. FACT: Robots are awesome. They have lasers for eyes, rockets for feet, and supercomputers for brains! Plus, robots never have to eat steamed beans or take baths, or go to bed. If only there were some sort of magical "Robo-Sauce" that turned squishy little humans into giant awesome robots... Well, now there is. Giggle at the irreverent humor, gasp at the ingenious fold-out surprise ending, and gather the whole family to enjoy a unique story about the power of imagination. It's picture book technology the likes of which humanity has never seen!

[Those Darn Squirrels and the Cat Next Door](#) Simon and Schuster

This title takes you millions of years back in time to meet Carnotaurus, a giant meat-eating dinosaur. Complete with computer generated images, fossil finds, and a fossil map! Peppa is about to have the best lunch ever! She and her family host a make-your-own pizza party. They knead the dough, add the sauce, and top it off with all of their favorite yummy ingredients.

[Plesiosaurus](#) Cuento de Luz

From the bestselling author of Dragons Love Tacos comes a whimsical re-telling of the chupacabra folktale, written in a blend of English and Spanish A long time ago, a girl named Carla lived on a goat farm with her father, Hector. One night, a goat disappeared from the farm and turned up flat as a pancake. Only one creature could do that--El Chupacabras, the goatsucker! Legend has it that El Chupacabras is a fearsome beast, but you can't believe everything you hear...and sometimes the truth is even more interesting. Told in equal parts English and Spanish by bestselling author Adam Rubin, and cinematically illustrated by acclaimed Hollywood creature creator Crash McCreery, this lighthearted take on a modern legend is not told in the traditional bilingual style. Each sentence is half-Spanish/half-English followed by a repetition of the same line translated the other way around. This mirroring technique allows the languages to intermingle equally. A fun and unique way to introduce either Spanish or English to new readers. A note from author Adam Rubin: "I decided to tell this story in an unusual way to explore the beauty of harmony. It's easy to dismiss the unfamiliar, but compassion takes a little more effort. With so many people trumpeting divisiveness right now, it's more important than ever to teach kids that there is more than one way to understand the world."

The Ice Cream Machine Penguin

The bestselling and heart-warming picture book that shows us ways to be affectionate while social distancing, from the team behind The Hug.Hedgehog and Tortoise were the best of friends. They wanted to give each other a great, big hug. But they weren't allowed to touch. "Don't worry," said Owl. "There are lots of ways to show someone you love them." So the two friends wave to each other, blow kisses, sing songs, dance around and write letters. And even though they can't hug and they can't touch, they both know that they are loved. A gorgeous, uplifting, inspiring picture book that makes social distancing fun!

[The Little Know-it-all](#) little bee books

Grumpy Old Man Fookwire's new neighbor has a cat that threatens his beloved birds, but some pesky squirrels figure out a way to solve the problem.

A Song of Frutas Penguin

A celebration of the love between a father and daughter, and of a vibrant immigrant neighborhood, by an award-winning author and illustrator duo. When Daisy Ramona zooms around her neighborhood with her papi on his motorcycle, she sees the people and places she's always known. She also sees a community that is rapidly changing around her. But as the sun sets purple-blue-gold behind Daisy Ramona and her papi, she knows that the love she feels will always be there. With vivid illustrations and text bursting with heart, My Papi Has a Motorcycle is a young girl's love letter to her hardworking dad and to memories of home that we hold close in the midst of change.

High Five Scholastic Inc.

Shhhh! Don't tell anyone about this mouth-watering book from the New York Times bestselling creators of Dragons Love Tacos! How does Raccoon love pizza? Oh, let him count the ways. He loves the gooey cheesy-ness, salty pepperoni-ness, sweet sweet tomato-ness, and of course the crispy crunchiness crust. But someone is always chasing poor Raccoon away from his favorite food with a broom! What's a hungry raccoon to do? Plan an elaborate secret pizza party, of course! But shhh! It's a secret! In fact, you should probably just forget I told you. Nope, no secret pizza party happening here.You didn't already tell all your friends, did you? Uh oh . . . Fans of Jon Klassen and Mo Willems's humor will gobble up this quirky ode to the lengths we will go to for our heart's desire. Praise for Dragons Love Tacos: New York Times bestseller A New York Times Notable Children's Book of 2012 "Rubin and Salmieri are two of the weirdest, funniest guys working in kids' lit today. The team lets its geek flag fly in an obsessive how-to guide for would-be dragon taco party hosts. Why a taco party? As Rubin explains, 'The only things dragons love more than parties or tacos, is taco parties.' If further proof is required, Salmieri—whose poker-faced watercolor, gouache, and color pencil drawings set a benchmark for oddball observational humor—shows one odd, scaly creature with a carryout bag from 'Taco Cave' and another beaming with anticipation as it eagerly circles the date for a taco party on its taco-themed calendar. But beware: even if all the tips and rules are followed to the letter (on quantity:'The best way to judge is to get a boat and fill the boat with tacos'), all will be for naught if spicy salsa makes its way into the taco filling. In fact, the dragons will bring a whole new meaning to 'housewarming.' Off-kilter fun for those who like their picture books (and salsa) zesty and fresh."--Publishers Weekly, starred review "Dragons Love Tacos is a heaping helping of silly. Little kids will relate to the anti-spicy bias and chuckle over Salmieri's watercolor and gouache cartoon illustrations showing literally boatloads of tacos and all sizes of dragons enjoying their favorite food at pool parties, costume parties and, well, taco parties." -San Francisco Chronicle "The perfect book for kids who love dragons and mild tacos." -Kirkus Reviews "The watercolor, gouache, and colored pencil cartoon illustrations are the real stars here. Regardless of, or perhaps because of, the absurdity of the story, this tale should be a big hit with anyone with an affinity for dragons." -School Library Journal

[Chef Roy Choi and the Street Food Remix](#) Puffin

Two dogs are opposite in every way, but are the very best of friends. On board pages.

[Women Who Love Too Much](#) Random House Books for Young Readers

The adventures of a boy and his dragon friend are recounted in this classic song from the 1960s.
