A general problem for everyone who had a secret desire to learn how to play the drums was the expense of getting started and/or the difficulty and this has put off almost all of them. Just like a lot

of us, have you finally shaken off that negativity and decided that now is the time to learn? The truth is that even after we have decided to let go of our fear, we still need a suitable guide to keep us in form as we proceed to move from Better to Best, Beginner to Pro etc. Here is the GOODNEWS in this book HOW TO PLAY THE DRUMS The Ultimate Guide to Learn to Play the Drum from Beginner to

Pro by AJ Strings As you read and practice the steps discussed, you will discover some of the secrets that will help you to learn drumming quickly and easily, so that you have a base to work from. Hence your journey Into Playing Drums would become an easy one. KNOW THIS: The most ideal approach to learn the drums depends on five core standards. 1) Learn the basic type of

the 7 most mainstream rhythms of today and the basic varieties and afterward practice them by; 2) Tapping and cooperating to the music you love on the radio or CD or iPod; 3) Learn 3 basic drum fundamentals to have the option to play simple fills; 4) Learn stuff gradually and afterward and at exactly that point get quicker; and 5) Play with different artists or potentially be in a band. Learning to

play the drums is difficult for many people. The coordination and rhythm that is required doesn't always come naturally, and many starts and then abruptly halt or move to another instrument, instead THIS COULD BE THE ARE NOT WELL GUIDED. But there is something about playing the drums, especially with a band, that appeals to millions of us. Once you have

mastered the basics of drumming, it becomes easier to build on your newfound skill and go on to the next level and the next after that. Before long, you will be wondering why you never took it up before and also wonder why everything seems easier now. Unlike any other how-to-drum book currently out there, this book is specifically geared to adults. Maybe you always wanted to play, but for whatever reason it never happened. Maybe you left music-making behind at some point and want to pick it back up. Either way, this book is designed for you. It is a focused introduction on how to play music with other people. After working

your way through this book, you will be able to play music with a band, have fun, and sound good. Even if you master only the patterns in this book, you will still be able to make music with your friends and convincingly fake your way through just about any song you hear on the radio. Maybe you won't be able to play the exact pattern the original drummer played yet, or every fill, but you will be

able to get the idea across in a way that you and the people you play with will enjoy. You will also get a firm musical foundation and a good practice method that will allow you to branch off in the direction you want to go after you master this book.

\*\*\*\*\*Why Choose This Book\*\*\*\*\*

\*\*\*This is the only how-to-play-drums book written specifically for adult novices, adults returning to

the drums and for other instrumentalists who want to learn the drums\*\*\*You want to learn how to make music, not just play notes.

\*\*\*It has a practice method based on my professional and academic experience that you can use for any material, in any

book\*\*\*You can work their own way through at their own pace

\*\*\*The book and practice method are designed to fit different learning styles

\*\*\*The book offers a unique notation system designed to make understanding what to do on the drums more intuitive and also to make transitioning to staff notation easier\*\*\*\*\*

\*\*What You Will Learn\*\*\*\*\*

\*\*\*This book is not a compendium of everything you can do on the drums. Instead it is designed for people who want to start playing drums with other

people for fun. Through working your way through this book, you will: **\*\*\*Get to know the drum set and how to set it up\*\*\*Use basic drum technique\*\*\*Be able to play basic patterns and fills **\*\*\*Know how to make those fills groove\*\*\*Understand what drums do in a band\*\*\*Have a system to take basic drum patterns, master them, and incorporate them into your playing**

In the words of the author, this is the ideal book for improving "control, speed, flexibility, touch, rhythm,

lightness, delicacy, power, endurance, preciseness of execution, and muscular coordination," with extra attention given to the development of the weak hand. This indispensable book for drummers of all types includes hundreds of basic to advanced rhythms and moves through categories of single-beat combinations, triplets, short roll combinations, flam beats,

flam triplets and dotted notes, and short roll progressions.
