SANTIAGO ERICKSON

From Past to Present

Penguin

"This nostalgic volume of Christmas stories, poems, carols, recipes, and memorabilia celebrates the holiday's most deeply held traditions."

—Publishers Weekly It's the most wonderful time of the year, and this richly illustrated treasury celebrates everything there is to love about the holiday season! It's filled with favorite Christmas stories, such as "'Twas the Night Before

Christmas" and "Little Women, A Merry Christmas," and songs as well as original poems from Lee Bennett Hopkins, Naomi Shihab Nye, and others; original recipes from Erin Gleeson, Yvette van Boven, and Yotam Ottolenghi; and other holiday trappings. All the artwork is from the Metropolitan Museum of Art's collection, ranging from religious paintings depicting the Nativity, to 20th-century illustrations showing Santa Claus, to wintry scenes of snowy landscapes and ice skaters. With beautiful art and joyful text, this is a wonderful book for the

entire family to share. "An ideal single source book of traditional Christmas songs and stories, illustrated with attractive imagery from artists celebrating the holiday across the centuries. It also includes new poems commissioned for the book and holiday recipes created by the chefs from the restaurant at The Met." —borg

Christmas Is Coming!

Rizzoli Publications

A pitch-perfect account of how hip-hop culture drew in the author and how his father drew him out again—with love, perseverance, and fifteen thousand books. Into

Williams's childhood home-a one-story ranch house-his father crammed more books than the local library could hold. "Pappy" used some of these volumes to run an academic prep service; the rest he used in his unending pursuit of wisdom. His son's pursuits were quite different- "money, hoes, and clothes." The teenage Williams wore Medusa-faced Versace sunglasses and a hefty gold medallion, dumbed down and thugged up his speech, and did whatever else he could to fit into the intoxicating hip-hop culture that surrounded him. Like all his friends, he knew exactly where he was the day Biggie Smalls died, he could recite the lyrics to any Nas or Tupac song, and he kept his woman in line, with force if necessary. But Pappy, who grew up in the segregated South and hid in closets so he could read Aesop and Plato, had a different destiny in mind for his son. For years, Williams managed to juggle two disparate lifestyles- "keeping it real" in his friends' eyes and studying for the SATs under his father's strict tutelage. As college approached and the stakes of the thug lifestyle

escalated, the revolving door between Williams's street life and home life threatened to spin out of control. Ultimately, Williams would have to decide between hip-hop and his future. Would he choose "street dreams" or a radically different dream- the one Martin Luther King spoke of or the one Pappy held out to him now? Williams is the first of his generation to measure the seductive power of hip-hop against its restrictive worldview, which ultimately leaves those who live it powerless. *Losing My Cool* portrays the allure and the danger of hip-hop culture like no book has before. Even more remarkably, Williams evokes the subtle salvation that literature offers and recounts with breathtaking clarity a burgeoning bond between father and son. Watch a Video *Manufacturing ...* *Pioneers of Skateboarding* Boys' Life is the official youth magazine for the Boy Scouts of America. Published since 1911, it contains a proven mix of news, nature, sports, history, fiction, science, comics, and Scouting. **Skateboarding: Legendary Tricks 2** Ten Speed Press

Every culture has a creation myth, and skateboarding is no different. The Ollie forged a new identity for skateboarding after its invention in the 1970s, and it lies at the root of nearly every significant move in street skating today. This groundbreaking no-handed aerial has also affected the evolution of surfing and snowboarding, and has left a permanent impression upon popular culture and language. This, then, is the story of the Ollie, the history and technology that set the stage for its creation, the pioneers who made it happen, and the skaters who used it to start a revolution.

Losing My Cool Rizzoli Publications

"Hit the streets with 200 exhilarating photographs of the worlds greatest professional skateboarders in action. In this dynamic collection, award-winning photographer Jonathan Mehring takes us from New York to Hong Kong to Istanbul and beyond as he sets out to capture the heart and soul of skate culture on six continents. Featuring stars like Tony Hawk, Nyjah Huston, and Eric Koston, Mehrings images have been

published in top skateboarding magazines, and ESPN named him one of the sports ten most influential people. Now, in his first book, Mehring invites us along on his exhilarating photo adventures across six continents. By capturing these experiences on camera and including complementary images contributed by other top skate photographers, Mehring presents an exciting and artful look at skate culture around the world. With an adrenaline rush on every page, this book celebrates the joy of skateboarding and its power to inspire young people to overcome obstacles on the board and off."--Amazon.com.

