Irving Berlin (1888–1989) was unable to read or write music and could only play the piano in the key of F-sharp major; yet, for the first half of the twentieth century he was America's most successful and most representative songwriter, composing such hits as "Alexander's Ragtime Band," "Cheek to Cheek," "Let's Face the Music and Dance," "Puttin' on the Ritz," "White Christmas," "Anything You Can Do," "There's No Business Like Show Business," and "God Bless America." As *Thousands Cheer*, winner of the Ralph J. Gleason Music Book Award, explores with precision and sensitivity Berlin's long, prolific career; his self-doubt and late-blooming misanthropy; and the tyrannical control he exerted over his legacy of song. From his immigrant beginnings through Tin Pan Alley, Broadway, and Hollywood to his reclusive and bitter final years, this definitive biography reveals the man who wrote 1500 songs but could never quash the fear that, for all his success, he wasn't quite good enough.

The Fourth Sequel to *The Cheerleader!* I'm a Maine native, a born Maniac.-Jean Pond Cram, aka Puddles. Puddles may have been born in Maine, but where are her real roots? She spent her teens in New Hampshire and her married life in South Carolina. Has she established roots in these other states? Or has she felt like a displaced person all these years? The most uninhibited of *The Cheerleader's* three friends, Puddles is widowed now and working at two jobs in South Carolina (nurse and cheerleading coach). She appears to be settled down for the rest of her life. Normally intrepid and sure of herself, she finds that uncertainty starts with the death of her mother, a complicated milestone for daughters. Concern about her father galvanizes her, and their trip to visit Maine relatives will become her progress to adventure, an island, a castle, hard decisions, and rebirth. Puddles is just as hilarious as when she chased Snowy around a 1950s Woolworth's with giant underwear.-from the foreword by Ann V. Norton

Cheers! Here's to the Baby! Holiday House

The world of all-star cheerleading stretches beyond the imagination of a "normal" human being. Misunderstood by most, all-star cheerleading has become one of the fastest growing "industries" in the past decade. We don't cheer for football, we don't cheer for basketball, the only thing we cheer for is our teammates standing next to us. A world full of scandal, drama, drug and alcohol usage, cut-throat tactics, heartache, defeat and the adrenaline rush you feel while performing the two and a half minute routine. This is my story as a level five all-star cheerleader and coach. I take you on my journey to show you what really happens behind closed doors and what happens from the athlete's point of view. I show you why all-star cheerleading has become my biggest weakness and my constant struggle. Step into my world and experience the emotions and struggles that is my never ending addiction and how it has changed my life forever.

A forty-year-old cheerleader? When Laura Vikmanis, a single mom in Ohio, told friends that she wanted to be an NFL cheerleader, they said it would never happen. But she proved them all wrong. . . . Laura Vikmanis has got spirit . . . and pom-poms, too! But before she stepped onto the field as the oldest cheerleader in the National Football League, she was sidelined by a bad marriage and the many responsibilities of stay-at-home motherhood. She finally got the courage to leave her husband and to ask herself something she had never asked before: What do I want to do? Remembering her teenage love of dance, she signed up for a pole-dancing fitness class, where she met a former cheerleader for the Cincinnati Bengals. When the woman suggested that Laura audition to be a "Ben-Gal," Laura laughed her off but soon realized that the audition process could be a way of healing herself—and regaining her confidence. Her boots were made for walking—but also for stomping on a football field. She tried out for the team next to girls young enough to be her daughters. Girls with tighter abs, fuller hair, no kids, and no crow's-feet. After much adversity and multiple auditions, she finally made the team, becoming the oldest cheerleader in the League. It's Not About the Pom-Poms follows Laura's inspiring, funny, and eye-opening journey from demoralized divorcee to high-kicking Cincinnati Ben-Gal. Readers will cheer her on as she rediscovers her passion for dancing, takes hip-hop classes with twelve-year-olds, loses twenty-five pounds, discovers her abs, finds love again, and becomes a new kind of role model to her daughters. Laura also provides

an inside look into the fascinating world of NFL cheerleaders—the grueling workouts, bad pay, twice-weekly weigh-ins, but, most important, the lifelong bond between the women, who do it all for the glory. Leading with her heart, Laura Vikmanis faces adversity with her head held high as she learns in mid-life to take a flying leap. Powerful and uplifting, *It's Not About the Pom-Poms* shows that, no matter your age, it's never too late to go, fight, and win!

The Birth Cheer is a short little poem that has been turned into a coloring book to help you visualize some activities for you and your support team ease the birth process. It grew out of a conversation my husband had with a co-worker who had no idea what role a birth doula played in the birth team. I hope you enjoy this fun little book!

"A rhyming celebration of community features a diverse cast of children who invite readers to cheer along as they honor the important contributions of people who help make communities work, from teachers and police officers to librarians and families"--

The Cheer Leader

Matilda "Wheezer" Choi, the asthmatic who can fly and kick butt courtesy of her nanobyte-enhanced inhalers, loves pro wrestling and hates anything "girlie." Maybe that's because she grew up with six brothers—or maybe it's because her home life has become a battle zone in the conflict between her parents. Unfortunately for Wheezer, when a former member of NERDS turned villain gets extensive plastic surgery in order to become a cheerleader, Matilda must swallow her pride to successfully infiltrate the squad. The newest supervillain, Gerdie Baker, assisted by the criminal mastermind Simon, has created a device that opens portals to other worlds, which she and the other cheerleaders have been pillaging. But the alternate realities are starting to get awfully close together, so it's up to Wheezer and the NERDS to stop the cheerleaders before the worlds collide.
