Mistborn Trilogy Random House
"Vivid characters, terrifying monsters,

and world building as deep and dark as the ocean." --Victoria Aveyard, #1 New York Times bestselling author of *Red Queen I am Henrietta Howel*. The first female sorcerer in hundreds of years. The prophesied one. Or am I? Henrietta Howel can burst into flames. Forced to reveal her power to save a friend, she's shocked when instead of being executed, she's invited to train as one of Her Majesty's royal sorcerers. Thrust into the glamour of Victorian London, Henrietta is declared the chosen one, the girl who will defeat the Ancients, bloodthirsty demons terrorizing humanity. She also meets her fellow sorcerer trainees, handsome young men eager to test her power and her heart. One will challenge her. One will fight for her. One will betray her. But Henrietta

Howel is not the chosen one. As she plays a dangerous game of deception, she discovers that the sorcerers have their own secrets to protect. With battle looming, what does it mean to not be the one? And how much will she risk to save the city—and the one she loves? Exhilarating and gripping, Jessica Cluess's spellbinding fantasy introduces a powerful, unforgettably heroine, and a world filled with magic, romance, and betrayal. Hand to fans of Libba Bray, Sarah J. Maas, and Cassandra Clare. "The magic! The intrigue! The guys! We were sucked into this monster-ridden, alternative England from page one. Henrietta is literally a 'girl on fire' and this team of sorcerers training for battle had a pinch of Potter blended with a drop of [Cassandra Clare's] *Infernal*

Devices." --Justine Magazine "Cluess gamely turns the chosen-one trope upside down in this smashing dark fantasy." --Publishers Weekly, Starred Review "Unputdownable. I loved the monsters, the magic, and the teen warriors who are their world's best hope! Jessica Cluess is an awesome storyteller!" --Tamora Pierce, #1 New York Times bestselling author "A fun, inventive fantasy. I totally have a book crush on Rook." --Sarah Rees Brennan, New York Times bestselling author "Pure enchantment. I love how Cluess turned the 'chosen one' archetype on its head. With the emotional intensity of my favorite fantasy books, this is the kind of story that makes you forget yourself." --Roshani Chokshi, New York Times bestselling author of The Star-Touched

Queen "A glorious, fast-paced romp of an adventure. Jessica Cluess has built her story out of my favorite ingredients: sorcery, demons, romance, and danger." --Kelly Link, author of Pretty Monsters

A compelling dual-narrated tale from Jennifer Latham that questions how far we've come with race relations. Some bodies won't stay buried. Some stories need to be told. When seventeen-year-old Rowan Chase finds a skeleton on her family's property, she has no idea that investigating the brutal century-old murder will lead to a summer of painful discoveries about the present and the past. Nearly one hundred years earlier, a misguided violent encounter propels seventeen-year-old Will Tillman into a racial firestorm. In a country rife with

violence against blacks and a hometown segregated by Jim Crow, Will must make hard choices on a painful journey towards self discovery and face his inner demons in order to do what's right the night Tulsa burns. Through intricately interwoven alternating perspectives, Jennifer Latham's lightning-paced page-turner brings the Tulsa race riot of 1921 to blazing life and raises important questions about the complex state of US race relations--both yesterday and today.

The Burning White Little, Brown Books for Young Readers

THINGS FALL APART tells two overlapping, intertwining stories, both of which center around Okonkwo, a "strong man" of an Ibo village in Nigeria. The first of these stories traces Okonkwo's fall from grace with the tribal world in which he lives, and in its classical purity of line and economical beauty it provides

us with a powerful fable about the immemorial conflict between the individual and society. The second story, which is as modern as the first is ancient, and which elevates the book to a tragic plane, concerns the clash of cultures and the destruction of Okonkwo's world through the arrival of aggressive, proselytizing European missionaries. These twin dramas are perfectly harmonized, and they are modulated by an awareness capable of encompassing at once the life of nature, human history, and the mysterious compulsions of the soul. THINGS FALL APART is the most illuminating and permanent monument we have to the modern African experience as seen from within.