"This collection of graphic art covers 40 years of Jim Phillips' free-lance and fine art, and contains hundreds of samples of posters, ads, logos, labels, cartoons, and other art forms that have entertained many and provided cultural identity for others. The story weaves history and insight into Jim's images, revealing the life and works of this California artist. ..."--Back cover.

Venice Beach Merrell

At age six, Rodney Mullen was the family misfit who had to wear braces to straighten out his pigeon-toed feet. But by age fourteen, he was a world-champion skateboarder -- and for the next decade lost only one contest. Now, for the first time, Rodney tells the incredible story of his ascent to fame as the number one nerd in a sport where anarchy is often encouraged. Rodney learned to skate by himself on the family farm, his only company the wandering cows. As a teenager he traveled the world for demonstrations, invented the flatground ollie -- a trick that laid the foundation for modern street skating -- and in ten years garnered thirty-five world skating titles. While acing skateboard contests Rodney also earned straight A's in school, but his father forced him to abandon his fame and the fortune he could make from the sport he loved. Rodney was unable to stop for very long though, even after freestyle skating went out of fashion and the skateboarding world abandoned him. He adapted to street skating and eventually became one of the most innovative and influential

skaters of all time. It's all here: everything from his eating and sleeping disorders to his comical experiences with loan sharks, occult-obsessed relatives, and the FBI. The Mutt is a look at Rodney's strange journey from penniless skateboarder to millionaire.

Locals Only Cambridge University Press

From stunning coastal views to bridges wrapped in dreamy fog, this collection showcases 300 photos of San Francisco and the greater Bay Area captured by more than fifty acclaimed photographers from across the Instagram community. From the Golden Gate Bridge and the Palace of Fine Arts to Salesforce Tower and the Transbay Transit Center's elevated rooftop park, from Point Reyes and Muir Woods to Napa and Sonoma wine country, the San Francisco Bay Area has long been celebrated as the most photogenic region in the United States. Nowhere has that magic glittered brighter than on Instagram, where a community of dedicated photographers has captured and shared some of the most stunning images ever seen of the Bay Area. Following the runaway

success of New York City on Instagram, this collection encapsulates the San Francisco Instagram experience with fresh takes of familiar icons and fascinating glimpses of the city's newest landmarks and the natural beauty of the Bay Area's most scenic destinations. Complementing the spectacular photography is a list of "Most Instagram-Worthy Spots" - the perfect guides for both photo enthusiasts and adventurers seeking to explore the sights featured in the book. For anyone with a love of the San Francisco Bay Area and Instagram, *San Francisco on Instagram* will be both the perfect keepsake and a source of inspiration.

Mark Gonzales New Past Press

An endearing book of photographs of legendary skateboarding pioneer and Z-Boy Jay Adams during his childhood years, taken by Adams's stepfather Kent Sherwood and now back in print for the first time since Adams's passing. Skateboarding legend Jay Adams's sudden and unexpected death at the age of fifty-three shocked the world. Media outlets including the New York

Times, the Washington Post, CNN, the Hollywood Reporter, ESPN, MTV, the Telegraph, and People magazine to name only a few, paid tribute to Jay Adams; the broad coverage he received speaks to the immense influence Adams had on the sport of skateboarding and the subsequent culture he helped grow and shape. Universe is pleased to bring back into print the little-known book of photographs of Jay Adams's earliest days as a surfer and skateboarder, taken by his stepfather Kent Sherwood. Sherwood is directly responsible for unleashing Adams's talent on the world: he introduced Adams at a very young age to surfing and skateboarding. Sherwood, a self-taught photographer, began shooting the young Jay Adams at play, surfing, and skating with his friends, including Tony Alva, Wentzle Ruml, and Shogo Kubo, among others. *Jay Boy* is an endearing, intimate look at the gifted Adams and his friends, and includes sweet and revealing thoughts about his past, written in his own hand before he passed away. It is certain to appeal to any fan of skateboarding. *San Francisco on*

