### **Cold-Case Christianity** Harperchristian Resources

In this video Bible study (DVD/digital video sold separately)--led by the New York Times bestselling author Lee Strobel--you and your group will dig into the true Christmas story to sort out the fact from the fiction and the hype from the holiness. The Case for Christmas study helps you reflect on the gospel story of the birth of Jesus in a focused, group-oriented way that might change the way you view the season. During his faith journey, Lee Strobel investigated the real meaning behind all those nativity scenes he saw outside of churches. In this four-week study, Lee reveals what he discovered from consulting experts on the Bible, archaeology, and messianic prophecy as he sought to separate the truth from the tradition. In each session you and your group explore: What the Bible actually says about Jesus' birth and how you can know it's accurate. Whether the Christmas story actually happened or developed from the myths of the day. The Bible's claim that Jesus was born of a virgin and why it's important to your faith. How Jesus--and only Jesus--fulfilled hundreds of Old Testament biblical prophecies about the Messiah. Regardless of whether the center of your Christmas decorations is the nativity set on your mantle or the presents under the tree, The Case for Christmas study invites you to look beyond the familiar traditions of the season, challenge you to examine the evidence for yourself, and consider why Christmas really matters and why it's still so relevant today. Sessions include: Setting the Record Straight Beneath the Fake News A Mind-Boggling Proposition The Prophetic Fingerprint Designed for use with The Case for Christmas Video Study/The Case for Easter Video Study (sold separately).

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

### **The Reason for God** Image

New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button question: is it really credible to believe God intervenes supernaturally in people's lives today? This provocative book starts with an unlikely interview in which America's foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What's more, Strobel delves into the most controversial question of all: what about miracles that don't happen? If God can intervene in the world, why doesn't he do it more often to relieve suffering? Many American Christians are embarrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, *The Case for Miracles* shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here's a unique book that examines all sides of this issue and comes away with a passionate defense for God's divine action in lives today. Also available: *The Case for Miracles* Spanish edition, kids' edition, and student edition.

### [The Case for Grace](#) Zondervan

Who was in the manger that first Christmas morning? Some say he would become a great moral leader. Others, a social critic. Still others view Jesus as a profound philosopher, a rabbi, a feminist, a prophet, and more. Many are convinced he was the divine Son of God. Who was he—really? And how can you know for sure? Consulting experts on the Bible, archaeology, and messianic prophecy, Lee Strobel searches out the true identity of the child in the manger. Join him as he asks the tough, pointed questions you'd expect from an award-winning legal journalist. If Jesus really was God in the flesh, then there ought to be credible evidence, including Eyewitness Evidence—Can the biographies of Jesus be trusted? Scientific Evidence—What does archaeology reveal? Profile Evidence—Did Jesus fulfill the attributes of God? Fingerprint Evidence—Did Jesus uniquely match the identity of the Messiah? *The Case for Christmas* invites you to consider why Christmas matters in the first place. Somewhere beyond the traditions of the holiday lies the truth. It may be more compelling than you've realized. Weigh the facts . . . and decide for yourself. [Making Your Case for Christ Study Guide](#) Zondervan

There can be many obstacles to faith, as C. S. Lewis discovered. But he overcame them to become one of Christianity's most ardent warriors of the faith. Art Lindsley provides a readable introduction to C. S. Lewis's reflections on objections to belief in Jesus Christ and the compelling reasons why Lewis came to affirm the truth of Christianity.

*The Case for Christianity Answer Book* Harper Collins

Bestselling authors Lee Strobel and Mark Mittelberg draw on the principles in *The Case for Christ* to provide a training course for believers that equips them with practical tools to share their faith.

**The Case for Christ Answer Booklet** Zondervan

The book consists primarily of interviews between Strobel (a former legal editor at the Chicago Tribune) and biblical scholars such as Bruce Metzger. Each interview is based on a simple question, concerning historical evidence (for example, "Can the Biographies of Jesus Be Trusted?"), scientific evidence, ("Does Archaeology Confirm or Contradict Jesus' Biographies?"), and "psychiatric evidence" ("Was Jesus Crazy When He Claimed to Be the Son of God?"). Together, these interviews compose a case brief defending Jesus' divinity, and urging readers to reach a verdict of their own.

*The Case for Christmas* Zondervan

Open this book and open your eyes. It is unlike any other you have held; a visual feast for your eyes and a spiritual feast for your soul. Lee Strobel, former atheist and award-winning legal editor of the Chicago Tribune, asks hard questions about God in *The Case for Faith Visual Edition*. And then he explores them with evidence from archaeology, history and science---all set in powerful imagery and stunning typography. See the evidence for faith as you've never seen it before.

*The Case for Christ* InterVarsity Press

In the face of modern critical scholarship, which is steadily eroding the historical reliability of the Gospels and their presentation of Jesus, conservative writers have been making valiant attempts to re-establish confidence in the Christian record and doctrine. The most prominent of these, in popular exposure and commercial success, has been Lee Strobel, in his 1998 book 'The Case for Christ'. In that book, Lee Strobel, an ex-court journalist, conducts a series of 14 interviews with well-known conservative and evangelical scholars of the New Testament, such as Craig Blomberg, William Lane Craig and Gary Habermas, in an attempt to establish the reliability of the Gospel account and the truth of the Resurrection. Within the context of a scholarly critique, Earl Doherty, author of 'The Jesus Puzzle' takes quotations from those interviews and sets up his own dialogue with them, as though cross-examining Strobel and his witnesses in a courtroom before judge and jury. This makes for gripping reading, a strong atmosphere and an effective way to present the case in favour of a more rational and coherent view of the Christian record and the origins of Christianity. This book exposes the deficiencies, the fallacies, the selective and misleading use of evidence inherent in 'The Case for Christ', and offers more reasonable alternatives.

