PULITZER PRIZE WINNER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SAN FRANCISCO CHRONICLE From National Book Award finalist David I. Kertzer comes the gripping story of Pope Pius XI's secret relations with Italian dictator Benito Mussolini. This groundbreaking work, based on seven years of research in the Vatican and Fascist archives, including reports from Mussolini's spies inside the highest levels of the Church, will forever change our understanding of the Vatican's role in the rise of Fascism in Europe. The Pope and Mussolini tells the story of two men who came to power in 1922, and together changed the course of twentieth-century history. In most respects, they could not have been more different. One was scholarly and devout, the other thuggish and profane. Yet Pius XI and "Il Duce" had many things in common. They shared a distrust of democracy and a visceral hatred of Communism. Both were prone to sudden fits of temper and were fiercely protective of the prerogatives of their office. ("We have many interests to protect," the Pope declared, soon after Mussolini seized control of the government in 1922.) Each relied on the other to consolidate his power and achieve his political goals. In a challenge to the conventional history of this period, in which a heroic Church does battle with the Fascist regime, Kertzer shows how Pius XI played a crucial role in making Mussolini's dictatorship possible and keeping him in power. In exchange for Vatican support, Mussolini restored many of the privileges the Church had lost and gave in to the pope's demands that the police enforce Catholic morality. Yet in the last years of

his life—as the Italian dictator grew ever closer to Hitler—the pontiff's faith in this treacherous bargain started to waver. With his health failing, he began to lash out at the Duce and threatened to denounce Mussolini's anti-Semitic racial laws before it was too late. Horrified by the threat to the Church-Fascist alliance, the Vatican's inner circle, including the future Pope Pius XII, struggled to restrain the headstrong pope from destroying a partnership that had served both the Church and the dictator for many years. The Pope and Mussolini brims with memorable portraits of the men who helped enable the reign of Fascism in Italy: Father Pietro Tacchi Venturi, Pius's personal emissary to the dictator, a wily anti-Semite known as Mussolini's Rasputin; Victor Emmanuel III, the king of Italy, an object of widespread derision who lacked the stature—literally and figuratively—to stand up to the domineering Duce; and Cardinal Secretary of State Eugenio Pacelli, whose political skills and ambition made him Mussolini's most powerful ally inside the Vatican, and positioned him to succeed the pontiff as the controversial Pius XII, whose actions during World War II would be subject for debate for decades to come. With the recent opening of the Vatican archives covering Pius XI's papacy, the full story of the Pope's complex relationship with his Fascist partner can finally be told. Vivid, dramatic, with surprises at every turn, *The Pope and Mussolini* is history writ large and with the lightning hand of truth.

Dirty money draws Canadian police chief Reid Bennett and his dog south of the border, where they come up against racism, the mob—and murder. Canadian police chief Reid Bennett is back with his faithful dog Sam by his side. This time, the case takes them across the border to Chambers, Vermont, where an old buddy needs Reid's help. Doug Ford, a black policeman in the all-white town, has been charged with murdering the attractive bookkeeper of a local ski resort. Only Reid believes Doug's story that he and the woman were working together to

investigate an entrenched money laundering conspiracy. But as new bodies pile up and the mafia rears its ugly head, things start to fall in line with Doug's story. Can Reid untangle the mystery before more blood gets shed? He will have to act fast—an unseen hand seems willing to stop at nothing to keep its secrets safe. Queremos alcançar, no processo civil, a boa decisão da causa e a verdade material. Sucede que, com a desmaterialização, com a evolução - constante - ao nível do digital, nos situamos numa esfera desprotegida. As provas e os meios de prova confundem-se, unem-se e surgem, muitas vezes, associadas ao digital: quer no momento da sua criação, quer no momento do seu armazenamento, quer no momento efetivo da sua produção perante um julgador. Hoje, aqui e agora, urge conhecermos melhor o potencial da blockchain na realidade probatória, no processo e ousarmos utilizar o que de tão bonito e evolutivo temos à nossa mercê: ferramentas. Ferramentas essas de onde destacamos a tecnologia blockchain. De nada nos vale termos a semente, a terra, a água, as ferramentas de trabalho se ficarmos sentados à espera que tudo floresça. É preciso pôr mãos à obra, falhar, recomeçar, mas tentar. Porque só quem tenta pode falhar e antes falhar por tentativas, do que nunca tentar. Tentemos.

Married couples...dating couples...parents and children...teachers and students...office workers...management and staff...business to business... There is a simple solution to improving your communication and building better, healthier relationships. It's called Law of Connection. Make it work for you! Are there certain people you cannot seem to communicate with--at home, at work, or in your community? You say one thing, they hear something different. You simply do not understand one another, and you cannot explain why. The only thing you are certain of is that the lack of connection leads to disappointment, frustration, and conflict. Now in LAW OF CONNECTION, Michael J. Losier gives you the key to successful communication. Using the principles of Neuro-Linguistic Programming (NLP), you will soon master the few simple skills needed to create better understanding with people in every aspect of your life. With tips, tools, exercises, and scripts to guide you, you will discover: -- the three conditions for connecting -- techniques for calibrating your conversations --four easy methods for effective communication --tips for creating positive rapport in all kinds of situations -- a special section for teachers, trainers, and anyone who makes group presentations. Bring LAW OF CONNECTION home to your family and introduce it into your workplace. Watch and listen as communication improves wherever you are, and your relationships become fuller, richer, and free of conflict.

