The Stand (Movie Tie-in Edition) Heyne Verlag

The study of Greco-Roman civilisation is as exciting and innovative today as it has ever been. This intriguing collection of essays by contemporary classicists reveals new discoveries, new interpretations and new ways of exploring the experiences of the ancient world. Through one and a half millennia of literature, politics, philosophy, law, religion and art, the classical world formed the origin of western culture and thought. This book emphasises the many ways in which it continues to engage with contemporary life. Offering a wide variety of authorial style, the chapters range in subject matter from contemporary poets' exploitation of Greek and Latin authors, via newly discovered literary texts and art works, to modern arguments about ancient democracy and slavery, and close readings of the great poets and philosophers of antiquity. This engaging book reflects the current rejuvenation of classical studies and will fascinate anyone with an interest in western history.

Besessen bis zum Mord John Rothstein hat in den Sechzigern drei berühmte Romane veröffentlicht, seither aber nichts mehr. Morris Bellamy, ein psychopathischer Verehrer, ermordet den Autor aus Wut über dessen »Verrat«. Seine Beute besteht aus einer großen Menge Geld und einer wahren Fundgrube an Notizbüchern, die auch unveröffentlichte Romane enthalten. Bellamy vergräbt vorerst alles – und wandert dummerweise für ein völlig anderes Verbrechen in den Knast. Jahre später stößt der Junge Peter Saubers auf den »Schatz«. Nach seiner Haftentlassung kommt Bellamy dem ahnungslosen Peter auf die Spur und macht Jagd auf ihn. Kann Bill Hodges, den wir als Detective a. D. aus Mr. Mercedes kennen, den Wahnsinnigen stoppen?

"The diabolical "Mercedes Killer" drives his enemies to suicide, and if Bill Hodges and Holly Gibney don't figure out a way to stop him, they'll be victims themselves. In Room 217 of the Lakes Region Traumatic Brain Injury Clinic, something has awakened. Something evil. Brady Hartsfield, perpetrator of the Mercedes Massacre, where eight people were killed and many more were badly injured, has been in the clinic for five years, in a vegetative state. According to his doctors, anything approaching a complete recovery is unlikely. But behind the drool and stare, Brady is awake, and in possession of deadly new powers that allow him to wreak unimaginable havoc without ever leaving his hospital room. Retired police detective Bill Hodges, the unlikely hero of Mr. Mercedes and Finders Keepers, now runs an investigation agency with his partner, Holly Gibney--the woman who delivered the blow to Hartsfield's head that put him on the brain injury ward. When Bill and Holly are called to a suicide scene with ties to the Mercedes Massacre, they find themselves pulled into their most dangerous case yet, one that will put their lives at risk, as well as those of Bill's heroic young friend Jerome Robinson and his teenage sister, Barbara. Brady Hartsfield is back, and planning revenge not just on Hodges and his friends, but on an entire city."--

Dar, dincolo de starea lui, autorul atentatului cu Mercedes in care au murit opt persoane este de fapt foarte prezent. Mai mult, a perseverat si si-a dezvoltat puteri noi, ucigatoare, care pot face dezastru fara ca el sa paraseasca patul de spital. Acum e gata de un alt atac si hotarat sa se razbune pe oricine ii sta in drum. Printre altii, in drum sta si Bill Hodges, politistul pe care il stiti din Mr. Mercedes si Ce-am gasit al meu sa fie. „O carte clasica de Stephen King. Personaje sinistre, dar realiste, care ti se baga pe sub piele si raman acolo, o poveste palpitanta, cu rasturnari de situatie la o viteza ametitoare, proza incantatoare, toate dovedesc inca o data ca unul dintre cei mai talentati povestitori din America este si unul dintre cei mai buni scriitori.” Associated Press „Un thriller atat de intunecat, dar care nu lasa deoparte iubirea, pierderea si, poate, mantuirea.” The Cleveland Plain Dealer

Warriors, Witches, Women Albin Michel

Meet mythology's fifty fiercest females in this modern retelling of the world's greatest legends. From feminist fairies to bloodsucking temptresses, half-human harpies and protective Vodou goddesses, these are women who go beyond long-haired,

smiling stereotypes. Their stories are so powerful, so entrancing, that they have survived for millennia. Lovingly retold and updated, Kate Hodges places each heroine, rebel and provocateur firmly at the centre of their own narrative. Players include: Bewitching, banished Circe, an introvert famed and feared for her transfigurative powers. The righteous Furies, defiantly unrepentant about their dedication to justice. Fun-loving Ame-no-Uzume who makes quarrelling friends laugh and terrifies monsters by flashing at them. The fateful Morai sisters who spin a complex web of birth, life and death. Find your tribe, fire your imagination and be empowered by this essential anthology of notorious, demonised and overlooked women.