**The Case for Easter** HarperChristian Resources

Questions about the reliability of the New Testament are commonly raised today both by biblical scholars and popular media. Drawing on decades of research, Craig Blomberg addresses all of the major objections to the historicity of the New Testament in one comprehensive volume. Topics addressed include the formation of the Gospels, the transmission of the text, the formation of the canon, alleged contradictions, the relationship between Jesus and Paul, supposed Pauline forgeries, other gospels, miracles, and many more. Historical corroborations of details from all parts of the New Testament are also presented

throughout. *The Historical Reliability of the New Testament* marshals the latest scholarship in responding to New Testament objections, while remaining accessible to non-specialists.

*The Case for Easter Study Guide* Zondervan

Based on the eye-opening best-selling series, this 90-day devotional for kids ages 9-12 explores the life of Jesus and what it means to be a Christian, while also tackling tough questions kids ask about God. **The Case for Jesus** Crossway

She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? *She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

**In Defense of Jesus** Penguin

Former skeptic Strobel brings his tough-minded and engaging approach in this work perfect for group or individual study. Based on the book "The Case for Faith," this six-session workbook

addresses the most common obstacles to faith in Christ.

Case for Christ Student Ed Padded Harper Collins

Bestselling and award-winning author Lee Strobel interviews experts about the evidence for the afterlife and offers credible answers to the most provocative questions about what happens when we die, near-death experiences, heaven, and hell. We all want to know what awaits us on the other side of death, but is there any reliable evidence that there is life after death?

Investigative author Lee Strobel offers a lively and compelling study into one of the most provocative topics of our day. Through fascinating conversations with respected scholars and experts--a neuroscientist from Cambridge University, a researcher who analyzed a thousand accounts of near-death experiences, and an atheist-turned-Christian-philosopher--Strobel offers compelling reasons for why death is not the end of our existence but a transition to an exciting world to come. Looking at biblical accounts, Strobel unfolds what awaits us after we take our last breath and answers questions like: Is there an afterlife? What is heaven like? How will we spend our time there? And what does it mean to see God face to face? With a balanced approach, Strobel examines the alternative of Hell and the logic of damnation, and gives a careful look at reincarnation, universalism, the exclusivity claims of Christ, and other issues related to the topic of life after death. With vulnerability, Strobel shares the experience of how he nearly died years ago and how the reality of death can shape our lives and faith. Follow Strobel on this journey of discovery of the entirely credible, believable, and exhilarating life to come.

*The Case for Christ Study Guide Revised Edition* Zonderkidz

Answers to the most-asked questions about Christian faith! The Case for Christianity Answer Book is a great book for both newer and seasoned Christians alike. The Q&A format lends itself to helping believers know how to effectively defend their faith. Perfect for those ready to consider Jesus, longtime believers, someone seeking the truth, or even a skeptic. This book is great for anyone looking for a handy reference. The Case for Christianity Answer Book provides succinct answers to real questions about Christianity. Strobel, a former atheist, uses his investigative journalism skills to dig deep into the Bible to provide compelling and concise answers about Christianity. In this answer book, bestselling author Lee Strobel offers biblically based answers to questions such as: Did God use evolution when He created the world? If God is loving, why is there so much suffering? Do the resurrection accounts in the four Gospels contradict each other? Can you have doubts and still be a

Christian?

**C. S. Lewis's Case for Christ** HarperChristian Resources

"A phenomenal resource that is both user-friendly and up-to-date, [and will] equip believers to defend this crucial issue." - Josh McDowell. Includes an interactive CD in a game-show format to test your memory of the key issues and concepts.

*The Case for the Resurrection of Jesus* David C Cook

Drawn from Lee Strobel's own experiences as a former atheist engaged in a thorough search for truth, the articles and notes throughout *The Case for Christ Study Bible* provide a solid explanation of where the historical and scientific evidence point toward the existence of a compassionate Creator God and his Son, Jesus, the Savior. *The Case for Christ Study Bible* features more than 500 notes and articles, including: A.) *The Case for a Creator*: highlighting the wonders of creation and demonstrating how the scientific evidence supports belief in an all-powerful Creator. B.) *The Case for the Bible*: exploring the character of the Bible, the extra-biblical evidence that corroborates scripture, and apparent contradictions. C.) *The Case for Christ*: investigating Jesus' claims, Messianic identity, deity, and resurrection. D.) And much more. The Good News of the Gospel transformed the life of this former atheist. It can do the same for others who commit to examining the evidence for themselves.

*The Case for Heaven* Harper Collins

Of the many world religions, only one claims that its founder returned from the grave. The resurrection of Jesus Christ is the very cornerstone of Christianity. But a dead man coming back to life? In our sophisticated age, when myth has given way to science, who can take such a claim seriously? Some argue that Jesus never died on the cross. Conflicting accounts make the empty tomb seem suspect. How credible is the evidence for the resurrection? Focusing his award-winning skills as a legal journalist on history's most compelling enigma, Lee Strobel retraces the startling findings that led him from atheism to belief. Drawing on expert testimony first shared in his blockbuster book *The Case for Christ*, Strobel examines: *The Medical Evidence -- Was Jesus' death a sham and his resurrection a hoax?* *The Evidence of the Missing Body -- Was Jesus' body really absent from his tomb?* *The Evidence of Appearances -- Was Jesus seen alive after his death on the cross?* Written in a hard-hitting journalistic style, *The Case for Easter* probes the core issues of the resurrection. Jesus Christ, risen from the dead: superstitious myth or life-changing reality? The evidence is in. The verdict is up to you. Book jacket.
