Peterson's Master the Social Sciences and History CLEP Test is the prefect resource to help you ace this CLEP general examination, which tests you on a broad range of topics in U.S. and world history, political science, geography, economics, psychology, sociology, anthropology, and more. In preparation for taking this exam, you will start by taking a 50-question pre-test, which-together with its detailed answer explanations-will help you see which subject areas you need to focus on during your studies. This guide then offers summaries of U.S. and world history topics; comparative politics and U.S. institutions; cultural, physical, and regional geography; a review of economics with a glossary of relevant terminology and major theorists and schools; and a

discussion of the thoughts and methods of psychology, sociology, and anthropology. You will practice with review questions and conclude with a 50-question post-test, all of which come with answer explanations for further knowledge retention.
