"One of those rare biographical novels that bring a whole world to life in a way that lingers in memory." —Jay Parini, author of *Borges and Me* This absorbing, sensitive novel portrays a famed author in a moment of crisis: an aging Hugo von Hofmannsthal returns to a summer resort outside of Salzburg that he visited as a child. But in the spa town where he once thrilled to the joys of youth, he now feels unproductive and uninspired, adrift in the modern world born after World War One. Over ten days in 1924 in a ramshackle inn that has been renamed the Grand Hotel, Hofmannsthal fruitlessly attempts to complete a play he's long been wrestling with. The writer is plagued by feelings of loneliness and failure that echo in a buzz of inner monologues, imaginary conversations and nostalgic memories of relationships with glittering cultural figures. Palace of Flies conjures up an individual state of distress and disruption at a time of fundamental societal transformation that speaks eloquently to our own age.

Thought to be a widower living out a quiet life by the sea, Cosimo's sudden death, by gunshot to the neck, opens up his past to scrutiny. What Montalbano uncovers is Cosimo's trove of salacious photographs, used to extort young women, and a history full of greed and corruption. Montalbano, though resolved to find the killer, muses on where justice lies—in his pursuit of a suspect or with one of Cosimo's innumerable victims getting the revenge they deserved?

Pope Francis Among the Wolves ReadHowYouWant.com

A behind-the-scenes view of the power struggles within the Vatican and "a look inside the byzantine halls of the institutional Catholic Church."—Publishers Weekly A journalist who has long covered the Vatican, Marco Politi takes us deep inside the struggle roiling the Roman Curia and the Catholic Church worldwide, beginning with Benedict XVI, the pope who famously resigned in 2013, and intensifying with the unexpected election of Jorge Mario Bergoglio, archbishop of Buenos Aires, now known as Pope Francis. Politi's account balances the perspectives of Pope Francis's supporters, Benedict's sympathizers, and those disappointed members of the laity who feel alienated by the institution's secrecy, financial corruption, and refusal to modernize. Politi dramatically recounts the sexual scandals that have rocked the church and the accusations of money laundering and other financial misdeeds swirling around the Vatican and the Italian Catholic establishment, and how Pope Francis's attempts to address these crimes has been met with resistance from entrenched factions. He writes of the decline in church attendance and vocations to the priesthood as the church continues to prohibit divorced and remarried Catholics from receiving Communion. He visits European parishes where women perform the functions of missing male priests—and where the remaining parishioners would welcome the ordination of women, if the church would allow it. Pope Francis's emphasis on pastoral compassion for all who struggle with the burden of family life has also provoked the ire of traditionalists. He knows from experience what life is like for the poor in South America and elsewhere, and highlights the contrast between the vital, vibrant faith of these parishioners and the disillusionment of European Catholics. As Pope Francis and his supporters are locked in battle with the defenders of the traditional hard line and with ecclesiastical corruption, the future of Catholicism is at stake—and it is far from certain Francis will succeed in saving the institution from decline.