El Informe Mundial sobre las Drogas presenta un panorama completo de las últimas novedades en los mercados de drogas. Se ocupa de la producción, el tráfico, el consumo y las consecuencias para la salud. En el capítulo 1 del informe de este año se examinan la situación mundial y las tendencias más recientes en los diferentes mercados de drogas, el alcance del consumo de drogas ilícitas, así como sus efectos en la salud. En el capítulo 2 se trata el fenómeno de las nuevas sustancias psicoactivas (NSP), que pueden tener consecuencias mortales para sus consumidores pero que son difíciles de fiscalizar, con la aparición en los últimos diez años de productores y líneas de productos dinámicos en continua evolución.

Paulo Coelho: A Warrior's Life is the first-ever biography of the man whose books have sold an astounding 100 million copies worldwide, making him one of the bestselling authors of all time. Paulo Coelho's life begins with a complicated birth in Rio de Janeiro, Brazil, in August 1947. He was known as the "boy who was born dead" and who ultimately survived against all odds. Before he became internationally known as a worldwide bestselling author, Paulo lived many different lives. He flirted with suicide, was committed by his parents to insane asylums, suffered the brutality of electric shock therapy, dove into drugs, tried several varieties of sex, met the devil, spent time in prison, helped revolutionize Brazilian rock with musician Raul Seixas, and finally rediscovered his faith in 1986 as he walked the sacred Road to Santiago de Compostela, a medieval pilgrim's route between France and Spain. Coelho would later describe this life-changing spiritual experience in his first book, The Pilgrimage. The following year, The Alchemist established his worldwide reputation. The novel has already achieved the status of a universally admired modern classic. Now, for the first time, discover the life story of one of the most widely read and adored authors of our time.

República portuguesa Open Road Media

In accordance with Article 102 of the Charter and the relevant General Assembly Resolutions, every treaty and international agreement registered or filed and recorded with the Secretariat since 1946 is published in the United Nations Treaty Series. At present, the collection includes about 30,000 treaties reproduced in their authentic languages, together with translations into English and French, as necessary. The Treaty Series, where treaties are published in the chronological order of registration, also provides details about their subsequent history (i.e., participation in a treaty, reservations, amendments, termination, etc.). Comprehensive Indices covering 50-volume-lots are published separately. A Standing Order service is available for the Series and out-of-print volumes are available on microfiche.

You may have learned how to get what you want—but what if you don't know what you want? A guide to finding your purpose by the author of Law of Attraction. In his bestselling book Law of Attraction, Michael Losier showed us how we can attract the things we want through our attention, energy, and focus. But what if

you aren't able to pinpoint what you want in life? What if you're stuck, unsatisfied, but unable to see what's holding you back? How do you identify what will truly bring you joy? In Your Life's Purpose, Losier dives into our most basic motivations and lays out a simple guide to help you identify your strongest needs. These needs, which he calls Fulfillment Needs, are the four core motivators that, when taken together, describe the meaning and purpose of your life. Losier spent five years developing a proven methodology for identifying these needs. His easy-to-follow, step-by-step guide will help you understand not just what drives you, but how to integrate joy into your day-to-day life. Complete with interactive exercises, charts, and personal testimonials, this results-driven book will help you evaluate your job, build compassion and understanding in your relationships, and make big life decisions based on your level of fulfillment. Michael Losier's books, courses, and videos have helped millions around the globe to improve their relationships, redirect their energies, and find personal fulfillment. You may be surprised how easily you can find your life's purpose!

Collecção de decretos sobre consulta do supremo tribunal administrativo, ... United Nations

Based on twenty case studies of universities worldwide, and on a survey administered to leaders in 101 universities, this open access book shows that, amidst the significant challenges caused by the COVID-19 pandemic, universities found ways to engage with schools to support them in sustaining educational opportunity. In doing so, they generated considerable innovation, which reinforced the integration of the research and outreach functions of the university. The evidence suggests that universities are indeed open systems, in interaction with their environment, able to discover changes that can influence them and to change in response to those changes. They are also able, in the success of their efforts to mitigate the educational impact of the pandemic, to create better futures, as the result of the innovations they can generate. This challenges the view of universities as "ivory towers" being isolated from the surrounding environment and detached from local problems. As they reached out to schools, universities not only generated clear and valuable innovations to sustain educational opportunity and to improve it, this process also contributed to transform internal university processes in ways that enhanced their own ability to deliver on

the third mission of outreach

Routes Du Monde Grand Central Life & Style

Published at a time of unprecedented growth of interest in translation, the Dictionary of Translation Studies aims to present the insights of a number of different approaches to translation in an unbiased, non-partisan way. With more than 300 articles, this essential volume provides the reader with a snapshot of a rapidly developing discipline, based on work produced in several languages. With a clear, easy-to-follow layout, the Dictionary provides a comprehensive and highly accessible survey of key terms and concepts (such as Abusive Translation, Equivalence, Informationsangebot, Minimax Principle, Texteme and Thick Translation), types of activity (Autotranslation, Dubbing, Signed Language Interpreting), and schools and approaches (Leipzig School, Manipulation School, Nitra School). Each term is presented within the context in which it first occurred and is given a definition which is both clear and informative. Major entries include a discussion of relevant viewpoints as well as comments on how the usage and application of the term

have developed subsequent to its coining. In addition, all entries provide suggestions for further reading, and there is an extensive bibliography included at the end. This is an indispensable tool for anyone studying or teaching translation at university level.
