The Princess and the Pea Hachette UK

A collection of forty-one fairy tales from the folklore of Japan, Scandinavia, Sicily, Africa and Spain.

Princess Dreams Record-A-Book

Frances Lincoln Children's Books
There once was a princess without a kingdom. All she had was a pony and cart and a red umbrella to keep her dry from the rain. Though she lacked worldly

possessions, she made up for it in kindness, cleverness, and beauty--qualities that made all the rich princes with kingdoms want to marry her. A wise and witty modern-day fairy tale brought magically to life through Sarah Gibb's exquisite art.

[The Princess Revolt](#) Lulu.com

Not Every Princess takes readers on a journey that gently questions the rigid construction of gender roles and inspires readers to access their imaginations and challenge societal expectations. Also includes a "Note to Parents by the authors, Jeffrey Bone, PhD and Lisa Bone, PsyD.

review What if
princesses didn't
always marry Prince
Charming and live
happily ever after? In
this stunning
anthology—elegantly
presented in a red,
clothbound hard cover
with gold-toned
metallic debossing—15
favorite fairytales have
been retold for a new
generation. These
princesses are smart,
funny, and kind, and
can do anything they
set their minds to.
Focused on issues
including self-image,
confidence, LGBTQ,
friendship, advocacy,
and disability, these
stories are perfect for
sharing between
parents and children,
or for older princesses
or princes to read by
themselves. They

teach that a princess is
a person who seeks to
help others, is open to
learning new things,
and looks for ways to
add purpose to their
lives and the lives of
those around them.

 Once upon a time... Princess Liesel is adamant that the last thing she would ever want is to have to leave her splendid palace and marry a prince. But after she scorns one too many

suitors, her father loses his temper with her spoiled ways and declares that she must marry the next man who dares to seek her hand! Unfortunately for her, the next man who proposes-albeit unintentionally-is only a humble, traveling minstrel. Now, cast off and penniless, she finds herself at the mercy of her handsome betrothed who intends for her to become a proper peasant. But after a lifetime of being pampered, ordinary chores and tasks are not as easy as she expected, and she soon realizes she will need her prospective husband's help if she hopes to salvage anything of her future. Will the two strangers be able to find a way to work together and

perhaps free themselves from their forced betrothal? Or might they find that "happily ever afters" sometimes happen in unexpected ways ... A retelling of the timeless Grimm fairy tale, "King Thrushebeard." *This book is a clean and proper romance.

The Princess and the Pig RH/Disney

This delightful series of board books is aimed at very young children. The bright pictures, with their patches of different textures, are designed to develop sensory and language awareness. Babies and toddlers will love turning the pages and touching the feely patches.

The Wide-Awake

Princess Simon and Schuster

A princess in a tower. A prince hidden at birth. Together, they'll tear down walls. The townspeople call her the Tower Princess, but Gressa's life is no fairy tale. She's never understood why she's been separated from the rest of the kingdom, but now that she's older the pieces are coming together. For too long she's been trapped in her brother's scheme to find a way through the magical wall dividing their kingdom in two. She doesn't expect any help from the prince to

the south, even if he did manage to bumble his way to her rescue. If she could pick anyone to form an alliance, it would be the squire she watches train from her window; he shows promise. But, confined to her tower, there's nothing she can do...or is there? One day a hole opens up in the Dividing Wall and with it, a chance for Gressa to change everything. The Tower Princess is the first book in the Lost Fairy Tales series, a collection of loosely-connected stand-alone novels. If you like classic fairytale stories and sweet romance, then you'll love Gressa and Manny's desperate quest for rescuing their kingdom.

How to Raise
Empowered Girls in a

Princess World! It's no secret that little girls love princesses, but behind the twirly dresses and glittery crowns sits a powerful marketing machine, delivering negative stereotypes about gender, race, and beauty to young girls. So how can you protect your daughter, fight back, and offer new, less harmful options for their princess obsession? The Princess Problem features real advice and stories from parents, educators, psychologists, children's industry insiders that will help equip our daughters to navigate the princess-saturated media landscape. With excellent research and tips to guide parents through honest conversations with

their kids, *The Princess Problem* is the parenting resource to raising thoughtful, open-minded children. "a very insightful look at our princess culture...Parents—this is a must read!" — Brenda Chapman, Writer/Director, Disney/Pixar's **BRAVE**
There's a Princess in the Palace
HarperCollins
Discover the story of a princess like no other: the princess who had no fortune. She doesn't have a cook or a gardener, and she certainly isn't interested in a prince in shining armour. But one day a mysterious young man arrives to help at the castle, offering to help the princess in any way he can. Who could he be? A wise and witty contemporary fairy tale

from the creators of the bestselling *The Princess Who Had No Kingdom*.
That's Not My Princess

The Princess Who Had No Fortune

Simon and Schuster
Adults can record the stories of Tiana, Cinderella, and Belle, and then kids can hear the story read to them as they turn the pages of the book! With this unique recordable storybook, a parent can be there for that special “read-to-me” time—from anywhere! When the batteries are changed, your recording will not be erased—creating a treasured keepsake. Princess Dreams features the classic Disney Princess stories of Tiana, Cinderella,

and Belle. Cinderella: Cinderella has a wicked stepmother and stepsisters who make her work as a servant. But when the Fairy Godmother helps her attend the Prince's ball, Cinderella falls in love and becomes a princess. Beauty and the Beast: Belle is a girl with big dreams who wants to live an exciting life. When she's taken prisoner by a beast in an enchanted castle, she finds that he has a good heart, and her love and compassion turns him from a beast into a handsome prince. The Princess and the Frog: Tiana is a hard-working young lady who dreams of owning a restaurant. Prince Naveen is a handsome prince who turns into a frog when a spell is cast on him

by an evil man. When Naveen sees Tiana dressed as a princess, he asks her to kiss him. He believes that kissing a princess will break the spell. Instead, they both turn into frogs! Will their love make them human again? With a simple recording device and speaker that sits in the storybook, Princess Dreams Record-A-Book is so easy to use! An adult can record the story, and when a child plays back the recording she can hear the story and follow along in the book. As the child grows, she can learn to record the book herself. Great for everyday play, Princess Dreams Record-A-Book will also make a great gift! How to record the story on your Record-A-Book: Please read all

instructions prior to starting your recording. Move the switch on the side of the recording device to record mode. Press and hold the button until you hear "Record One." Release button immediately. Press, but do not hold, the button again. When you hear a beep, begin reading the text indicated with a 1, located on the inside front cover. Press, but do not hold, the button again when you are done reading the first section. You will hear a beep. This indicates the recording has stopped. Repeat steps 3 and 4 until all sections are recorded. Move the switch to play mode. If you make a mistake, please refer to the full instructions located on the inside back cover of your book.

How to Find a Princess
 Macmillan Children's
 Books

This collection of Japanese fairy tales is the outcome of a suggestion made to me indirectly through a friend by Mr. Andrew Lang. They have been translated from the modern version written by Sadanami Sanjin. These stories are not literal translations, and though the Japanese story and all quaint Japanese expressions have been faithfully preserved, they have been told more with the view to interest young readers of the West than the

technical student of folk-lore.... In telling these stories in English I have followed my fancy in adding such touches of local color or description as they seemed to need or as pleased me, and in one or two instances I have gathered in an incident from another version.

At all times, among my friends, both young and old, English or American, I have always found eager listeners to the beautiful legends and fairy tales of Japan, and in telling them I have also found that they were still unknown to the vast majority...