Instagram National Geographic Books

"To be a skateboarder today is a much different experience than it was for much of the 1990s. The photographs, quotes, and anecdotal text in '93 til' captures a time in skateboarding when making a livable income as a professional skater was a luxury and public understanding of skateboarding was at an all-time low. It was a time when skateboarding was searching for an identity, a time before Instagram and big corporate influences. Street skating was coming of age, testing its limitations and aligning itself with a new and innovate style of hip-hop culture that was emerging. Looking back, many skaters today feel as though the '90s were the golden years of skateboarding. '93 til' is a captivating portal into a decade and a culture that is remembered with warmth and nostalgia. Much of the photography that Pete has unearthed for '93 til was buried in boxes for close to two decades and hasn't never been seen or published before. The 250-page book also contains several timeless images from his years shooting for SLAP and Transworld

Skateboarding Magazine that will be familiar to the initiated. In addition to his stunning action shots are plenty of portraits and unguarded, candid moments that span from the late '80s up through 2004. The book reveals a raw, unapologetic perspective of a world that no longer exists."-- Provided by publisher.

Boys' Life Dorrance Publishing
"Locals Only" is a beautifully designed, large-format photography book featuring some of the most quintessential images ever made during the earliest days of skateboard culture. It contains more than 120 large-format color images plus an interview with the artist.

The Sporting News Harper Collins
One crazy year on the

California coast--in 1975 a hippie skunkworks, bred in garages and shacks, launched the modern skater movement. Strap in for a wild ride replete with two car chases, two plane crashes, a massive truck bomb, Colombian narcos, the Mafia, senior White House staff, a gypsy fortuneteller, three straight-up miracles, Jacques Cousteau, big piles of cocaine and naked hippie chicks. Author John O'Malley was in the thick of it all, and he retraces the trip that starts with a bang and races to a melt-in-your-mouth ending.

Terra RANDOM HOUSE US
"Breathtaking....Crazy for the Storm will keep you up late into the night." —Washington Post Book World
Norman Olstead's New York Times bestselling memoir *Crazy for the Storm* is the story of the harrowing plane crash the author miraculously survived at age eleven, framed by the moving tale of his complicated relationship with his charismatic, adrenaline-addicted father. Destined to stand with other classic true stories of man against nature—*Into Thin Air* and *Into the Wild* by Jon Krakauer; Sebastian Junger's *The Perfect*

Storm—it is a literary triumph that novelist Russell Banks (*Affliction*) calls, "A heart-stopping story beautifully told....Norman Olstead has written a book that may well be read for generations."

To do what no other magazine does: Deliver simple, delicious food, plus expert health and lifestyle information, that's exclusively vegetarian but wrapped in a fresh, stylish mainstream package that's inviting to all. Because while vegetarians are a great, vital, passionate niche, their healthy way of eating and the earth-friendly values it inspires appeals to an increasingly large group of Americans. VT's goal: To embrace both.

Urethane Revolution: The Birth of Skate—San Diego 1975

Gingko Press
The dynamic images from the analog era found in PUSH demonstrate why Grant Brittain has become one of the most widely-

recognized skateboard photographers on the planet. Brittain has been at the epicenter of California skateboarding since landing a job at Del Mar Skate Ranch in 1978. Brittain started shooting Kodachrome at Del Mar in 1979, and within a few years he was submitting photographs to TransWorld Skateboarding magazine, going on to become Photo Editor there shortly thereafter. In 1987, "The Push," a photo of Tod Swank made the cover of TransWorld, becoming one of the most recognizable photos in all of skateboarding. J Grant Brittain has mentored dozens of budding photographers while achieving the status of icon to skateboarders around the world. It's high time the world gets a chance to see this collection of his work from the 1980s that has inspired so many. PUSH includes a foreword by Tony Hawk, an

introduction by Miki Vuckovich and a fold-out timeline by Gary Scott Davis.
