One can read Shaayari in Urdu or in English or in Hindi. Many of the Urdu words used in Shaayari may be familiar to Indians for whom Urdu is not the first language. But one often comes across unfamiliar words (and phrases or compound words) the meaning of which are not known. And these unfamiliar words rob the entire sher of its magic! The vast majority of words in general dictionaries are commonplace - most unfamiliar words found in well-known shers are not found in these dictionaries. Moreover, normal dictionaries do not give the meanings of Urdu phrases or compound words. One has to painfully refer to the meaning of each individual word comprising a compound word go make sense of the phrase, only to discover that the correct nuance of the compound word is different from that derived from putting individual words together! Presenting 'The Urdu Dictionary of Shaayari - In English' - a comprehensive dictionary dedicated exclusively to Urdu Shaayari. It is filled with 350+ Urdu phrases or compound words and 3300+ Urdu words drawn from the well-known shers of the Masters of Urdu Shaayari of South Asia. The moment you encounter an unfamiliar word or phrase, just pop open 'The Urdu Dictionary of Shaayari - In English' and return quickly to the sher, which now resonates with meaning! The Urdu words are transliterated in English and arranged alphabetically for ease of reference, with the word meaning in English. In addition, the Urdu word is transliterated in Hindi since the pronunciation is rendered truer in Hindi.</p> <p><u>Learn Urdu Alphabet Activity Workbook</u> Soffer Publishing</p> <p>While similar in method to the "activity-based learning" introduced in the first set of books, Urdu for Children: Book II is designed to meet the needs of children seven to eight years of age and older. The students' level is determined by their facility in reading, writing, and speaking Urdu rather than their chronological age. The scope of the topics in Book II is wider than in Book I and the forty stories and poems, most of them original, are more complex and longer. The original artwork is richer and more varied and the English-Urdu and Urdu-English vocabulary lists are more comprehensive. Two volumes of Let's Read Urdu have been added to help children enhance their reading skills while a two-part Workbook provides practice exercises in writing and reinforces the new vocabulary introduced in the texts. The activity-based Teacher's Manual provides detailed lesson plans for each Urdu text. Two CDs accompanying the two volumes of the textbook to help ensure standard pronunciation of words and intonations in sentences, and infuse life into the stories. Original music was composed for the poems, allowing children to sing them to help with memorization. Developed by a team of trained public school teachers with extensive backgrounds in teaching Urdu as a heritage language, the Urdu Language Textbook Series helps meet the needs of a rapidly growing Urdu-speaking community in North America. It is the first step towards helping children develop Urdu linguistic skills so that they can keep their heritage and culture alive.</p> <p><i>Trilingual 888 English Arabic Urdu Illustrated Vocabulary Book</i> Chanda Books</p> <p>An introduction to the Urdu language, describing where it is spoken, the people who speak it, and how it compares and differs from the English language, and sharing basic vocabulary words and phrases in Urdu.</p> <p>English-Urdu and Urdu-English Combined Dictionary Star Publications (P) Limited</p> <p>* This compact 3-in-1 Book will teach children how to break down everyday use words for a better understanding . Scientific Study from the year 2010 in the subject English Language and Literature Studies - Linguistics, grade: Grade A, National University of Modern Languages, Islamabad, course: Reading Skills, language: English, abstract: The main aim of the present study is to examine the use of Bilingual dictionary in Second language Reading Class, Secondly, how does the bilingual dictionary accelerate the process of learning second language? This research describes an experiment to find whether Bilingual dictionaries are faster to use than monolingual dictionaries. Monolingual dictionary works well for advanced learners. In fact, the unknown words advanced learners encounter are usually more complicated that they need more complicated explanations. Whereas Bilingual dictionary works well for beginners, because they become able to research and translate words from all parts of speech utilizing a bilingual dictionary. It enhances their confidence level and increases their vocabulary on their own in a short period of time.
